**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 4, 2007, the Company's board of directors elected James R. Largent to the Board of Directors to fill a recently created vacancy. Pursuant to the terms of the Company's 2002 Stock Incentive Plan, upon his election to the Board, Mr. Largent received an automatic option grant to purchase 28,750 shares of the Company's common stock at the closing price \$6.22 on June 4, 2007. Each automatic option is immediately exercisable for all of the option shares. However, any shares purchased under such option are subject to repurchase by the Company, at the lower of the exercise price paid per share or the fair market value per share (determined at the time of repurchase), should Mr. Largent cease Board service prior to vesting of those shares. The shares vest, and the Company's right of repurchase lapses, in four successive quarterly installments upon Mr. Largent's completion of each quarter of service as a non-employee director measured from the grant date. The shares subject to the option grant will immediately vest in full if certain changes in control or ownership occur or if Mr. Largent dies or becomes disabled while serving as a director.

There are no understandings or arrangements between Mr. Largent or any other person and the Company or any of its subsidiaries pursuant to which Mr. Largent was selected to serve as a director of the Company. There are no family relationships between Mr. Largent and any director, executive officer or person nominated or chosen by the Company to become a director or executive officer, and there are no transactions between Mr. Largent or any of his immediate family members and the Company or any of its subsidiaries.
