QUESTIONS AND ANSWERS ABOUT OUR ANNUAL MEETING

What is the purpose of the annual meeting?

Our 2016 annual meeting will be held for the following purposes:

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

- 1 To elect seven (7) members to our Board of Directors (*Proposal 1*);
- 2 To ratify the appointment of Friedman LLP as our independent registered public accounting firm for 2016 (*Proposal 2*);
- 3 To approve an amendment to the Company's Articles of Incorporation to change the name of the Company to "GEE Group Inc." (the "Name Change Amendment") (*Proposal 3*); and
- 4 To consider such other business as may properly come before the annual meeting or any adjournment or postponement of the annual meeting (*Proposal 4*).

In addition, senior management of the Company will be available to respond to your questions.

Who can vote at the annual meeting?

You can vote at the annual meeting if, as of the close of business on June 10, 2016, the record date, you were a holder of record of the Company's Common Stock. As of the record date, there were issued and outstanding 9,402,723 shares of Common Stock, each of which is entitled to one vote on each matter to come before the annual meeting.

How many shares must be present to conduct business at the annual meeting?

A quorum is necessary to hold a valid meeting of shareholders. For each of the proposals to be presented at the annual meeting, the holders of shares of our Common Stock outstanding on June 10, 2016, the record date, representing 4,701,363 votes must be present at the annual meeting, in person or by proxy. If you vote including by Internet, or proxy card your shares voted will be counted towards the quorum for the annual meeting. Abstentions and broker non-votes are counted as present for the purpose of determining a quorum.

How do I vote?

Registered Shareholders. If you are a registered shareholder (*i.e.*, you hold your shares in your own name through our transfer agent, Continental Stock Transfer & Trust Co., referred to herein as "Continental"), you may vote by proxy via the Internet, or by mail by following the instructions provided on the proxy card. Shareholders of record who attend the annual meeting may vote in person by obtaining a ballot from the inspector of elections.

Beneficial Owners. If you are a beneficial owner of shares (*i.e.*, your shares are held in the name of a brokerage firm, bank or a trustee), you may vote by proxy by following the instructions provided in the vote instruction form or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the annual meeting, you must obtain a legal proxy from the brokerage firm, bank or other nominee that holds your shares.

Will my shares be voted if I do not provide voting instructions?

If you are a shareholder of record and you properly sign, date and return a proxy card, but do not indicate how you wish to vote with respect to a particular nominee or proposal, then your shares will be voted **FOR** the election of the seven nominees for director named in "Proposal 1 Election of Directors," **FOR** "Proposal 2 Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2016," and **FOR** "Proposal 3 Approval of the Name Change Amendment."

Under the rules of NYSE MKT, LLC ("NYSE MKT"), brokerage firms have the authority to vote shares held for a beneficial owner on "routine" matters. Accordingly, if your shares are held of record by a brokerage firm and you do not provide the firm specific voting instructions, that firm will have the authority to vote your shares with respect to the "Proposal 2 Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2016," and "Proposal 3, Approval of the Name Change Amendment," but your shares will not be voted and will be considered broker non-votes with respect to proposal 1. We urge you to provide voting instructions so that your shares will be voted.

Can I change my vote after I have voted?

Yes, you may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may change your vote by voting again on a later date on the Internet (only your latest Internet proxy submitted prior to the annual meeting will be counted), signing and returning a new proxy card with a later date, or attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke any prior proxy unless you vote again at the annual meeting or specifically request in writing that your prior proxy be revoked.

What is the deadline to vote?

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

If you hold shares as the shareholder of record, your vote by proxy must be received before the polls close at the annual meeting. If you are the beneficial owner of shares, please follow the voting instructions provided by your broker, trustee or other nominee.

What vote is required to elect directors or take other action at the annual meeting?

