On January 24, 2012, Tie Ming Li resigned as president of our company. Mr. Li will remain as a member to our company's board of directors. Mr. Li's resignation was not the result of any disagreements with our company regarding

our operations, policies, practices or otherwise.

Concurrently with Mr. Li's resignation, we appointed Gark Kirk as president of our company, effective January 24, 2012.

Prior to joining Gold Dynamics, he was instrumental in developing a gold exploration property into production which processed 650 tons of ore per day and produced approximately 60,000 ounces of high grade gold. In addition, has also had a very successful 30 year career with various international banks in brokering large dollar volume financings.

Gary began his career in 1976 working for Citicorp Bank in their Toronto offices. From 1996 to 2006, he held the position of Senior Vice President for Tullett Tokyo, Prebon Yamane and Freedom Brokers. In 2006, he was appointed as the President and CEO of Patricia Mining Corp. , which was later acquired by Richmond Mines.

Our board of directors now consists of Tie Ming Li and Gary Kirk. There have been no transactions between our company and Mr. Kirk since the company's last fiscal year which would be required to be reported herein. There are no family relationships among our directors or executive officers.
