Dear Fellow Stockholders:

As we wrote to you last month, you are cordially invited to attend the 2013 Annual Meeting of Stockholders of Firsthand Technology Value Fund, Inc. (the "Company") on May 23, 2013 at 2:00 p.m., Pacific Time, at the Hilton San Jose Hotel at 300 Almaden Boulevard, San Jose, CA 95110.

The matters for consideration at the meeting are:

- i. the election of one director of the Company;
- ii. the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2013; and
- iii. the transaction of any other business that may properly come before the meeting or any adjournment or postponement thereof.

We regret to inform you that the incumbent director, Rodney Yee, who was nominated for re-election at the stockholders' meeting has resigned from the board for personal reasons. We thank Rodney for his service to the Company.

The remaining directors have elected Mark FitzGerald to fill that vacancy and to stand for re-election at this coming stockholders' meeting. We are pleased to share more information about Mark in the enclosed supplement to the proxy statement. We think Mark makes an excellent director, and we encourage you to review his background and support his re-election.

Please use the updated replacement proxy card included with these materials rather than the original card. Your vote is important. Please complete, sign, and date the enclosed proxy card and return it in the enclosed envelope. This will ensure that your vote is counted, even if you cannot attend the meeting in person.

If you have any questions about the enclosed proxy or need assistance in voting your shares, please call 800.976.8776.

Sincerely,

Kevin Landis  
Chairman of the Board of Directors,

ANSWERS TO SOME IMPORTANT QUESTIONS

Q. WHY DID THE COMPANY SEND ME THIS SUPPLEMENT AND NEW PROXY?

A. As stated in the original proxy statement, you are being asked to vote on the same proposals, but the director nominee standing for election has changed. The nominee listed in the proxy materials, Rodney Yee, resigned from the board for personal reasons. This supplement provides information you need to know about this new director.

Q. HOW DOES THE BOARD OF DIRECTORS SUGGEST THAT I VOTE?

A. The Board of Directors of the Company unanimously recommends that you vote “FOR” the election of the new director, and “FOR” the other proposals described in the proxy statement and listed on the proxy card.

Q. HOW CAN I VOTE?

A. If your shares are held in “Street Name” by a broker or bank, you will receive information regarding how to instruct your bank or broker to vote your shares. If you are a stockholder of record, you may authorize the persons named as proxies on the enclosed proxy card to cast the votes you are entitled to cast at the meeting by completing, signing, dating and returning the enclosed proxy card. Stockholders of record or their duly authorized proxies also may vote in person if able to attend the meeting. However, even if you plan to attend the meeting, we urge you to return your proxy card. That will ensure that your vote is cast should your plans change.

The Board has nominated him for re-election at the Annual Meeting, to serve for a term of three years (until the 2016 Annual Meeting of Stockholders) and until his successor has been duly elected and qualifies.

The Board knows of no reason why the nominee will be unable to serve, and the nominee has consented to serve if re-elected. If the nominee is unable to serve or for good cause will not serve because of an event not now anticipated, the person named as proxies may vote for other person designated by the Board. The persons named as proxies on the accompanying proxy card intend to vote at the Annual Meeting (unless otherwise directed) FOR the election of Mr. FitzGerald as the Class II director.

The following table sets forth the nominee’s name and age; position(s) with us and length of time served; principal occupation during the past five years; and other directorships held during the past five years. The Board annually conducts a self-assessment wherein the effectiveness of the Board and individual directors is reviewed. In conducting its annual self-assessment, the Board has determined that the directors have the appropriate attributes and experience to continue to serve effectively as directors of the Company.

Mark FitzGerald is a technology industry veteran with 24 years of experience as an engineer, researcher, and securities analyst, with particular expertise in manufacturing process technologies used in the semiconductor, solar, and disk drive industries. He began his career as an engineer at Air Products & Chemicals (a supplier of industrial gases and chemicals) and Materials Technology (a manufacturer of wafer processing equipment for the semiconductor industry). Mark holds bachelor’s degrees in Chemistry and Literature from McGill University and an MBA from Duke. The Board thinks his technical and business background will be valuable with respect to the Company’s investment focus.