- **Proposal 1: Election of seven (7) Directors.** The election of the seven director nominees named in this proxy statement requires the affirmative vote of shares of Common Stock representing a plurality of the votes cast on the proposal at the annual meeting. This means that the seven nominees will be elected if they receive more affirmative votes than any other person. You may not cumulate your votes for the election of directors. Brokers may not use discretionary authority to vote shares on the election of directors if they have not received specific instructions from their clients. For your vote to be counted in the election of directors, you will need to communicate your voting decisions to your bank, broker or other nominee before the date of the annual meeting in accordance with their specific instructions.
- **Proposal 2: Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2016.** Ratification of the appointment of Friedman LLP as our independent registered public accounting firm for the year ending September 30, 2016 requires the affirmative vote of shares of Common Stock representing a majority of votes cast on the proposal at the annual meeting.
- **Proposal 3: Approval of the Name Change Amendment.** Approval of the Name Change Amendment requires the affirmative vote of the holders of at least a majority of the issued and outstanding shares entitled to vote on the proposal at the annual meeting.

In general, other business properly brought before the annual meeting requires the affirmative vote of shares of Common Stock representing a majority of votes cast on such matter at the annual meeting.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares "**FOR**" each director nominee named in this proxy statement, "**FOR**" ratification of Friedman LLP as our independent registered public accounting firm for 2016, and "**FOR**" the approval of the Name Change Amendment.

How will the persons named as proxies vote?

If you complete and submit a proxy, the persons named as proxies will follow your instructions. If you submit a proxy but do not provide instructions, or if your instructions are unclear, the persons named as proxies will vote as recommended by our Board of Directors or, if no recommendation is given, in their own discretion.

Where can I find the results of the voting?

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

We intend to announce preliminary voting results at the annual meeting and will publish final results through a Current Report on Form 8-K to be filed with the Securities and Exchange Commission ("SEC") within four business days after the annual meeting. The Current Report on Form 8-K will be available on the Internet at our website, www.generalemployment.com.

Do I need a ticket to attend the annual meeting?

Yes, you will need an admission card to enter the annual meeting. You may request tickets by providing the name under which you hold shares of record or, if your shares are held in the name of a bank, broker or other holder of record, the evidence of your beneficial ownership of the shares, the number of tickets you are requesting and your contact information. You can submit your request in the following ways:

- by sending an e-mail to andrew.norstrud@genp.com; or
- by calling us at (813) 803-8275.

Shareholders also must present a form of personal photo identification in order to be admitted to the annual meeting.

Who will pay for the cost of soliciting proxies?

We will pay for the cost of soliciting proxies. Our directors, officers and other employees, without additional compensation, may solicit proxies personally, in writing, by telephone, by email or otherwise. As is customary, we will reimburse brokerage firms, fiduciaries, voting trustees, and other nominees for forwarding our proxy materials to each beneficial owner of Common Stock held of record by them.

What is "householding" and how does it affect me?

In accordance with notices to many shareholders who hold their shares through a bank, broker or other holder of record (a "street-name shareholder") and share a single address, only one copy of our proxy statement and included periodic reports to shareholders is being delivered to that address unless contrary instructions from any shareholder at that address were received. This practice, known as "householding," is intended to reduce our printing and postage costs. However, any such street-name shareholder residing at the same address who wishes to receive a separate copy of this proxy statement and annual report may request a copy by contacting the bank, broker or other holder of record, or by sending a written request to: General Employment Enterprises, Inc., 184 Shuman Blvd, Suite 420, Naperville, Illinois 60563, Attn.: Chief Financial Officer or by contacting our CFO by telephone at (630) 954-0400. The voting instruction form sent to a street-name shareholder should provide information on how to request (1) householding of future Company materials or (2) separate materials if only one set of documents is being sent to a household. A shareholder who would like to make one of these requests should contact us as indicated above.

Role of the Board of Directors and Board Leadership Structure

Our business and affairs are managed under the direction of our Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to our shareholders. Our Board of Directors' primary responsibility is to seek to maximize long-term shareholder value. Our Board of Directors establishes our overall corporate policies, selects and evaluates our senior management team, which is charged with the conduct of our business, monitors the performance of the Company and management, and provides advice and counsel to management. In fulfilling the Board of Directors' responsibilities, directors have full access to our management, internal and external auditors and outside advisors.

Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the management brings company-specific experience and expertise. The Board of Directors believes that a board of directors combined with independent board members and management is in the best interest of shareholders because it promotes strategy development and execution, and facilitates information flow between management and the Board of Directors, which are essential to effective governance.

