Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 15, 2015, Juniper Networks, Inc. ("Juniper" or the "Company") announced that Jonathan Davidson, 41, has been promoted to executive vice president and general manager of Juniper Development and Innovation. Davidson joined Juniper Networks in March 2010 as vice president, product line management where he was responsible for the Edge Routing and Aggregation Business product management and strategy. From July 2012 to July 2014, Davidson served as senior vice president and general manager of the Campus and Data Center Business Unit, and in July 2014, Davidson was appointed senior vice president and general manager for Juniper Networks Security, Switching and Solutions Business Unit, where he was responsible for the innovation, growth and product development of the Company's market-leading security and switching solutions. Immediately prior to joining Juniper, Davidson had a 15-year career in various leadership positions at Cisco Systems, Inc., where he most recently served as director of product management and led the enterprise routing product management team and service provider Layer 4 through Layer 7 services team.

There are no family relationships between Mr. Davidson and any other director or executive officer of the Company and there have been no transactions between Mr. Davidson and the Company in the last fiscal year, and none are currently proposed, that would require disclosure under Item 404(a) of Regulation S-K.
