**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) On March 9, 2010, the Board of Directors of Patterson-UTI Energy, Inc. (the Company) adopted, subject to stockholder approval, an amendment to the Patterson-UTI Energy, Inc. 2005 Long-Term Incentive Plan (as amended, the 2005 Plan), that would increase the number of shares of common stock, \$0.01 par value per share (Common Stock), reserved for issuance under the 2005 Plan by 5,000,000 (the Amendment). The Amendment was approved by the Company's stockholders on April 26, 2010, at the Company's annual meeting of stockholders (the Annual Meeting).

On March 9, 2010, the Board of Directors also adopted, subject to stockholder approval of the Amendment, an amendment to the 2005 Plan to (1) change the determination of the number of shares available for grant at any particular time under the 2005 Plan, (2) incorporate into the 2005 Plan the change of control definition that is currently contained in the Company's forms of award agreement for executives, which are listed as exhibits to the Company's Annual Report on Form 10-K for the year ended December 31, 2009 and were previously filed with the SEC, (3) eliminate the discretion of the Board of Directors to designate an event that is not described in the change in control definition as a change in control event, (4) clarify that generally no option or stock appreciation right granted under the 2005 Plan may be repriced and (5) provide that dividend equivalents may not be granted with respect to performance awards unless the payment of the dividend equivalents are subject to the same performance conditions as the performance awards (the Share Multiple and Omnibus Amendment). The Share Multiple and Omnibus Amendment became effective on April 26, 2010 upon the approval of the Amendment by the Company's stockholders at the Annual Meeting.

Accordingly, with respect to the change in the determination of the number of shares available for grant at any particular time under the 2005 Plan, any shares that are subject to awards other than options or stock appreciation rights (SARs) awarded under the 2005 Plan on or after June 5, 2008 but prior to April 26, 2010 will be counted against the number of shares available for grant under the 2005 Plan as two (2) shares for every one (1) share awarded. Any shares that are subject to awards other than options or SARs awarded under the 2005 Plan on or after April 26, 2010 shall be counted against the number of shares available for grant under the 2005 Plan as one and 35 one-hundredths (1.35) shares for every one (1) share awarded. Additionally, any shares that again become available for grant under the 2005 Plan will be added back as (w) one (1) share if such shares were subject to options or SARs granted under the 2005 Plan or options or SARs granted under the prior plans, (x) as one and six tenths (1.6) shares if such shares were subject to awards other than options or SARs granted under the 2005 Plan or under prior plans that are forfeited, expire or otherwise terminate prior to June 5, 2008, (y) as two (2) shares if such shares were subject to awards other than options or SARs granted under the 2005 Plan or under prior plans that are forfeited, expire or otherwise terminate on or after June 5, 2008 but prior to April 26, 2010 or (z) as one and thirty-five one hundredths (1.35) shares if such shares were subject to awards other than options or SARs granted under the 2005 Plan or under prior plans that are forfeited, expire or otherwise terminate on or after April 26, 2010.