The Board of Directors does not have a lead independent director. The Board of Directors provides overall risk oversight for the Company as part of its normal, ongoing responsibilities. It receives reports from Mr. Dewan and Mr. Norstrud and other members of senior management on a periodic basis on areas of risk facing the Company. In addition, Board of Directors committees oversee specific elements of risk or potential risk.

The Board of Directors meets on a regularly scheduled basis to review significant developments affecting the Company and to act on matters requiring Board of Directors approval. It also holds annual meetings when an important matter requires Board of Directors action between

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

scheduled meetings. The Board of Directors held twenty one (21) meetings during the last fiscal year. No director of the Company attended less than 75% of the total meetings of the Board of Directors and Committees on which such Board of Directors members served during this period.

Our directors are expected to attend the annual meeting. Any director who is unable to attend the annual meeting is expected to notify the Chairman of the Board of Directors in advance of the annual meeting.

The Board of Directors believes that Mr. Dewan's service as both Chairman of the Board and Chief Executive Officer is in the best interest of the Company and its shareholders. Mr. Dewan possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

Board Risk Oversight

Management of the risks that we face in the conduct of our business is primarily the responsibility of our senior management team. However, our Board of Directors provides overall risk oversight with a focus on the most significant risks facing the Company. Our senior management team periodically reviews with our Board of Directors any significant risks facing the Company. Our Board of Directors has delegated responsibility for the oversight of specific risks to the committees of the Board of Directors as follows:

- **Audit Committee.** The Audit Committee oversees the policies that govern the process by which our exposure to risk is assessed and managed by management. In that role, the Audit Committee discusses with our management major financial risk exposures and the steps that management has taken to monitor and control these exposures. The Audit Committee also is responsible for reviewing risks arising from related party transactions involving the Company and overseeing our code of ethics.
- **Compensation Committee.** The Compensation Committee monitors the risks associated with our compensation philosophy and programs.
- **Nominating Committee.** The Nominating Committee oversees risks related to our governance structure and processes.

Our Board of Directors has assessed the risks that could arise from our employee compensation policies and does not believe that such policies are reasonably likely to have a materially adverse effect on the Company.

Committees of the Board of Directors and Committee Membership

Our Board of Directors has established three separately designated standing committees to assist our Board of Directors in discharging its responsibilities: the Audit Committee, the Compensation Committee, and the Nominating Committee. Our Board of Directors may eliminate or create additional committees as it deems appropriate. The charters for our Board of Directors committees are in compliance with applicable SEC rules and the NYSE MKT Listed Company Manual. These charters are not available on our website, but were attached to the following documents filed with the SEC: Audit Committee Charter proxy statement filed January 27, 2012; Compensation Committee Charter proxy statement filed January 28, 2010; Nominating Committee Charter proxy statement filed January 21, 2011. You may obtain a printed copy of any of these charters by sending a request to: General Employment Enterprises, Inc., 184 Shuman Blvd., Suite 420, Naperville, Illinois 60563, Attn.: Secretary.

Each committee of our Board of Directors is composed entirely of independent directors within all applicable standards (as further discussed below). Our Board of Directors' general policy is to review and approve committee assignments annually. The Nominating Committee is responsible, after consultation with our Chairman of the Board of Directors and Chief Executive Officer and consideration of appropriate member qualifications, to recommend to our Board of Directors for approval all committee assignments, including designations of the chairs. Each committee is also authorized to retain its own outside counsel and other advisors as it desires.

A brief summary of the committees' responsibilities follows:

Nominating Committee

The functions of the Nominating Committee are to assist the Board of Directors in identifying, interviewing and recommending to the Board of Directors qualified candidates to fill positions on the board. The Nominating Committee met one (1) time during the last fiscal year.

The Company does not have a policy regarding the consideration of diversity, however defined, in identifying nominees for director. Instead, in evaluating candidates to serve on the Company's Board of Directors, consideration is given to the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the Nominating Committee, have significant decision-making responsibility, with business, legal or academic experience. The Nominating Committee will consider recommendations for board candidates that are received from various sources, including directors and officers of the Company, other business associates and shareholders, and all candidates will be considered on an equal basis, regardless of source.

