ANNUAL MEETING OF STOCKHOLDERS

General Information

We have made this proxy statement available to you on or about April 29, 2014 as a holder of common stock of Altisource Asset Management Corporation (“we,” “us,” “our,” “AAMC” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any adjournment of this meeting. The Annual Meeting of Stockholders will be held at our offices located at 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531 on Wednesday, June 11, 2014, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders.

Notice and Access to Proxy Materials

We expect our proxy materials, including this proxy statement and our 2013 annual report, to be made available to stockholders on or about April 29, 2014 through the “Shareholders” link on our website at www.altisourceamc.com or through www.proxyvote.com. In accordance with the rules of the SEC, most stockholders will not receive printed copies of these proxy materials unless they request them. Instead, most stockholders will receive by mail a “Notice of Internet Availability of Proxy Materials” that contains instructions as to how they can view our materials online, request copies be sent to them by mail or electronically by email and as to how they can vote online.

Voting Procedures

You can vote your shares by proxy without attending the meeting. You may vote your shares by proxy over the Internet by following the instructions provided in the “Notice of Internet Availability of Proxy Materials,” or if you receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you are voting over the Internet or by telephone, you will need to provide the control number that is printed on the Notice or proxy card that you receive.

How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted “FOR” each of the nominees for Director; “FOR” approval of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2014; “FOR” approval, on an advisory basis, of the compensation of AAMC’s named executive officers, as disclosed in the Proxy Statement (“Say-on-Pay”); “FOR” every three years to be the frequency that an advisory vote on executive compensation should be presented to the stockholders; and with regard to any other business that properly comes before the meeting in accordance with the judgment of the persons appointed as proxies.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting of Stockholders and any adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary

Altisource Asset Management Corporation
402 Strand Street
Frederiksted, United States Virgin Islands 00840-3531

submitting a properly executed proxy bearing a later date; or

1

appearing at the Annual Meeting of Stockholders and giving the Corporate Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting of Stockholders or any adjournment of the Annual Meeting of Stockholders if you are a holder of record of our common stock at the close of business on April 22, 2014. At the close of business on April 22, 2014, there were 2,255,809 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

Quorum and Voting Information

The presence at the Annual Meeting of Stockholders of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting of Stockholders.

Assuming a quorum, the six (6) nominees for Director will be elected as Directors of AAMC by a majority of the votes cast in person or by proxy at the meeting. You may vote in favor of, against or withhold authority to vote for one (1) or more nominees for Director. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The proposal to ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2014 and the advisory vote to approve the compensation of AAMC’s named executive officers as disclosed in the Proxy Statement (“Say-on-Pay”) require the affirmative vote of a majority of the shares entitled to vote and represented at the meeting. The advisory vote on the frequency that an advisory vote on executive compensation should be presented to the stockholders will be determined based on the frequency that receives the most votes. Any other matter properly submitted for your consideration at the Annual Meeting of Stockholders requires the affirmative vote of a majority of the shares entitled to vote that are represented at the meeting.

Abstentions will not be counted in determining the votes cast in connection with the foregoing matters. Brokers may not vote on behalf of their clients in connection with the proposals regarding the election of Directors and “Say-on-Pay,” so any broker “non-votes” will not be counted in determining the votes cast in these proposals. A broker “non-vote” occurs when a shareholder has not provided voting instructions to his or her broker on a non-routine item.

While our Board of Directors intends to carefully consider the stockholder vote resulting from the “Say-on-Pay” proposal, the final vote will not be binding on us and is advisory in nature.

If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank or brokerage firm provides you. You will receive a Notice of Internet Availability of Proxy Materials that will tell you how to access our proxy materials and vote your shares via the Internet. It will also tell you how to request a paper or e-mail copy of our proxy material. Please contact your bank or brokerage firm for further information.

ELECTION OF DIRECTORS

(Proposal One)

Our Amended and Restated Bylaws provide that our Board of Directors shall consist of no less than three (3) members with the exact number to be determined by vote of a majority of the Board of Directors. We are proposing the six (6) nominees listed below for election as Directors at the Annual Meeting of Stockholders for a one (1) year term or until their successors are elected and qualified.

