PROXY STATEMENT

The enclosed Proxy is solicited by and on behalf of the management of Dillard's, Inc. (the "Company"), a Delaware corporation, for use at the annual meeting of stockholders to be held on Saturday, May 21, 2005, at 9:30 a.m. at the Dillard's Corporate Office, 1600 Cantrell Road, Little Rock, Arkansas, or at any adjournment or adjournments thereof.

Any stockholder giving a Proxy has the power to revoke it, at any time before it is voted, by written revocation delivered to the Secretary of the Company. Proxies solicited herein will be voted in accordance with any directions contained therein, unless the Proxy is received in such form or at such time as to render it ineligible to vote, or unless properly revoked. If no choice is specified, the shares will be voted in accordance with the recommendations of the Board of Directors as described herein.

If matters of business other than those described in the Proxy properly come before the meeting, the persons named in the Proxy will vote in accordance with their best judgment on such matters. The Proxies solicited herein shall not confer any authority to vote at any meeting of stockholders other than the meeting to be held on May 21, 2005, or any adjournment or adjournments thereof.

The cost of soliciting Proxies will be borne by the Company. The Company will reimburse brokers, custodians, nominees and other fiduciaries for their charges and expenses in forwarding proxy material to beneficial owners of shares. In addition to solicitation by mail, certain officers and employees of the Company may solicit Proxies by telephone, telegraph and personally. These persons will receive no compensation other than their regular salaries. The Company has retained D.F. King & Co., Inc., a professional proxy solicitation firm, to assist in the solicitation of proxies. The fees of such firm are not expected to exceed \$7,000.

OUTSTANDING STOCK; VOTING RIGHTS; VOTE REQUIRED FOR APPROVAL

The stock transfer books of the Company will not be closed, but only stockholders of record at the close of business on March 31, 2005, will be entitled to notice of, and to vote at, the meeting. At that date, there were 79,218,925 shares of Class A Common Stock outstanding and 4,010,929 shares of Class B Common Stock outstanding. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding as of the record date is required to establish a quorum at the annual meeting.

Each holder of Class A Common Stock and each holder of Class B Common Stock shall be entitled to one vote on the matters presented at the meeting for each share standing in his name except that the holders of Class A Common Stock are empowered as a class to elect one-third of the Directors and the holders of Class B Common Stock are empowered as a class to elect two-thirds of the Directors. Stockholders will not be allowed to vote for a greater number of nominees than those named in this proxy statement. Nominees for director of each class, to be elected, must receive a plurality of the votes cast within that class. Cumulative voting for Directors is not permitted.

If a quorum is present, the vote of the holders of a majority of shares of Common Stock present in person or represented by proxy and having voting power is required to approve each of the proposals for the Dillard's, Inc. Stock Bonus Plan, the Dillard's, Inc. Stock Purchase Plan, and the Dillard's, Inc. 2005 Non-Employee Director Restricted Stock Plan. In addition, to satisfy the listing requirements of the New York Stock Exchange, the total

vote cast on the proposal for each plan also must represent over 50 percent of all outstanding shares of Common Stock as of the record date. If a quorum is present, the vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and having voting power is required for ratification of the appointment of Deloitte & Touche LLP as Dillard's independent auditors and for approval of the stockholder proposal.

Under Delaware General Corporate Law, if shares are held by a broker that has indicated that it does not have discretionary authority to vote on a particular matter without instructions from you under the New York Stock Exchange listing standards (broker non-votes), those shares will not be considered as present and entitled to vote with respect to that matter, but such shares will be counted with respect to determining whether a quorum is present. Abstentions will not be counted as votes cast for election of directors and with respect to the ratification of the appointment of the independent public accountants, the equity compensation plan proposals, and the stockholder proposal, abstentions will have the effect of a vote against such proposals. For purposes of the New York Stock Exchange requirement that the total vote cast on a plan represent over 50 percent of all outstanding shares of Common Stock, abstentions will count as a vote cast, but broker non-votes will not.

In response to a shareholder proposal from the United Brotherhood of Carpenters Pension Fund, the Board of Directors will vote at its May 2005 Board meeting on a By-Laws amendment that would change the current plurality vote standard for director elections to a majority vote standard. Majority as used in the preceding sentence with respect to any nominee for Director means that the affirmative vote of more than one half (1/2) of the shares of the respective class outstanding and eligible to vote in the election of a Director has been cast for such Director.

