The Reporting Persons acquired shares of the Common Stock of the Issuer for investment purposes, based on their belief that the Issuer's stock is undervalued and represents an attractive investment opportunity. The Reporting Persons may attempt to discuss such matter directly with the Issuer's Management and Board of Directors or may propose such matter directly to the Issuer's shareholders, in each case regarding factors contributing to the current undervaluation of the Issuer's stock and new strategies to create and maximize value for the Issuer's stockholders. The Reporting Persons intend to review regularly their equity interest in the Issuer. Depending upon their review, one or more of the Reporting Persons may from time to time purchase additional securities of the Issuer, dispose of all or a portion of the securities then beneficially owned (as described herein) by such Reporting Person, or cease buying or selling such securities. Equity___Balanced___Concentrated___

Account #: _____

Roumell Asset Management, LLC
Investment Advisory Agreement

This Investment Advisory Agreement, the ("Agreement"), dated as of _____, 20____, is by and between Roumell Asset Management, LLC ("Adviser"), also referred to as "RAM" or the "Firm," an investment adviser registered with the U.S. Securities and Exchange Commission pursuant to the provisions of the Investment Advisers Act of 1940 ("Advisers Act") and _____ ("Client").

1. Services of Adviser

By execution of this Agreement, Client hereby establishes an Investment Advisory Account ("Account") and appoints Adviser as the investment manager to supervise and direct the investments of the Account on a discretionary basis in accordance with the Client's stated objectives and financial goals. In consultation with the client, Roumell Asset Management will assist the client in determining whether the account is to be managed as an: (a) Equity Account (up to 100% invested into stocks), or (b) Concentrated Equity Account (up to 100% invested into roughly 20 stocks), or (c) Balanced Account (with the typical balanced account having a 65% target equity allocation and a 35% target for fixed-income securities). That said, RAM does not provide comprehensive financial planning services. Investments made by RAM may include mutual funds, closed-end fund shares, bonds, common and preferred stocks, American Depository Receipts ("ADR"), Exchange Traded Funds ("ETF"), Unit Investment Trusts ("UIT"), and/or Real

Edgar Filing: PUTNAM MANAGED HIGH YIELD TRUST - Form SC 13D

Estate Investment Trusts ("REIT"). The custodian holding the Account will be responsible for providing regular statements to the client showing portfolio holdings. Roumell Asset Management (or Raymond James Financial Services, Inc. acting on behalf of RAM (unless another custodian has been approved by RAM)) will provide the client with a quarterly performance statement.

2. Standard of Care

In providing such services, it is agreed that except for negligence, malfeasance or violation of applicable law, neither Adviser nor any of its officers, directors or employees shall be liable for any action performed or for any errors of judgment in managing client's account(s) under this Agreement. However, the Federal Securities Laws impose liabilities under certain circumstances and therefore nothing contained in this Agreement with respect to liabilities should be construed as limiting a client's rights which he/she may have under applicable state or Federal Securities Laws, or, if applicable ERISA. Client expressly understands and agrees that Adviser does not guarantee that a specific result will be achieved through Adviser's management of the Account.

3. Custody

As a condition of opening an account with RAM, client agrees to deposit his or her funds and securities in a securities brokerage account at Raymond James Financial Services, Inc. ("Raymond James"). Raymond James will act as the custodian of the client's assets and will execute the purchase and sale transactions in the client's account. RAM has determined that the fees Raymond James charges are reasonable and competitive in view of the quality of execution and access to research that Raymond James provides. Raymond James charges a flat \$24.90 (unlimited shares) per stock trade (listed or OTC); \$41.50 flat per bond trade (unlimited number of bonds); and \$30 per mutual fund trade. Nevertheless, RAM may execute trades through other broker-dealers if the circumstances warrant, i.e. to gain access to other firms' research. In such instances, clients will typically pay five cents per share in addition to Raymond James' transaction cost. Such trades are unusual and not the norm. Finally, in limited cases, and always at RAM's discretion, RAM may permit clients to direct that their assets be custodied at, and trades for their accounts be effected through, broker-dealers of their own choosing.

4. Confidential Relationship

All information and advice furnished by either party to the other, including their respective agents and employees, shall be treated as confidential and shall not be disclosed to third parties, except as required by law or necessary to carry out designated powers or as granted by the Client.

6. Service to Other Clients

It is understood that Adviser performs investment advisory services for other clients. Client agrees that Adviser may give advice and take action with respect to any of its other clients, which may differ from the advice given or the timing or nature of action taken with respect to the Client's Account, so long as it is Adviser's policy to the extent practical, to allocate investment opportunities

Edgar Filing: PUTNAM MANAGED HIGH YIELD TRUST - Form SC 13D

to the Account over a period of time on a fair and equitable basis relative to other clients.

7. Proxies and Class Action Lawsuits

Adviser will typically not take any action or render any advice with respect to voting of proxies solicited by or with respect to the issuers of securities in which assets of the Account may be invested from time to time. In addition, Adviser will typically not take any action or render any advice with respect to any securities held in the Account which are named in or subject to class action lawsuits. It is expected that the Client's custodian will forward to Client any information received regarding proxy material or class action legal matters involving any security held in the Account.