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting of Stockholders, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as Director if elected.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE “FOR” EACH OF THE NOMINEES FOR DIRECTOR**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our current Board of Directors held eight (8) meetings in 2013. Each incumbent Director attended 100% of these meetings as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. All of the incumbent members of our Board of Directors attended our 2013 Annual Meeting of Stockholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the NYSE, which governs the NYSE MKT where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Erbey, Bossidy and Schweitzer and Ms. Kurland are independent Directors and that Mr. Redleaf will be an independent director upon his election to our Board of Directors..

Board Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board of Directors retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and its stockholders at any given time. The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure to fit our needs. As our Chief Executive Officer, Mr. Pandey is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board of Directors. As Chairman of the Board of Directors, Mr. Erbey leads the Board and oversees meetings of the Board of Directors and the delivery of information necessary for the Board's informed decision-making.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/ Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our

system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee for 2013 were Mr. Bossidy, Ms. Gertz and Mr. Schweitzer and Mr. Bossidy was the Chair of the Audit Committee. Mr. Redleaf will be appointed to the Audit Committee upon his election to the Board of Directors. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that all members of our Audit

Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that each of Mr. Bossidy and Mr. Schweitzer qualify as “audit committee financial experts” as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Audit Committee in March 2014. The Audit Committee met ten (10) times in 2013.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. Except as they relate to the Chief Executive Officer, the Compensation Committee reviews with the Chief Executive Officer and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC’s 2012 Equity Incentive Plan (the “2012 Equity Plan”). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee for 2013 were Ms. Gertz, Ms. Kurland and Mr. Schweitzer and Ms. Kurland was the Chair of the Compensation Committee. Mr. Redleaf will be appointed to the Compensation Committee upon his election to the Board of Directors. Each member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Compensation Committee in March 2014. The Compensation Committee met two (2) times in 2013.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee for 2013 were Mr. Erbey, Mr. Bossidy and Ms. Kurland. Mr. Erbey was the Chair of the Nomination/Governance Committee. Each member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations

7

for amendments. The charter was last reviewed by the Nomination/Governance Committee in March 2014. The Nomination/Governance Committee met three (3) times in 2013.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account AAMC's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs. The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. You should provide each proposed nominee's name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

Corporate Governance Guidelines

The Corporate Governance Guidelines adopted by our Board of Directors provide guidelines for us and our Board of Directors to ensure effective corporate governance. The Corporate Governance Guidelines cover topics such as Director qualification standards, Board of Directors and committee composition, Director responsibilities, Director access to management and independent advisors, Director compensation, Director orientation and continuing

education, management succession and annual performance appraisal of the Board of Directors.

Our Nomination/Governance Committee reviews our Corporate Governance Guidelines at least once a year and, if necessary, recommends changes to our Board of Directors. Our Corporate Governance Guidelines are available on our website at www.altisourceamc.com and are available to any stockholder who requests them by writing to our Corporate Secretary at Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531.

Executive Sessions of Non-Management Directors

Non-management Directors expect to meet in executive session without management representatives periodically. Non-management Directors met in executive session without management eight (8) times in 2013.

Communications with Directors

If you desire to contact our Board of Directors or any individual Director regarding AAMC, you may do so by mail addressed to our Corporate Secretary at Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. All communications received in writing will be distributed to our full Board of Directors if addressed to the full Board or to individual Directors if addressed to any of them individually.

Code of Ethics

We adopted a Code of Business Conduct and Ethics that applies to our Directors, officers and employees. We also adopted a Code of Ethics for Senior Financial Officers. Any waivers from the Code of Business Conduct and Ethics for Directors or named executive officers or the Code of Ethics for Senior Financial Officers must be approved by our Board of Directors or the Audit Committee and will be subsequently disclosed when required by SEC or applicable exchange rules. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers are available on our website at www.altisourceamc.com and are available to any stockholder who requests a copy by writing to our Corporate Secretary at Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. Any amendments to the Code of Business Conduct and Ethics or the Code of Ethics for Senior Financial Officers, as well as any waivers that are required to be disclosed under SEC or exchange rules, will either be posted on our website or otherwise disclosed in accordance with such rules.

Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

BOARD OF DIRECTORS COMPENSATION

The following table discloses compensation received by each non-management member of our Board of Directors who served as a Director during fiscal year 2013. Our management Directors do not receive an annual retainer or any other compensation for their service on the Board of Directors. Ashish Pandey, our sole management Director, is therefore not included in the following table.

