ITEM 5.02. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On June 22, 2016, National Bankshares, Inc. entered in an amendment of an existing salary continuation agreement with Lara E. Ramsey, Senior Vice President/Administration and Corporate Secretary of the Company. The named officer is part of a select group of Company or subsidiary executives who receive similar benefits under a salary continuation plan that is funded by an investment in Company or subsidiary owned life insurance policies on the lives of the executives. The officers and their beneficiaries are unsecured creditors of the Company and subsidiaries with respect to the benefits under the salary continuation plans.

Each of the salary continuation agreements provides an annual benefit for the officer at normal retirement age (age 65), that is payable for the greater of 15 years or the executive's lifetime. If the officer dies before receiving annual benefit for 15 years, the benefit is paid to the officer's beneficiary for the remainder of that period. A reduced benefit is payable upon the officer's early termination, disability or upon a change in control of the executive's employer. "Early termination", "disability" and "change in control" are each defined in the salary continuation agreements. A death benefit that is equal in amount to the retirement benefit is paid to the executive's beneficiary for 15 years in the event of the executive's death while an active employee. No benefit is payable if the officer is terminated for cause, as that term is defined in the agreement.

The amended salary continuation agreement with Ms. Ramsey provides that she will receive annual payments of \$42,000.00 beginning at normal retirement in 2033. At the time Ms. Ramsey entered into the original agreement and the First and Second Amendments, Ms. Ramsey was not a reportable officer of the Company.

A copy of the salary continuation agreement and any amendments thereto with Ms. Ramsey are attached as Exhibit 10(xviii).