The last date for the acceptance of Proxies by management is the close of business on May 20, 2005 and no Proxy received after that date will be voted by management at the meeting.

Dillard's, Inc. qualifies as a controlled company under the corporate governance rules of the New York Stock Exchange due to the ownership by W.D. Company of shares of Class B Common Stock allowing it to cast more than 50% of votes eligible to be cast for the election of the two-thirds of the Directors of the Company that are elected by Class B Stockholders. In accordance with a provision in NYSE rules for controlled companies, the Company has elected not to comply with NYSE corporate governance rules that provide for (i) a majority of independent directors or (ii) a nominating/corporate governance committee comprised solely of independent directors. However, the Stock Option and Executive Compensation Committee has adopted a written charter and otherwise complies with the requirements of NYSE Rule 303A.05, Corporate Governance Standards for Compensation Committees.

Based on the foregoing exemption for controlled companies, the Company is not required to and does not have a nominating/corporate governance committee. The Board of Directors of the Company formally nominated all of the nominees for Director.

All of the nominees for director attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors and (2) the total number of meetings held by all committees of the board on which they served. Dillard's, Inc. has a policy, which encourages each board member to attend the annual stockholders' meeting. Each member of the board of directors was in attendance at the annual meeting of stockholders on May 15, 2004.

The Board has determined that each of the Class A Directors, as well as J.C. Watts, Jr. and Warren Stephens who serve as Class B Directors, qualify as independent directors in accordance with the NYSE corporate governance rules. In making its independence determinations, the Board considered the following relationship with the Company and determined such relationship was not material and would not affect the director's independence: Payments made by the Company for advertising to newspapers owned by Stephens Media Group. These payments were less than 2% of Stephens Media Group's annual revenue.

The Board has designated Will D. Davis to act as the presiding director of executive sessions to be held on a regular basis by non-management members of the Board. You may contact any Board member, or the entire Board, at any time. Your communication should be sent to the Presiding Member of Non Management Members of the Board of Directors or Non Management Members of the Board of Directors at 1600 Cantrell Road, Little Rock, AR 72201.

The Board has adopted Corporate Governance Guidelines, and each of the Audit Committee and Compensation Committee has adopted a written charter. The Board has also adopted a Code of Conduct that applies to all Company employees including the Company's Directors, CEO and senior financial officers. The current version of these corporate governance documents is available free of charge on the Company's Web site at www.dillards.com and are available in print to any shareholder who requests copies by contacting Julie J. Bull, Director of Investor Relations, at 1600 Cantrell Road, Little Rock, AR 72201

Report of the Stock Option and Executive Compensation Committee

The following report addressing the Company's compensation policies for executive officers for fiscal 2004 is submitted by the Stock Option and Executive Compensation Committee (the "Compensation Committee") of the Board of Directors.

General

The Compensation Committee, which is composed of directors who are independent as defined under the listing standards of the New York Stock Exchange, establishes policies relating to the compensation of certain employees and oversees the administration of the Company's employee benefit plans. The compensation program of the Company has been designed (1) to provide compensation opportunities that are equivalent to those offered by comparable companies, thereby allowing the Company to compete for and retain talented executives who are critical to the Company's long-term success, (2) to motivate key senior officers by rewarding them for attainment of profitability of the Company, and (3) to align the interests of executives with the long-term interests of stockholders by awarding stock options to executives as part of the compensation provided to them.

In order to develop a competitive compensation package for the executive officers of the Company, the Compensation Committee compares the Company's compensation package with those of a comparison group.

10

The comparison group is composed of department stores, specialty stores and other public companies that were family-founded and continue to be family-managed. Not all of the companies in the comparison group are included in the Standard & Poor's Supercomposite Department Stores Index. The Compensation Committee believes that the companies in the comparison group are comparable to the Company in management style and management culture. Although the Compensation Committee has made these comparisons, it also has taken into account that as the Company has grown in size, the number of senior executives has not grown proportionately, so that the number of senior executives retained by the Company is lower than the number of senior executives at other companies of similar size.

