Item 1.01 - Entry into a Material Definitive Agreement

After obtaining approval by the United States Bankruptcy Court for the District of Delaware on July 7, 2017, on July 10, 2017, A.M. Castle & Co. (the “Company”) and certain of its subsidiaries entered into a Debtor-in-Possession Revolving Credit and Security Agreement dated July 10, 2017 (the “DIP Credit Agreement”), with PNC Bank, National Association, as Lender and Administrative and Collateral Agent (“PNC”). The subsidiaries, which together with the Company are parties to the DIP Credit Agreement as Borrowers, include Total Plastics, Inc., a Michigan corporation, HY-Alloy Steels Company, a Delaware corporation, Keystone Tube Company, LLC, a Delaware limited liability company, and Keystone Service, Inc., an Indiana corporation.

The DIP Credit Agreement provides for an \$85 million senior secured, revolving debtor-in-possession credit facility and sets forth the terms and conditions of such facility (the “DIP Facility”). The purpose of the DIP Facility is to (i) pay fees and expenses payable to PNC for the DIP Facility, (ii) provide for the Borrowers' working capital needs and reimburse drawings under letters of credit, in accordance with an approved budget, (iii) fund administrative expenses of the Borrowers that are included in such budget, (iv) refinance up to \$75,000,000 of the Prepetition First Lien Obligations (as defined in the DIP Credit Agreement), and (v) pay the Permitted Adequate Protection Payments (as defined in the DIP Credit Agreement) as and when due.

The obligations of the Company and its debtor subsidiaries under the DIP Facility are to be (i) entitled to super-priority administrative expense claim status pursuant to the Bankruptcy Code with priority over any administrative expenses of a kind specified in the Bankruptcy Code, subject to a carve-out for certain specified bankruptcy-related fees and expenses; and (ii) secured, pursuant to the Bankruptcy Code, by a first-priority perfected security interest and lien on all or substantially all of the Company's and its debtor subsidiaries' respective assets and the Company's equity interests in its subsidiaries, subject to certain carve-out and permitted prior liens.

The foregoing description is a summary and is qualified in its entirety by reference to the DIP Credit Agreement. A copy of the DIP Credit Agreement is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by this reference. Additionally, the foregoing is qualified in its entirety by reference to the Debtors Prepackaged Joint Chapter 11 Plan of Reorganization (the “Plan”), a copy of which was included within the Disclosure Statement for Debtors' Prepackaged Joint Chapter 11 Plan of Reorganization, a copy of which was attached as Exhibit 99.2 to the Company's Current Report on Form 8-K filed on May 15, 2017.

Item 2.03 - Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant.

On July 10, 2017, in connection with its entering into the DIP Credit Agreement, the Company borrowed an aggregate amount equal to \$66.3 million from PNC, of which \$64 million was used to pay down outstanding indebtedness of the Company for term loans and delayed draw term loans advanced pursuant to that certain Credit and Guaranty Agreement dated as of December 8, 2016, as amended, with Cantor Fitzgerald Securities, as administrative and collateral agent, and the lenders that are parties thereto.

The Company may prepay its obligations under the DIP Credit Agreement in whole, but not in part, at any time and must apply the net proceeds of material sales of collateral in prepayment of such obligations. Indebtedness for borrowings under the DIP Credit Agreement is subject to acceleration upon the occurrence of specified defaults or events of default, including failure to pay principal or interest, the inaccuracy of any representation or warranty of a loan party, failure by a loan party to perform certain covenants, defaults under indebtedness owed to third parties, certain liability producing events relating to ERISA, the invalidity or impairment of PNC's lien on its collateral or of any applicable guarantee, and certain adverse bankruptcy-related or other events not provided in the Plan.