Name	Fees Earned Or Paid in Cash	Stock Awards ⁽¹⁾	Option Awards	All Other Compensation	Total
William C. Erbey	\$78,750	\$34,320	\$—	\$—	\$113,070
Paul T. Bossidy	\$46,875	\$34,320	\$—	\$—	\$81,195
Cindy Gertz	\$41,250	\$34,320	\$—	\$—	\$75,570
Dale Kurland	\$41,250	\$34,320	\$—	\$—	\$75,570
Robert C. Schweitzer	\$41,250	\$34,320	\$—	\$—	\$75,570

Each director received 132 shares of the common stock of AAMC on June 26, 2013 for their service on the Board from January 24, 2013, the date of the first organizational meeting, to May 30, 2013, the date of the 2013 Annual Meeting of Stockholders. The number of shares granted was based on a share price of \$116.62, which is the average of the high and low sales prices of our common stock on January 24, 2013, the first day of their service in 2013. The value of the shares set forth in the table above is based on the average of the high and low sale prices of our common stock on the date of issuance.

Cash Compensation

As set forth above, we will provide the following cash compensation to our non-management Directors in quarterly installments, paid in arrears for their services for the prior quarter:

- an annual retainer of \$50,000;
- an additional \$50,000 to the Chairman of the Board of Directors;
- an additional \$12,500 to the Audit Committee chairperson;
- an additional \$5,000 to all committee chairpersons (other than the Audit Committee chairperson); and
- an additional \$5,000 to all Audit Committee members.

Because we pay our Directors' cash compensation in arrears for each quarter and the Directors' service year in 2013 began in January 2013, the cash compensation paid to our directors in 2013 represents less than a full year of compensation.

Equity Compensation

At the end of each year of service, non-management Directors who attend at least 75% of all meetings of the Board of Directors and committees on which they served receive an award of shares of common stock of AAMC with a fair market value of \$45,000 determined on the first day of the service year by the average of the high and low prices of the common stock as reported on the NYSE MKT exchange. In 2013, we used the average of the high and low price on January 24, 2013 as quoted on the OTCQX where our common stock was quoted until September 11, 2013. Equity compensation is paid for the prior year of service after the annual organizational meeting of the Board of Directors, which immediately follows the Annual Meeting of Stockholders.

Edgar Filing: Altisource Asset Management Corp - Form DEF 14A

For Directors serving less than a full year, such Directors will receive a pro rata portion of \$45,000 of our common stock based on the high and low sales prices on the first day of his or her service year, multiplied by a fraction, the numerator of which is the number of days served and the denominator of which is 365 days. For example, our current Directors received a number of shares of our common stock on June 26, 2013 with a purported value of \$15,411 per Director, which was determined by multiplying \$45,000 by the quotient obtained by dividing 126 days (the number of days from January 24, 2013 to May 30, 2013) by 365 days, using the \$116.62 per share average price on January 24, 2013, the first day of the service period in 2013.

10

Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year.

EXECUTIVE OFFICERS WHO ARE NOT DIRECTORS

The following table sets forth certain information with respect to each person who currently serves as one of our executive officers but does not serve on our Board of Directors. Our executive officers are elected annually by our Board of Directors and generally serve at the discretion of our Board of Directors. There are no arrangements or understandings between us and any person for election as our executive officer. COMPENSATION DISCUSSION AND ANALYSIS

Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value. We seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Executive Vice President, Chief Financial Officer and General Counsel and Secretary;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide and
- the reasons for the compensation decisions we have made regarding these individuals.

Our named executive officers for 2013 are:

Name ⁽¹⁾	Position
Ashish Pandey	Chief Executive Officer
Salah Saabneh	Executive Vice President, Corporate Development
Kenneth D. Najour ⁽²⁾	Chief Financial Officer
Stephen H. Gray	General Counsel and Secretary
Rachel M. Ridley ⁽²⁾	Former Chief Financial Officer

⁽¹⁾ Mr. Appleby is not a "named executive officer" of the Company for 2013 under the Exchange Act. Mr. Appleby's compensation is therefore not included in this Compensation Discussion and Analysis. Mr. Appleby is expected to be a named executive officer of the Company commencing in 2014.

⁽²⁾ Mr. Najour became Chief Financial Officer on March 5, 2013. Ms. Ridley resigned as Chief Financial Officer effective March 4, 2013

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation and is typically present at Compensation Committee meetings, except that the Chief Executive Officer may not be present during any voting or deliberations on his compensation. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee in consultation with the Chairman of the Board without the presence of the Chief Executive Officer) and present his conclusions and recommendations regarding incentive award amounts to the Compensation Committee for its consideration and approval. The Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution.

