**RULE 135(c) NOTICE**

**FOR RIGHTS OFFERING**

**SCOR Capital Increase**

November 15, 2006 SCOR announced on November 14, 2006 the launch of a capital increase in the amount of approximately 377 million through the issuance of preferential subscription rights for 215,282,014 new ordinary shares.

The capital increase will be carried out through the issuance of preferential subscription rights, free of charge, to holders of SCOR's ordinary shares of record as of the close of trading on Euronext Paris on November 15, 2006, at a rate of one right per share held. Nine rights will entitle their holder to subscribe for two new shares at the price of 1.75 per share. The rights will be issued and detached from the existing shares, and the subscription period will start, on November 16, 2006, and will end on November 29, 2006, inclusive. Rights remaining unexercised at the end of the subscription period will expire.

The preferential subscription rights and the new shares have not been and will not be registered under the applicable securities laws of the United States, or any other jurisdiction outside of France. Accordingly, holders of rights in the United States will not be able to exercise or sell rights and holders located elsewhere outside of France will be able to exercise or sell rights only in limited circumstances. For holders of SCOR's American Depositary Shares, rights attributed in respect of deposited shares are expected to be sold on their behalf on Euronext Paris before such rights lapse.

*This document is not an offer of securities for sale nor the solicitation of an offer to purchase securities in the United States.