The Nominating Committee is presently composed of three non-employee, independent directors: Thomas C. Williams (Chairman), Dr. Arthur B. Laffer, and Peter J Tanous. Dr. Laffer was appointed to serve as a member of the Nominating Committee on May 22, 2015 and Mr. Tanous was appointed on September 15, 2015.

Audit Committee

The Audit Committee is primarily concerned with the effectiveness of the Company's accounting policies and practices, its financial reporting and its internal accounting controls. In addition, the Audit Committee reviews and approves the scope of the annual audit of the Company's books, reviews the findings and recommendations of the independent registered public accounting firm at the completion of their audit, and approves annual audit fees and the selection of an auditing firm. The Audit Committee met five (5) times during fiscal 2015.

The Audit Committee is presently composed of four non-employee, independent directors: George A. Bajalia (Chairman), Dr. Arthur B. Laffer, Peter J. Tanous and William M. Isaac. Mr. Bajalia was appointed by the Board of Directors as the Chairman of the Audit Committee in April 2015. Dr. Laffer was appointed to serve on the Audit Committee on May 22, 2015 and Mr. Tanous and Mr. Isaac were appointed to serve on the Audit Committee on September 15, 2015. The Board of Directors has determined that Mr. Bajalia, Dr. Laffer, Mr. Tanous and Mr. Isaac are all considered an "audit committee financial expert" as defined by rules of the SEC. The Board of Directors has determined that each audit committee financial expert meets the additional independence criteria required under the listing standards of the NYSE MKT and Rule 10A-3 of the Exchange Act.

REPORT OF THE AUDIT COMMITTEE (1)

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of this oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended September 30, 2015 with management, and has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committee, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent auditors the independent auditors' independence; and based on the review and discussions referred above, the Audit Committee recommended to the Board of Directors that the

audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2015 for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2015, as filed with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of Friedman LLP as the Company's independent auditors for the fiscal year ending September 30, 2016.

THE AUDIT COMMITTEE

George A. Bajalia (Chairman)

Dr. Arthur B. Laffer

Peter J. Tanous

William M. Issac

(1) The material in the Audit Committee report is not soliciting material, is not deemed filed with the SEC and is not incorporated by reference in any filing of the Company under the Securities Act of 1933, or the Securities Exchange Act of 1934, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in such filing.

Compensation Committee

The Compensation Committee has the sole responsibility for approving and evaluating the officer compensation plans, policies and programs. It may not delegate this authority. It meets as often as necessary to carry out its responsibilities. The Compensation Committee has the authority to retain compensation consultants, but has not done so. The Compensation Committee met one (1) time during fiscal 2015.

The Compensation Committee meets to consider the compensation of the Company's executive officers, including the establishment of base salaries and performance targets for the succeeding year, and the consideration of stock option awards. Management provides the Compensation Committee with such information as may be requested by the Compensation Committee, which in the past has included historical compensation information of the executive officers, tally sheets, internal pay equity statistics, and market survey data. Under the guidelines of the NYSE MKT, the Chief Executive Officer may not be present during the Compensation Committee's deliberations regarding his compensation. If requested by the committee, the Chief Executive Officer may provide recommendations regarding the compensation of the other officers.

The Compensation Committee also has the responsibility to make recommendations to the Board of Directors regarding the compensation of directors.

The Compensation Committee is presently composed of three non-employee, independent directors: Dr. Arthur B. Laffer (Chairman), George A. Bajalia and Thomas C. Williams. Dr. Laffer was appointed by the Board of Directors to serve on the Compensation Committee in April 2015 and was appointed as the Chairman of the Compensation Committee on May 22, 2015. Mr. Bajalia was appointed by the Board of directors to serve on the Compensation Committee on May 22, 2015.

Director Independence

Our Board of Directors is responsible to make independence determinations annually with the assistance of the Nominating Committee. Such independence determinations are made by reference to the independence standard under the definition of "independent director" under the NYSE MKT Listed Company Manual. Our Board of Directors has affirmatively determined that George A. Bajalia, William Isaac, Dr. Arthur B. Laffer, Peter Tanous, and Thomas C. Williams satisfy the independence standards under the NYSE MKT Listed Company Manual.

