Item 1.01 Entry into a Material Definitive Agreement.

On June 3, 2011, Forest Laboratories, Inc. ("Forest") entered into a fixed dollar collared accelerated share repurchase agreement (the "ASR Contract") with Morgan Stanley & Co. Incorporated ("Morgan Stanley") under which Forest will repurchase \$500 million of its common shares. Forest will acquire these common shares under the 50 million share repurchase program authorized by its Board of Directors that was previously announced on May 18, 2010.

Pursuant to the ASR Contract, Forest paid \$500 million to Morgan Stanley on June 3, 2011, and 9,839,752 shares were delivered to Forest on the same day. Additional shares are expected to be delivered over the term of the ASR Contract which is expected to end no later than the fourth quarter of the fiscal year ending March 31, 2012. The exact number of shares to be repurchased generally will be determined by the discounted average of the daily volume weighted average prices of shares traded during the term of the agreement, subject to collar provisions that will establish minimum and maximum numbers of shares to be repurchased. The minimum and maximum share numbers will be fixed based on per share prices of 110% and 96%, respectively, of the average of the daily volume weighted average prices of shares traded during an initial valuation period.

The ASR Contract contains the principal terms and provisions governing the accelerated share repurchase, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the circumstances under which Morgan Stanley is permitted to make adjustments to valuation periods, the circumstances under which the ASR Contract may be terminated early, circumstances under which Morgan Stanley could be entitled to deliver fewer than the minimum number of shares specified by the collar provisions (or Forest could be required to deliver shares or cash (at Forest's option) to Morgan Stanley) and various acknowledgements, representations and warranties made by Forest and Morgan Stanley to one another.

The foregoing description of the ASR Contract is a summary and is qualified in its entirety by the terms of the ASR Contract, a copy of which is filed as an exhibit to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