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation

17

consultant. The Compensation Committee has not yet identified or retained a compensation consultant, and the Company has not made any changes to the base and target incentive compensation of our named executive officers.

As part of its analysis, the compensation consultant will be expected to provide research and present information to the Compensation Committee related to compensation trends and “best practices” in executive compensation among peer group companies in a similar line of business and of similar size to AAMC. Executive compensation data and other resources provided by the compensation consultant will be expected to set the foundation for the Compensation Committee’s review and analysis of executive compensation levels.

Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provide for a base salary and target incentive compensation for 2014 based on the satisfaction of relevant performance criteria. In addition, the executives may receive benefits such as health care or a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive’s employment is terminated by us without “cause” the executive may receive severance benefits of up to six months’ base salary. “Cause” generally is defined as either (i) any willful or grossly negligent conduct (including but not limited to fraud or embezzlement) committed by the executive in connection with his/her employment which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business or (ii) the executive’s conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime which may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands.

Each of our executives has executed a Data Privacy Agreement that provides for a covenant to maintain our confidential information and has entered into an intellectual property agreement providing that all developments by such executive shall be our property.

Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

Base Salary. Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer’s compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve

the base salaries for all other named executive officers.

Annual Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

18

Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2013, 38-50% of total annual cash target compensation was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities. The table below reflects the percentage of each named executive officer's target total annual cash compensation that was allocated to each of base salary and incentive compensation in 2013 and each named executive officer's actual total annual cash compensation that was allocated to each of base salary and incentive compensation in 2013:

Name	Base Salary % of Target Total Annual Cash Compensation in 2013	Incentive Compensation % of Target Total Annual Cash Compensation in 2013	Base Salary % of Actual Total Annual Cash Compensation in 2013	Incentive Compensation % of Actual Total Annual Cash Compensation in 2013

Our annual incentive-based cash compensation is structured to motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. This is accomplished by utilizing a balanced scorecard methodology which incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process to enhance Company performance and long-term stockholder value. This corporate scorecard is approved annually by the Compensation Committee and/or the full Board of Directors and is utilized by the Compensation Committee as a factor to determine the appropriate amount of incentive compensation to be paid to the Chief Executive Officer and other executive officers. During development of the corporate scorecard each year, the Compensation Committee considers the level of difficulty associated with attainment of each goal in the scorecard. The intent of the Compensation Committee is to establish the target goal at a level that is challenging to achieve. For 2013, our corporate scorecard was approved by our Board of Directors at its meeting on February 5, 2013. Certain amendments to our corporate scorecard were approved by our Board of Directors at subsequent Board of Directors meetings.

Our corporate scorecard for 2013, as amended, and corresponding achievement levels are detailed below:

The incentive award for our Chief Executive Officer and each of our other named executive officers is structured so that compensation opportunities are related to (i) our performance versus the objectives established in the corporate scorecard (80%) and (ii) a performance appraisal (20%).

The components in each scorecard are weighted individually based on relevance to our ultimate performance and the achievement of our corporate strategy as well as the strategic development of our initial client, Residential. Within each component of the scorecard, there are three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement is tied to a relative point on a percentage scale which indicates the executive officer’s level of goal achievement within each component of the scorecard. Achieving the threshold level of achievement will earn the executive officer 50% of the target incentive compensation tied to such goal; the target level of achievement will earn the executive officer 100% of the target incentive compensation tied to such goal and the outstanding level of achievement will earn the executive officer 150% of the target incentive compensation tied to such goal. Any achievement below the threshold level will not entitle the executive to compensation for the associated goal.

The goals and initiatives are further cascaded down through the organization to all of our incentive eligible employees in their personal scorecards which are tied to performance against goals that are directly linked to the achievement of our corporate strategic initiatives and the corporate strategic initiatives of Residential. The scorecards are

communicated to all incentive eligible employees by the Human Resources Department or the employee's immediate supervisor and are available to employees in our performance management tracking system. This incentive compensation structure is intended to align the goals of our incentive eligible employees with the overall success of AAMC and Residential while establishing clear performance standards within their respective business or support units.