In addition to the independence standards provided in the NYSE MKT Listed Company Manual, our Board of Directors has determined that each director who serves on our Audit Committee satisfies standards established by the SEC providing that, in order to qualify as "independent" for the purposes of membership on that committee, members of audit committees may not (1) accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than their director compensation or (2) be an affiliated person of the Company or any of its subsidiaries. The Board of Directors has also determined that each member of the Compensation Committee satisfies the newly-adopted NYSE MKT standards for independence of Compensation Committee members, which became effective on July 1, 2013.

Director Selection Process

As provided in its charter, the Nominating Committee is responsible to recommend to our Board of Directors all nominees for election to the Board of Directors, including nominees for re-election to the Board of Directors, in each case after consultation with the Chairman of the Board of Directors. The Nominating Committee considers, among other things, the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the Nominating Committee, have significant decision-making responsibility, with business, legal or academic experience, and other disciplines relevant to the Company's businesses, the nominee's ownership interest in the Company, and willingness and ability to devote adequate time to Board of Directors duties, all in the context of the needs of the Board of Directors at that point in time and with the objective of ensuring diversity in the background, experience, and viewpoints of Board of Directors members.

The Nominating Committee may identify potential nominees for election to our Board of Directors from a variety of sources, including recommendations from current directors and officers, recommendations from our shareholders or any other source the committee deems appropriate.

Our shareholders can nominate candidates for election as director by following the procedures set forth in our Bylaws, which are summarized below. We did not receive any director nominees from our shareholders for the annual meeting.

Our Bylaws provide that any shareholder entitled to vote in the election of directors generally may make nominations for the election of directors to be held at an annual meeting, provided that such shareholder has given actual written notice of his intent to make such nomination or nominations to the Secretary of the Company not less than ninety days nor more than one hundred twenty days prior to the anniversary date of the immediately preceding annual meeting. In accordance with the Company's Bylaws, submissions must include: (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings involving any two or more of the

shareholders, each such candidate and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder or relating to the Company or its securities or to such candidate's service as a director if elected; (d) such other information regarding such candidate proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the candidate been nominated, or intended to be nominated, by the Board of Directors; and (e) the consent of each candidate to serve as a director of the Company. The submission must also include: (i) the number of shares beneficially owned by the shareholder; (ii) the name, address and contact information of the candidate being recommended; and (iii) a description of the qualifications and business experience of the candidate.

Any shareholder who wishes to nominate a potential director candidate must follow the specific requirements set forth in our Bylaws, a copy of which may be obtained by sending a request to: General Employment Enterprises, Inc., 184 Shuman Blvd, Suite 420, Naperville, Illinois 60563, Attn.: Secretary.

Shareholder Proposals for Next Year's Annual Meeting

As more specifically provided in our Bylaws, no business may be brought before an annual meeting of our shareholders unless it is specified in the notice of the annual meeting or is otherwise brought before the annual meeting by or at the direction of our Board of Directors or by a shareholder entitled to vote who has delivered proper notice to us not less than ninety days or more than one hundred twenty days prior to the

date of the meeting. Detailed information for submitting shareholder proposals or nominations of director candidates will be provided upon written request to: General Employment Enterprises, Inc., 184 Shuman Blvd, Suite 420, Naperville, Illinois 60563, Attn.: Secretary.

The foregoing requirements are separate from the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in our proxy statement for the 2017 annual meeting of shareholders. Shareholders interested in submitting a proposal for inclusion in our proxy materials for the 2017 annual meeting may do so by following the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). To be eligible for inclusion in such proxy materials pursuant to such rule, shareholder proposals must be received by our Secretary not later than March 13, 2017.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Other than as disclosed below, except for the Norstrud Employment Agreement described in "Executive Compensation" below, there have been no transactions since October 1, 2013, or any currently proposed transaction or series of similar transactions to which the Company was or is to be a party, in which the amount involved exceeds \$120,000 and in which any current or former director or officer of the Company, any 5% or greater shareholder of the Company or any member of the immediate family of any such persons had or will have a direct or indirect material interest.

