**INSTRUMENT OF NON-INSTATEMENT OF EXTRAORDINARY SHAREHOLDERS' MEETING
SCHEDULED FOR APRIL 18, 2013**

On April 18, 2013, at 11:00 a.m., at the headquarters of Companhia Siderúrgica Nacional ("CSN" or the "Company"), in the city and state of São Paulo, at Av. Brig. Faria Lima, 3400, 20º andar, shareholders of the Company showed up in order to attend the Extraordinary Shareholders' Meeting scheduled for that date.

It was verified, according to the signatures in the Shareholders' Attendance Book, that there was no instatement minimum quorum to resolve on the issues included in the Agenda, which imply amendment to the Company's Bylaws.

Vote declarations presented by attending shareholders will be filed with the Company.

Thus, in compliance with the provisions of article 135 of Law 6,404, as of December 15, 1976, the Shareholders' Meeting has not been instated at first call. The Company's management shall summon the shareholders at second call for a new meeting to be held on April 30, 2013.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
