Item 8.01. Other Events.

On July 6, 2011, MidWestOne Financial Group, Inc. (the "Company") issued a press release announcing completion of its repurchase of the \$16.0 million of Fixed Rate Cumulative Perpetual Preferred Stock, Series A (the "Preferred Stock") issued to the U.S. Treasury ("Treasury") under the TARP Capital Purchase Program. The press release is attached as Exhibit 99.1.

The Company paid \$16,113,333 to Treasury on July 6, 2011, to redeem the Preferred Stock and pay \$133,333 of accrued and unpaid dividends. The Preferred Stock had a carrying value of \$15.8 (\$16 million net of a \$0.2 million unaccreted discount) on the Company's balance sheet. As a result of the redemption, the Company has accelerated accretion of the discount and recorded it as a reduction in retained earnings. Additionally, the reduction will be treated as a charge against net income available to common shareholders in the results of operations for the third quarter of 2011 in the same manner as that for preferred dividends. It is projected that this adjustment will reduce third quarter net earnings available to common shareholders by approximately 2 cents per share.

Treasury also holds a warrant to purchase 198,675 of the Company's common shares at \$12.08. The Company intends to provide Treasury with a timely notice of intent to repurchase the warrant, thus beginning the process for determining the fair market value of the warrant. If the Company and Treasury reach agreement on the fair market value of the warrant, the Company will repurchase and cancel the warrant.
