(the "Company") increased the number of authorized directors constituting the Board from three to four and appointed Brian M. As a corporate "clean-up" matter, the Company is permitted under Delaware General Corporation Law to file a certificate of elimination to remove from its certificate of incorporation references to any class or series of stock when no shares of that class or series of stock remain outstanding. The Company previously issued shares of the six series of convertible preferred stock listed below, all of which subsequently were converted into shares of the Company's common stock and are no longer outstanding. The Certificate of Elimination was authorized by the Board and, upon filing, had the effect of eliminating from the Amended and Restated Certificate of Incorporation of the Company, as amended to date, all matters set forth in the Certificates of Designation of Preferences, Rights and Limitations of the Series A – F Preferred Stock. A copy of the Certificate of Elimination is attached as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.

On December 8, 2011, the Board approved an amendment to the Company's Amended and Restated Bylaws, effective immediately, to add a new Article X that provides that, unless the Company consents to an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director or officer of the Company to the Company or its stockholders, (iii) any action asserting a claim against the Company arising pursuant to any provision of the General Corporation Law of the State of Delaware, the Company's certificate of incorporation or its bylaws or (iv) any action asserting a claim governed by the internal affairs doctrine.