In April 2015, the Company entered into a stock exchange agreement with Brittany M. Dewan as Trustee of the Derek E. Dewan Irrevocable Living Trust II dated the 27th of July, 2010, Brittany M. Dewan, individually, Allison Dewan, individually, Mary Menze, individually, and Alex Stuckey, individually (collectively, the "Scribe Shareholders"), pursuant to which the Company acquired 100% of the outstanding stock of Scribe Solutions Inc., a provider of data entry assistants (medical scribes) who specialize in electronic medical records (EMR) services for emergency departments, specialty physician practices and clinics ("Scribe"), from the Scribe Shareholders for 640,000 shares of Series A Preferred Stock of the Company. In addition, the Company exchanged warrants to purchase up to 635,000 shares of the Company's common stock, for \$2.00 per share, with a term of 5 years (the "Warrants"), for Scribe warrants held by two individuals. The issuances of the Series A Preferred Stock and Warrants by the Company was effected in reliance on the exemptions from registration afforded by Section 4(a)(2) of the Securities Act of 1933, and Rule 506 of Regulation D promulgated thereunder.

To ensure the Company has adequate near-term liquidity, the officers of the Company have loaned the Company short-term loans. In most cases, the loans are for less than 30 days and no interest is expensed or paid to the officers. There were no amounts owed to officers of the Company, other than reimbursable expenses, at September 30, 2015 or 2014.

On May 29, 2014, the Company entered into a settlement agreement related to an indemnification agreement with the former Chief Executive Officer of the Company under which the Company agreed to pay a total of \$51,850 as settlement in full of certain disputes among the parties. As of September 30, 2014 this amount had been paid by the Company.

Under its charter, the Audit Committee of our Board of Directors is responsible to review and approve or ratify any transaction between the Company and a related person that is required to be disclosed under the rules and regulations of the SEC. Our management is responsible for bringing any such transaction to the attention of the Audit Committee. In approving or rejecting any such transaction, the Audit Committee considers the relevant facts and circumstances, including the material terms of the transaction, risks, benefits, costs, availability of other comparable services or products and, if applicable, the impact on a director's independence.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information concerning the beneficial ownership of our voting securities as of June 7, 2016 by (i) each person who is known by us, based solely on a review of public filings, to be the beneficial owner of more than 5% of any class of our outstanding voting securities, (ii) each director, (iii) each executive officer named in the Summary Compensation Table and (iv) all executive officers and directors as a group.

Under applicable SEC rules, a person is deemed to be the "beneficial owner" of a voting security if such person has (or shares) either investment power or voting power over such security or has (or shares) the right to acquire such security within 60 days by any of a number of means, including upon the exercise of options or warrants or the conversion of convertible securities. A beneficial owner's percentage ownership is determined by assuming that options, warrants and convertible securities that are held by the beneficial owner, but not those held by any other person, and which are exercisable or convertible within 60 days, have been exercised or converted.

Unless otherwise indicated, we believe that all persons named in the table below have sole voting and investment power with respect to all voting securities shown as being owned by them. Such entities are also required by SEC regulations to furnish the Company with copies of all such Section 16(a) reports.

Based solely on a review of Forms 3 and 4 and amendments thereto furnished to the Company and written representations that no Form 5 or amendments thereto were required, the Company believes that during the fiscal years ended September 30, 2015 and 2014, its directors and officers, and greater than 10% beneficial owners, have complied with all Section 16(a) filing.

AUDIT-RELATED MATTERS**General**

In fulfilling its oversight role, our Audit Committee met and held discussions, both together and separately, with the Company's management and Friedman. Management advised the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee reviewed and discussed the consolidated financial statements and key accounting and reporting issues with management and Friedman, both together and separately, in advance of the public release of operating results and filing of annual or quarterly reports with the SEC. The Audit Committee discussed with Friedman matters deemed significant by Friedman, including those matters required to be discussed pursuant to Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended, and reviewed a letter from Friedman disclosing such matters.