As noted above, the Chief Executive Officer and other named executive officers have 20% of their incentive compensation determined by their performance appraisal for the service year. Each of our named executive officers performs a self-assessment as to his or her performance against his or her goals for the applicable year. Our Chief Executive Officer utilizes these assessments, as well as his own observations, to prepare a written performance appraisal for each of the other executive officers. These performance appraisals rate performance based on objective criteria related to two key factors: (i) the executive’s ability to improve and develop their organization throughout the year and (ii) the executive’s strategic contributions to the direction of the Company.

The Chief Executive Officer’s scorecard performance and personal performance appraisal are determined by the Compensation Committee in consultation with the Chairman taking into consideration whether our performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our executives other than the Chief Executive Officer, the Chief Executive Officer presents the personal scorecard performance and the performance appraisal scores to the Compensation Committee and makes recommendations as to the incentive compensation for each executive officer. The Compensation Committee evaluates the recommendations in light of overall performance and the executive’s business unit or support unit’s performance and makes the final compensation award determinations for each executive. Annual incentive compensation is paid to our executives and other incentive eligible employees following this determination. For 2013, incentive compensation was awarded accordingly. Please see the Summary Compensation Table under “Executive Compensation” for the actual amounts awarded in 2013.

2014 Annual Incentive Compensation. Generally, at the first Board of Directors meeting of the fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. Our 2014 key performance indicators have been developed and were approved by the Compensation Committee and the Board of Directors at a meeting held on March 11, 2014.

The 2014 corporate strategic initiatives relate to:

- Residential’s financial performance;
- achieving targeted growth of Residential’s NPL and rental portfolio;
- raising equity for Residential;

•diversifying sources of our revenue and
•maintaining REIT, corporate governance and regulatory compliance.

Setting Compensation Levels

We believe our executive compensation programs are effectively designed and working well in alignment with the interests of our stockholders and are instrumental to achieving our business strategy.

From time to time, we expect to conduct benchmarking on Chief Executive Officer and other named executive officer compensation among peer companies of comparable size, industry, location and similar attributes that may compete with AAMC for qualified management talent.

Equity Incentive Plan

Prior to our separation from Altisource, our prior Board of Directors and Altisource, as AAMC's sole stockholder, approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. The 2012 Equity Incentive Plan is administered by the Compensation Committee, who authorizes the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either "incentive stock options" as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

In line with the objectives of our compensation philosophy, on February 19, 2013, Mr. Saabneh was granted 23,432 restricted shares of common stock with an aggregate fair value of \$1,370,655; on March 5, 2013, Mr. Najour was granted 8,765 restricted shares of common stock with an aggregate fair value of \$556,665 and on March 11, 2014, Adam Appleby, our new Chief Operating Officer, was granted 8,765 restricted shares of common stock with an aggregate fair value of \$6,935,482. Ms. Ridley, or former Chief Financial Officer, forfeited her restricted shares of common stock on March 4, 2013 in connection with her resignation from the Company.

All of the restricted shares of common stock granted to date vest in three tranches, subject to the achievement of the following performance hurdles:

Twenty-five percent (25%) vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$250 million; (ii) the market value has realized a compounded annual gain of at least twenty percent (20%) over the market value on the date of the grant; and (iii) the market value is at least double the market value on the date of the grant.

Fifty percent (50%) vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$500 million; (ii) the market value has realized a compounded annual gain of at least twenty-two and a half percent (22.5%) over the market value on the date of the grant; and (iii) the market value is at least triple the market value on the date of the grant.

•

Twenty-five percent (25%) vest in accordance with the vesting schedule set forth below if the market value of AAMC stock meets all three of the following conditions: (i) the market value is at least equal to \$750 million; (ii) the market value has realized a compounded annual gain of at least twenty-five percent (25%) over the market value on the date of the grant; and (iii) the market value is at least quadruple the market value on the date of the grant.

The restricted stock vests according to the following vesting schedule:

• Twenty-five percent (25%) of each tranche vest on the first anniversary of the date when the three conditions for that tranche are met.

• The remaining seventy-five percent (75%) vest in substantially equal installments on each of the first three anniversaries of the initial vesting of the applicable tranche.

If an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that if (i) an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest according to the above vesting schedule; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders.