The Company's compensation program for fiscal 2004 consisted primarily of salary, annual cash performance bonus based on the profitability of the Company, and long-term incentive opportunities in the form of stock options. The compensation program is focused both on short-term and long-term performance of the Company, rewarding executives for both achievement of profitability and growth in stockholder value. The Company's executive officers are also eligible to participate in (1) the Company's Retirement Plan, a defined contribution plan whereby they can make a five percent contribution to the plan which will be 100% matched by the Company, with the contributions being used to purchase Company stock, (2) the Company's Stock Purchase Plan to which participants may make contributions only to the extent that they were prevented from contributing to the Retirement Plan because of the nondiscrimination rules and dollar limitations of the Internal Revenue Code, with the contributions being used to purchase Company stock and (3) the Company's Stock Bonus Plan which provides a stock award equal to 6% of the participant's total compensation (salary and bonus) in excess of \$15,000 (less applicable withholding) divided by the current fair market value per share on the date that the stock bonus is granted.

Salary Each year the Compensation Committee establishes the salary for all executive officers. Such salaries are set at the discretion of the Compensation Committee and are not specifically related to any company performance criteria, as are both the cash performance bonus and stock option portions of the compensation program, which are discussed below. The Compensation Committee does, however, base any increase in salary on targets based on a regression analysis of salaries paid versus total revenues for the comparison group. For fiscal 2004, the salaries set by the Compensation Committee were below the target salaries produced by this analysis.

Cash Performance Bonus Cash performance bonuses may be paid annually to senior management. For bonuses to be paid, however, the Company must have income before federal and state income taxes (pre-tax income) for the fiscal year. The Compensation Committee, within ninety (90) days after the start of a fiscal year, designates those individuals in senior management eligible to receive a cash performance bonus. Bonuses are paid at the conclusion of a fiscal year from a bonus pool, which is equal to one and one-half percent (1-1/2%) of the Company's pre-tax income plus three and one-half (3-1/2%) of the increase in pre-tax income over the prior fiscal year. When the Compensation

Committee designates the individuals eligible to participate in the cash performance bonus program, it also designates the percent of the bonus pool each individual will be entitled to receive. The Compensation Committee retains at all times the authority to adjust downward the amount of bonus any individual may receive pursuant to the above-described formula. For fiscal 2004, the Company experienced a pre-tax income of \$184,551,000 and an increase in pre-tax income of \$168,557,000.

The Compensation Committee decided to adjust downward by approximately \$2,568,000 the amount of bonus, which the named executive officers would receive for 2004.

Stock Options Stock option grants under the Company's 2000 Incentive and Non-Qualified Stock Option Plan are utilized by the Company for long-term incentive compensation for executive officers. These stock option grants relate their compensation directly to the performance of the Company's stock. The exercise price for the options granted is one hundred percent (100%) of the fair market value of the shares underlying such options on the date of grant and have value to the executive officers only if the Company's stock price increases. When making option grants, the Compensation Committee does not consider the number of options already held by an executive officer. The Compensation Committee did not grant any options during 2004.

11

As discussed in previous Compensation Committee Reports, the Omnibus Budget Reconciliation Act of 1993 prevents public corporations from deducting as a business expense that portion of compensation exceeding \$1 million paid to a named executive officer in the Summary Compensation Table. This deduction limit does not apply to performance-based compensation. The Compensation Committee believes that the necessary steps have been taken to qualify as performance-based compensation the compensation paid under the cash performance bonus and stock option portions of the Company's compensation program.

Chief Executive Officer

In setting the Chief Executive Officer's compensation, the Compensation Committee makes the same determination with regard to salary, cash performance bonus and stock options as discussed above for the other named executive officers. For fiscal 2004, the Compensation Committee did not increase the Chief Executive Officer's salary over the prior fiscal year. This resulted in a salary lower than the target salary produced by the regression analysis discussed above.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors. Each of the members of the Audit Committee qualifies as an independent director under the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange listing standards relating to audit committees. The Board of Directors has determined that Peter R. Johnson is an audit committee financial expert and is independent of management as defined by rules of the Securities and Exchange Commission. The designation as an audit committee financial expert does not impose any duties, obligations or liabilities that are greater than the duties, obligations and liabilities imposed by being a member of the audit committee or board of directors. The Audit Committee held eight meetings during the year.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended January 29, 2005 with management and the independent auditors, Deloitte & Touche LLP. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The discussions with Deloitte & Touche LLP included the matters required by Statement on Auditing Standards No. 61 (Communications with Audit Committees) and Deloitte & Touche LLP's independence. Deloitte & Touche LLP provided to the Audit Committee the written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee also considered whether the provision of non-audit services by Deloitte & Touche LLP is compatible with maintaining the auditor's independence.

