Item 4.01(a) and (b): Change in Registrant's Certifying Accountant

The Audit Committee (the "Audit Committee") of the Board of Directors of Carbonite, Inc. (the "Company") determined, consistent with good governance practices, to review the selection of the Company's independent auditor for the fiscal year ending December 31, 2017. The Company conducted a competitive request for proposal process with several independent registered public accounting firms, including its incumbent auditor, Ernst & Young LLP ("EY"). Following the conclusion of this process, the Audit Committee, on August 14, 2017, recommended and authorized the dismissal of EY as the Company's independent registered public accounting firm, and authorized the engagement of Deloitte & Touche LLP ("Deloitte") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. The change in the Company's independent registered public accounting firm is effective immediately, and Deloitte will perform the review of the Company's interim quarterly period ending September 30, 2017.

The reports of EY on the Company's consolidated financial statements for each of the two fiscal years ended December 31, 2016 and 2015, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles. In connection with the audits of the Company's consolidated financial statements for each of the two fiscal years ended December 31, 2016 and 2015, and in the subsequent interim periods through August 14, 2017, there were no disagreements (as described in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of EY, would have caused EY to make reference to the matter in their report.

The Company provided EY with a copy of this Current Report on Form 8-K ("the "Report") prior to its filing with the U.S. Securities and Exchange Commission (the "SEC") and requested that EY provide the Company with a letter addressed to the SEC stating whether EY agrees with the statements made by the Company in response to Item 304(a) of Regulation S-K. A copy of EY's letter, dated August 17, 2017, is attached as Exhibit 16.1 to this Report.

During the two most recent fiscal years ended December 31, 2016 and 2015, and during the subsequent interim periods through the date of this Report, neither the Company nor anyone on its behalf has consulted with Deloitte regarding (i) the application of accounting principles to a specific transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to an accounting, auditing, or financial reporting issue; or (iii) any matter that was either the subject of a disagreement or a reportable event, as each term is defined in Items 304(a)(1)(iv) or (v) of Regulation S-K, respectively.

Item 9.01(d): Financial Statements and Exhibits.