The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

Other Compensation

The Compensation Committee's policy with respect to other employee benefit plans is to provide benefits to our employees, including our executive officers, that are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each executive officer, assuming the executive's employment had terminated under various scenarios as of December 31, 2013 (the last business day of fiscal year 2013). Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Pandey, Saabneh, Najour and Gray, in the event that his employment is terminated by us without "cause," he may receive severance benefits of up to six months' base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to being relocated to the U.S. Virgin Islands. If any of our executives' employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive's termination provisions, the executive would first be required to execute a release of claims with us that will include a waiver and release of any and all claims he may have against us. As of December 31, 2013, the separation payment each executive would have received upon termination,

other than for cause, based on a six-month separation payment, would have been \$162,500 for Mr. Pandey, \$175,000 for Mr. Saabneh, \$112,500 for Mr. Appleby, \$103,075 for Mr. Najour and \$124,000 for Mr. Gray, as well as six months of medical insurance benefits based on COBRA premiums that would be paid for continued medical insurance benefits with a value of approximately \$2,800 for Mr. Pandey and approximately \$8,800 for each of Messrs. Saabneh, Appleby, Najour and Gray. As of December 31, 2013, the relocation benefits that we had paid to date for each of the executives were \$110,176 for Mr. Pandey, \$33,633 for Mr. Saabneh, \$69,788 for Mr. Najour and \$128,358 for Mr. Gray.

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

Under our employment arrangement with Ms. Ridley, upon her resignation from AAMC on March 4, 2013, she received a one-time payment equal to \$70,000, less applicable withholding taxes and expenses to relocate Ms. Ridley back to the United States. Pursuant to the separation agreement signed by Ms. Ridley, she released all current or future claims, known or unknown, against us, Residential and our respective affiliates, officers, Directors, employees, agents, counsel and representatives of any sort, both present and former.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above.

For the fiscal year ended December 31, 2013, all fees associated with the independent registered public accounting firm’s services were pre-approved by the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. ADVISORY VOTE ON EXECUTIVE COMPENSATION
“SAY-ON-PAY”
(Proposal Three)

As required pursuant to Section 14A of the Securities Exchange Act, AAMC is presenting this proposal, which gives stockholders the opportunity to approve or not approve our pay program for named executive officers.

As described in detail under the heading “Compensation Discussion and Analysis – Executive Compensation,” our executive compensation programs are designed to attract, incent and retain our named executive officers, who are critical to our success and the success of our clients. Pursuant to these programs, AAMC seeks to reward the named executive officers for achieving strategic business goals, including the goals of our clients. Please read the “Compensation Discussion and Analysis” for additional details about our executive compensation programs, including information about the fiscal year 2013 compensation of our named executive officers. Accordingly, we ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures, and any related material disclosed in this Proxy Statement.”

While our Board of Directors intends to carefully consider the stockholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

You may vote for or against the approval of the compensation of AAMC’s named executive officers as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related disclosures contained in the Proxy Statement.

ADVISORY VOTE ON FREQUENCY OF EXECUTIVE COMPENSATION VOTE

(Proposal Four)

As required pursuant to Section 14A of the Securities Exchange Act, AAMC is presenting this proposal, which gives you as a stockholder the opportunity to inform AAMC as to how often you wish AAMC to include a proposal, similar to Proposal Three, in our Proxy Statement.

While our Board of Directors intends to carefully consider the stockholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

You may vote to include an advisory vote on the compensation of AAMC's named executive officers pursuant to Section 14A of the Securities Exchange Act every one (1), two (2) or three (3) years or you may abstain.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE OPTION OF "EVERY THREE (3) YEARS" AS THE FREQUENCY WITH WHICH STOCKHOLDERS ARE PROVIDED AN ADVISORY VOTE ON THE COMPENSATION OF NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

ACCORDINGLY, SIGNED PROXIES RETURNED WITHOUT SPECIFIC VOTING DIRECTIONS WILL BE VOTED FOR A FREQUENCY OF THREE YEARS.

BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

The Board of Directors has adopted a policy and procedure for the review, approval and monitoring of transactions involving AAMC and related persons (Directors and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock) within our written Code of Business Conduct and Ethics which is available at www.altisourceresi.com. The policy and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as they broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chairman of the Board if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including (i) whether the transaction is in the best interests of AAMC; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to AAMC.