13

Based upon the reviews and discussions noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K to be filed with the Securities and Exchange Commission for the year ended January 29, 2005 and that Deloitte & Touche LLP be appointed independent auditors for the Company for 2005.

In the event that the stockholders fail to ratify the appointment, the Audit Committee will consider the view of the stockholders in determining its selection of the Company's independent public accountants for the subsequent fiscal year. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year if the Audit Committee feels that such a change would be in the best interests of the Company and the stockholders.

PROPOSAL 3. DILLARD S, INC. STOCK BONUS PLAN

In December 2004, the Board approved and adopted the Dillard s, Inc. Stock Bonus Plan (the Stock Bonus Plan) upon the approval and recommendation of the Compensation Committee. The Company has maintained a stockholder-approved stock bonus plan similar to the Stock Bonus Plan since 1991. The stockholders are being asked to ratify the adoption of the Stock Bonus Plan. The Stock Bonus Plan provides for the issuance of up to 600,000 shares of the Company s Class A Common Stock (subject to adjustment as provided in the Stock Bonus Plan for changes in the Company s capital structure). The purpose of the Stock Bonus Plan is to enable persons performing valuable services for the Company to acquire a proprietary interest in the Company through the ownership of its common stock. Management believes that such ownership provides such persons with a more direct stake in the future welfare of the Company and encourages them to remain in the service of the Company or its subsidiaries and that the Stock Bonus Plan will assist the Company in obtaining and retaining the services of such persons.

Terms of the Stock Bonus Plan

The following is a summary of certain provisions of the Stock Bonus Plan. The summary does not purport to be complete and is qualified in its entirety by reference to the provisions of the Stock Bonus Plan. A copy of the Dillard s, Inc. Stock Bonus Plan is attached hereto as Appendix A.

The Company is seeking stockholder approval of the Stock Bonus Plan to ensure compliance with New York Stock Exchange listing standards.

The Stock Bonus Plan will be administered by the Compensation Committee, or any successor committee to the Compensation Committee or such other committee as may be designated from time to time by the Board to administer the Stock Bonus Plan. The Compensation Committee will have the authority, in its discretion but subject to the provisions of the Stock Bonus Plan, to determine the amounts of payments to be made under the Stock Bonus Plan

and the participants to whom and the time or times at which payments shall be made. The Compensation Committee will make such rules and regulations and establish such procedures as it may deem appropriate for the administration of the Stock Bonus Plan. The Compensation Committee may designate employees of Dillard's to assist the Compensation Committee in the administration of the Stock Bonus Plan and may grant authority to such persons to execute agreements or other documents or to take other actions on behalf of the Compensation Committee. In the event of a disagreement as to the interpretation of the Stock Bonus Plan or as to any right or obligation related to the Stock Bonus Plan, the decision of the Compensation Committee shall be final and binding. No member of the Compensation Committee shall be liable for any action or determination made in good faith with respect to the Stock Bonus Plan or any benefit granted under it.

For each calendar year (a Plan Year) the Company will grant to each eligible employee, who has been selected by the Compensation Committee for participation in the plan, that number of shares of Class A Common Stock equal to 6% of such employee's total compensation (base salary and bonus) in excess of \$15,000 (less applicable withholding) divided by the current fair market value of the Shares on the date the bonus is granted.

Employees of the Company eligible to participate in the Stock Bonus Plan for any Plan Year are those employees who:

- o are eligible participants in the Dillard's, Inc. Investment & Employee Stock Ownership Plan for Full Time Employees (the "ESOP") during such year,
- o qualify as Highly Compensated Employees (Highly Compensated Employees) as defined in Section 414(q) of the Internal Revenue Code of 1986 (the Code)during such year; and
- o are employed by the Company on the last Friday of the Company's fiscal year in which the ends.

16

However, any Company employee who is participating in a plan providing deferred or incentive compensation or benefits which the Compensation Committee, in its discretion, determines to be a substitute for the Stock Bonus Plan will not be eligible to participate in the Stock Bonus Plan.

