In light of the voting results, it is the current intention of the Company's Board of Directors to include an advisory stockholder vote on executive compensation, or "say-on-pay" vote, in the Company's proxy statement on an annual basis until the Company next holds an advisory vote on the frequency of say-on-pay votes as required under the rules of the Securities and Exchange Commission.

Stockholder Proposals. There were two non-binding stockholder proposals presented for a vote at the meeting:

A stockholder proposed that the Company's Board of Directors initiate a process to amend the Company's corporate governance documents to require that director nominees be elected by the affirmative vote of the majority of votes cast at an annual meeting, with a plurality vote standard retained for contested director elections. The results of the stockholder voting on this proposal were as follows:

For	70,867,736
Against	20,517,313
Abstain	117,452
Broker non-votes	11,940,847

A stockholder proposed that the Company's Board of Directors take the steps necessary to eliminate the classification of the Board of Directors, and to require that, commencing no later than the annual meeting of 2013, all directors stand for elections annually.