Relationship with Chairman of the Board of Directors

Mr. Erbey currently serves as the non-executive Chairman of AAMC, as Executive Chairman of Ocwen Financial Corporation ("Ocwen") and as non-executive Chairman of Residential and Altisource Portfolio Solutions S.A. ("Altisource"). As a result, he has obligations to the Company as well as to Ocwen, Residential and Altisource. As of December 31, 2013, Mr. Erbey owned or controlled approximately 13% of Ocwen's common stock, 26% of Altisource's common stock and 5% of Residential's common stock. As of December 31, 2013, Mr. Erbey also held 4,620,498 options to purchase Ocwen common stock, of which 2,845,498 were exercisable, and he held 873,501 options to purchase Altisource common stock and 291,164 options to purchase Residential common stock, all of which were exercisable. Due to the nature of Mr. Erbey's obligations to each of the companies, he recuses himself from decisions pertaining to any transactions between them. Mr. Erbey is also the non-executive Chairman of Home Loan Servicing Solutions, Ltd. ("HLSS") and owned approximately 1% of HLSS' ordinary shares as of December 31, 2013. We have not engaged in any transactions with HLSS, and we would not consider Mr. Erbey to have a direct or indirect material interest under applicable SEC rules to the extent we were to enter into any transactions with HLSS.

Relationship with Residential

Asset Management Agreement with Residential

On December 21, 2012, we entered into a 15-year asset management agreement with Residential. Pursuant to the asset management agreement, we design and implement Residential's business strategy, administer their business activities and day-to-day operations and provide corporate governance services, subject to oversight by Residential's Board of Directors. We are responsible for, among other duties: (i) performing and administering all of Residential's day-to-day operations, (ii) determining investment criteria through Residential's Investment Policy in cooperation with its Board of Directors, (iii) sourcing, analyzing and executing asset acquisitions, including Residential's acquisition of

sub-performing and non-performing residential mortgage loan portfolios and related financing activities, (iv) analyzing and performing sales of properties, (v) overseeing Altisource's renovation, leasing and property management of Residential's single-family rentals, (vi) overseeing Ocwen's servicing of Residential's residential mortgage loan portfolios, (vii) performing asset management duties and (viii) performing corporate governance and other management functions, including financial, accounting and tax management services.

We provide Residential with a management team and appropriate support personnel who have substantial sub-performing and non-performing loan portfolio experience. We have agreed not to provide the same or substantially similar services to any other party so long as Residential and its operating partnership have on hand an average of \$50,000,000 in capital available for investment over the previous two (2) fiscal quarters. Notwithstanding the foregoing, we may engage in any other business or render similar or different services to other entities not competing with Residential, including, without limitation, providing direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, so long as its services to Residential and its operating partnership are not impaired thereby.

Incentive Management Fees

Under the asset management agreement, Residential pays us a quarterly incentive management fee as follows:

- (i) 2% of all cash available for distribution by Residential to its stockholders and to us as an incentive management fee, which we refer to as “available cash,” until the aggregate amount per share of available cash for the quarter (based on the average number of shares of Residential’s common stock outstanding during the quarter), which we refer to as the “quarterly per share distribution amount,” exceeds \$0.161, then
- (ii) 15% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.193, then
- (iii) 25% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.257, and thereafter
- (iv) 50% of all additional available cash for the quarter.

Residential distributes any quarterly distribution to its stockholders after the application of the incentive management fee to us. We received \$4.9 million in incentive management fees from Residential for the year ended December 31, 2013.

Expense reimbursement

Residential is required to reimburse us on a monthly basis for the (i) direct and indirect expenses we incur or payments we make on Residential’s behalf, including, but not limited to, the allocable compensation and routine overhead expenses of all of our employees and staff and (ii) all other reasonable operating and overhead expenses we incur related to the asset management services we provides to Residential.

For the year ended December 31, 2013, we received reimbursements of \$5.4 million from Residential for expenses under the asset management agreement.

Termination

Residential may not terminate the asset management agreement without cause during the first 24 months of its term. Following such 24-month period, Residential may terminate the asset management agreement without cause upon the determination of at least two-thirds of its independent directors that (i) there has been unsatisfactory performance by us that is materially detrimental to Residential, or (ii) the compensation payable to us under the asset management agreement is unreasonable, unless we agree to compensation that at least two-thirds of Residential’s independent directors determine is reasonable.

We may terminate the asset management agreement without cause by providing written notice to Residential no later than 180 days prior to December 21 of any year during the initial term or a renewal term, and the asset management agreement will terminate effective on the December 21 next following the delivery of such notice.

Residential will be required to pay us a termination fee in the event that the asset management agreement is terminated as a result of (i) a termination by Residential without cause, (ii) a termination by us as a result of Residential becoming regulated as an “investment company” under the Investment Company Act, or (iii) a termination by us if Residential defaults in the performance of any material term of the asset management agreement (subject to a notice and cure period).