Friedman also provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board of Directors regarding the outside auditors' communications with the Audit Committee concerning independence, and we discussed with Friedman matters relating to their independence.

Based on our review with management and Friedman of the Company's audited consolidated financial statements and Friedman's report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2015. Friedman LLP has served as the Company's independent registered public accounting firm since November 29, 2012. A representative of Friedman, LLP is expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement if desired.

The following table presents fees billed by Friedman, LLP for the following professional services rendered for the Company for the fiscal years ended September 30, 2015 and 2014:

	Fiscal Year Ended September 30, 2015	Fiscal Year Ended September 30, 2014
Audit fees	\$ 160,000	\$ 155,000
Audit-related fees	18,500	18,500
Tax fees	-	-
All other fees	-	-

"Audit fees" relate to services for the audit of the Company's consolidated financial statements for the fiscal year and for reviews of the interim consolidated financial statements included in the Company's quarterly reports filed with the SEC.

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

"Audit-related fees" relate to services that are reasonably related to the audit of the Company's consolidated financial statements and are not included in "audit fees." These services include audits of the Company's 401(k) retirement plan and consultations on certain accounting matters.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm, and to not engage them to perform the specific non-audit services proscribed by law or regulation. At the beginning of each fiscal year, the Audit Committee meets with the independent registered public accounting firm and approves the fees and services to be performed for the ensuing year. On a quarterly basis, the Audit Committee reviews the fees billed for all services provided for the year to date, and it pre-approves additional services if necessary. The Audit Committee's pre-approval policies allow management to engage the independent registered public accounting firm for consultations on tax or accounting matters up to an aggregate of \$10,000 annually. All fees listed in the table above were approved in accordance with the Audit Committee's policies.

Policy Regarding Pre-Approval of Services Provided by the Outside Auditors

The Audit Committee's charter requires review and pre-approval by the Audit Committee of all audit services provided by our outside auditors and, subject to the *de minimis* exception under applicable SEC rules, all permissible non-audit services provided by our outside auditors. The Audit Committee reviews the fees billed for all services provided on a quarterly basis, and it pre-approves additional services if necessary. As required by Section 10A of the Exchange Act, the Audit Committee pre-approved all audit and non-audit services provided by our outside auditors during fiscal 2014 and 2015, and the fees paid for such services.

THE NAME CHANGE AMENDMENT

The name of the Company is currently General Employment Enterprises, Inc. The Name Change Amendment in the form attached hereto as *Appendix A*, changes the name of the Company to "GEE Group Inc."

Article I of the Company's Articles of Incorporation will be amended in its entirety to substantially read as follows:

"The name of the corporation is: GEE Group Inc. (the "Corporation"). The Corporation was incorporated on September 28, 1962 as Charles M. O'Shea Corporation. The Corporation amended its articles of incorporation on December 21, 1964 to change its name from Charles M. O'Shea Corporation to General Employment Enterprises, Inc. On , 2016, the Corporation further amended its articles of incorporation to change its name from General Employment Enterprises, Inc. to GEE Group Inc."

Purpose of Name Change Amendment

The Company desires to change its name to GEE Group Inc. to better reflect the fact that it provides and markets its staffing services under a variety of different trade names and operating brands. The name change does not affect the rights or interests of the Company's stockholders and outstanding stock certificates are not affected by the name change and will not need to be exchanged.

Effect of Amendment

The change in corporate name will not effect the status of the Company or the rights of any stockholders in any respect, or the validity or transferability of stock certificates presently outstanding. The Company's stockholders will not be required to exchange stock certificates solely to reflect the new corporate name. If a physical certificate represents a stockholder's shares of Common Stock currently, that certificate will continue to represent such stockholder's ownership of such shares. It will not be necessary for stockholders to surrender stock certificates bearing the Company's former corporate name. When physical certificates are presented for transfer in the ordinary course,

new certificates bearing the new corporate name will be used.

The Company will continue to trade with the NYSE MKT under the symbol JOB and does not expect that this name change will cause significant expenses to the Company.

No Dissenters' Rights

Illinois law does not provide for dissenter's rights in connection with the approval of the Name Change Amendment described in this proxy statement.

Implementation of Name Change Amendment