8. Fees

RAM's fees are payable quarterly in advance and are based on the following annualized fee schedule:

First \$200,000	1.75%
Next \$300,000	1.50%
Assets over \$500,000	1.00%

Fees are computed on the value of the account on the last day of the preceding quarter. The fee is prorated for a partial quarter. Multiple household accounts are aggregated for purposes of determining the appropriate fee. A portion of the Advisory fee charged is paid to Raymond James (unless RAM agrees to the use of another custodian) for administrative services. New Accounts opened during the first or second month of the quarter are billed initially for the days from inception to the end of the quarter based on the inception value. New Accounts opened during the last month of the quarter are billed initially for the days from inception to the end of the month, plus the next full quarter based on the inception value. The initial payment will become due in full on the date of inception.

Capital contributions greater than 20% of a Client's total assets shall be billed the prorated fee for the remaining period in which the assets are contributed, provided such additions occur during the first two months of the billing period. Similarly, capital withdrawals greater than 20% of a Client's total assets will result in a refund of prorated fees for the remaining period, provided such withdrawals occur during the first two months of the billing period.

Adviser and Raymond James are hereby authorized to deduct from Client's Account any fee owed to Adviser pursuant to the terms of this Agreement, and pay said fee to Adviser or its designee. All fees paid to Adviser will be reported to Client on the regular statements provided by Raymond James & Associates for Raymond James Financial Services, Inc. Alternatively, client will be billed directly by Raymond James (on behalf of RAM), and agrees to pay their fee within 30 days of receiving the bill.

9. Limitation of Responsibility

Raymond James' responsibility pursuant to this agreement is limited to executing transactions pursuant to directions of Adviser or Client. Client authorizes Adviser to act as Client's agent to buy or sell investments for the Client's Account.

Edgar Filing: PUTNAM MANAGED HIGH YIELD TRUST - Form SC 13D

10. Investment Objectives and Restrictions

Client acknowledges that Adviser will rely on information provided to Adviser by the Client in managing the Account. Client agrees to give Adviser prompt written notice of any modifications, changes or investment restrictions applicable to the Account and to notify Adviser if Client deems any investments recommended or made for the Account to be in violation of such investment objectives or restrictions. Unless Client promptly notifies Adviser in writing of specific investment restrictions on the Account, the investments recommended for or made on behalf of the Account shall be deemed to be in conformity with Client's investment objectives. Although tax considerations are not generally a factor in managing accounts, it is the Client's responsibility to notify Adviser if such considerations are relevant to the Client's overall financial circumstances.

11. Authority to Contract

If the client is not an individual (i.e. a corporation, partnership, trust or retirement plan), the party executing on behalf of the Client (hereinafter referred to as the "Authorized Person") represents that he or she is fully authorized to execute this agreement with the Adviser.

12. Termination of Agreement

This Agreement may not be modified or amended except in writing and signed by both Adviser and Client. Client may terminate the Agreement within five days of the date of acceptance, without penalty. After the five-day period, either party may terminate the Agreement on 30 days written notice to the other party. Upon termination, any prepaid fees will be pro-rated to the date of termination and any unearned portion thereof will be refunded to the Client.

13. Assignment of Agreement

No assignment, as that term is defined in the Advisers Act, of this Agreement shall be made by Adviser without the written consent of Client.

14. Notices

Notices to Adviser must be in writing, and shall be sent to Address of Adviser.

All notices or communications to the Client will be sent to the address of record on the account or such other address as may be given in writing to the Adviser. All notices hereunder shall be sufficient if delivered by facsimile, regular or overnight mail, or by hand.

15. Acknowledgment of Adviser's ADV Part II

Client hereby acknowledges receipt of a copy of Part II of Adviser's Form ADV and Privacy Notice.

16. Governing Law

The internal law of Maryland will govern this agreement. However, nothing in this agreement will be construed contrary to the Advisers Act or any rule or order of the Securities and Exchange Commission under the Advisers Act.

Edgar Filing: PUTNAM MANAGED HIGH YIELD TRUST - Form SC 13D

17. Severability

The parties hereby agree that if any term, provision, duty, obligation or undertaking herein contained is held to be unenforceable or in conflict with applicable law, the validity of the remaining portions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if such invalid or unenforceable provision was not contained herein.

Type of Account:

Balanced: These accounts are composed of equity, fixed income and cash investments. This option is typically chosen when the account represents a significant percentage of a client's overall financial net worth or for those clients who desire a lower overall risk level as compared to a straight equity account. On average, balanced accounts hold between 25 and 30 stocks (representing 65% of the total portfolio) with the remaining portion of the account in fixed income and cash.

Equity: These accounts can have up to 100% of assets invested in stocks, although they may also include certain types of fixed income investments. Equity accounts typically hold between 30 and 35 stocks. A more concentrated strategy is available where accounts typically hold about 20 stocks. Equity accounts are designed for those who wish to maximize our equity investment strategy while assuming a commensurate level of risk.