The termination fee will be equal to three (3) times the average annual incentive management fee earned by us during the prior 24-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination.

Relationship with Altisource

Support Services Agreement

Under the support services agreement, Altisource may provide services to us in such areas as human resources, vendor management operations, corporate services, consumer psychology, legal, tax, compliance and other support services where we may need assistance and support. The support services agreement provides generally that Altisource will undertake to provide the support services in a manner generally consistent with the manner and level of care with which such service, if any, was performed or provided prior to our separation from Altisource. The support services agreement will extend for two years after the separation but may be terminated earlier under certain circumstances including a default. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. “Fully-allocated cost” means, with respect to the provision of a “service,” the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Altisource will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent on our business activity and the level of services required in connection therewith. In the event our asset management agreement with Residential expires or is terminated, the support services agreement will terminate within 30 days.

Trademark License Agreement

Under the trademark license agreement, Altisource granted us a non-exclusive, non-transferable, non-sublicensable, royalty free license to use the name “Altisource.” The agreement has no specified term and may be terminated by either party upon 30 days written notice, with or without cause. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use “Altisource” in our name will terminate.

In the event our asset management agreement with Residential expires or is terminated, the trademark license agreement will terminate within 30 days.

Technology Services Agreement

Under the technology products and services agreement, Altisource provides us with the use of certain technology systems and services. The technology products and services agreement generally provides that Altisource will undertake to provide the technology systems and services in a manner generally consistent with the manner and level of care with which such technology systems and services, if any, were performed or provided prior to the separation.

The technology products and services agreement will extend for 15 years but may be terminated earlier under certain circumstances including a default. We expect that all services provided pursuant to the technology products and services agreement will be based on the fully-allocated cost of providing the service.

The total fees incurred by us under this agreement will be dependent upon our business activity and the level of services required in connection therewith.

35

Relationship with Ocwen

Support Services Agreement

Under the support services agreement, Ocwen may provide services to us in such areas as business consulting with respect to purchases of assets for clients, capital markets, quantitative asset analytics, compliance and other support services where we may need assistance and support. The support services agreement is terminable at will by either party upon 30 days prior notice. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Ocwen will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent on our business activity and the level of services required in connection therewith.

Aircraft Time Sharing Agreement with Ocwen

On November 15, 2013, we entered into an Aircraft Time Sharing Agreement, or the "Timeshare Agreement," with Ocwen pursuant to which Ocwen will make its corporate plane available to us for business-related travel from time to time. Under the Time Sharing Agreement, Ocwen agreed to provide us, on a time sharing basis, access to its plane in consideration of our reimbursement to Ocwen of the sum of its direct expenses of operating the plane plus an additional charge equal to 100% of such expenses. The amounts actually charged to us in any period will directly correlate to our use of the aircraft in each period, which will vary depending on our business needs.

Equity Plans

Options Granted in Separation from Altisource

We adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan in connection with the separation from Altisource in December 2012. In order to effect the exchange ratio in connection with the separation, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share at December 31, 2012 under the 2012 Equity Plan to Altisource employees holding Altisource stock options immediately prior to the separation and receiving shares of common stock in the separation from Altisource, including options to purchase 3,003 shares to Mr. Pandey that expire on July 18, 2018 and options to purchase 89,972 shares to Mr. Erbey that expire on varying dates between January 2015 and July 2018. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of Altisource stock options. These options expire on the same dates as they expired under the Altisource plans. Because the options were granted as part of the separation to holders of Altisource stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. No additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.

For any proposal, or nomination of a person for election as Director, that is not submitted for inclusion in the 2015 proxy statement, but is instead sought to be presented directly at the 2015 Annual Meeting of Stockholders, SEC rules permit management to vote proxies in its discretion if we:

- (1) receive notice of the proposal before the close of business on March 4, 2015 and advise stockholders in the 2015 proxy statement about the nature of the matter and how management intends to vote on such matter, or
- (2) do not receive notice of the proposal prior to the close of business on March 5, 2015.

Notice of intent to present a proposal at the 2015 Annual Meeting of Stockholders should be directed to our Corporate Secretary at Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531.

We did not receive notice of any stockholder proposals relating to the 2014 Annual Meeting of Stockholders. At the 2014 Annual Meeting of Stockholders, our management may exercise discretionary authority when voting on any properly presented stockholder proposal that is not included as an agenda item in this proxy statement.
