Item 8.01 Other Events.

We believe that our common shares are currently undervalued. As a result, our Board of Directors has adopted, effective December 4, 2008, a common share buy-back program authorizing our management to enter the market to re-purchase up to 1,000,000 of our common shares at such market price or prices as management may deem appropriate. This common share buy-back program will be reviewed by our Board on at least a quarterly basis.

Also effective December 4, 2008, our Board of Directors approved a new Equity Compensation Plan. A total of up to 2,700,000 common shares or options to purchase common shares may be issued under this Plan. At the same time, our Board of Directors terminated our 2006 Equity Compensation Plan. We plan to ask our shareholders to approve this 2008 Plan, as required under the Internal Revenue Code.
