***Forward-Looking Statements.***

Certain statements in this document may be considered to be “forward-looking statements” as that term is defined in the U.S. Private Securities Litigation Reform Act of 1995, such as statements that include the words “expect,” “intend,” and similar expressions or variations on such expressions. In particular, this document includes forward-looking statements relating, but not limited to, expectations regarding the timing of proposed delisting from the NYSE MKT and listing on NASDAQ. Forward-looking statements are subject to risks, uncertainties, assumptions and other factors that are difficult to predict and that could cause actual results to vary materially from those expressed in or indicated by them. Factors that could cause actual results to differ materially include, but are not limited to: (1) relevant regulatory approvals and processing, (2) our success in managing the risks involved in the foregoing; and (3) other factors described in the Company’s filings with the Securities and Exchange Commission. We encourage readers of this report to understand forward-looking statements to be strategic objectives rather than absolute targets of future performance. Forward-looking statements speak only as of the date they are made. We do not intend to update publicly any forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made or to reflect the occurrence of unanticipated events except as required by law.