A Company employee eligible to participate in the Stock Bonus Plan will lose his eligibility immediately upon the occurrence of any of the following:

- o The termination for any reason from the active employment from the Company.
- o Death of the employee.
- o The filing with or levying upon the Company of any judgment, attachment, garnishment, or other court order affecting either the employee's earnings or the payment of his compensation provided under the Stock Bonus Plan.
- o The employee commits an act which, in the opinion of the Compensation Committee, constitutes fraud, deceit, embezzlement or the commission of any criminal act.
- o The employee shall enter into a business or employment which the Compensation Committee determines to be (i) detrimentally competitive with the business of the Company, or (i) substantially injurious to the Company's financial interest.

As of January 29, 2005, approximately 290 employees were eligible to participate in the Stock Bonus Plan.

Shares granted under the Stock Bonus Plan may be newly issued shares, shares held in treasury by the Company, or shares purchased in open market or other transactions. The Company will pay any brokerage commissions for share purchases made under the Stock Bonus Plan. All other broker commissions and charges in connection with sales, dividend reinvestments, or in connection with purchases not made with the payments provided by the Stock Bonus Plan will be payable by the employee who orders the transactions for his or her account

The Company expects to continue the Stock Bonus Plan indefinitely. However, the Company has the right at any time to terminate the Stock Bonus Plan in whole or in part by suspending or discontinuing contributions thereunder, or to terminate the Stock Bonus Plan, and the duration of the Stock Bonus Plan is also limited by the number of shares available for issuance thereunder.

Tax Consequences

Payments including payments in the form of shares of Company stock, made to an eligible employee as described above are taxable to the employee when made by the Company and shall be reported to him as wages. The Company will be entitled to a deduction (provided applicable withholding or reporting requirements are met) for Federal income tax purposes at the same time and in the same amount as the employee is required to recognize income. Upon a subsequent sale or taxable exchange of the shares acquired as a result of stock bonuses, an employee will realize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the amount of income recognized on the payment of the stock bonus (his tax basis). The foregoing is only a brief summary of the applicable federal income tax laws and should not be relied upon as being a complete statement. The federal tax laws are complex, and they are subject to legislative changes and new or revised judicial or administrative interpretations. In addition to the federal income tax consequences described herein, the grant of awards under the Stock Bonus Plan may also have state and local tax consequences.

17

Vote Required

The Stock Bonus Plan will not become effective, and no stock awards will be made for the 2004 Plan Year, unless the shareholders ratify the adoption of the plan at the annual meeting. The affirmative vote of shares holding a majority of the votes represented at the meeting is required to ratify the adoption of the Stock Bonus Plan.

PROPOSAL 4. DILLARD'S, INC. STOCK PURCHASE PLAN

In December 2004, the Board approved and adopted the Dillard's, Inc. Stock Purchase Plan (the "Stock Purchase Plan") upon the approval and recommendation of the Compensation Committee. The Company has maintained a stockholder-approved stock purchase plan similar to the Stock Purchase Plan since 1991. The stockholders are being asked to ratify the adoption of the Stock Purchase Plan. The Stock Purchase Plan provides for up to 1,000,000 shares of Company Class A Common Stock to be purchased pursuant to the plan (subject to adjustment as described in the Stock Purchase Plan for changes in the Company's capital stock).

The Company's ESOP permits eligible employees to contribute up to 20% of their compensation (the "Salary Contribution") to the ESOP and provides that the Company will make a matching contribution of 100% of the Salary Contribution up to 5% of the employee's compensation ("Matching Contribution"). As a result of limitations under the Code, Highly Compensated Employees may be limited under the ESOP to a Salary Contribution of less than 20% of their compensation and a Matching Contribution of less than 5% of their compensation. The Stock Purchase Plan is designed to allow these Highly Compensated Employees to contribute that portion of their Salary Contribution and Matching Contribution that may not be permitted to be allocated under the ESOP as a result of the limitations under the Code, to an excess benefit plan, as defined in SEC Rule 16b-3(b)(2) promulgated under the Securities Exchange Act.

Terms of the Stock Purchase Plan

The following is a summary of certain provisions of the Stock Purchase Plan. The summary does not purport to be complete and is qualified in its entirety by reference to the provisions of the Stock Purchase Plan. A copy of the Dillard's, Inc. Stock Purchase Plan is attached hereto as Appendix B.

The Company is seeking stockholder approval of the Stock Purchase Plan to ensure compliance with the New York Stock Exchange listing requirements.

The Stock Purchase Plan will be administered by the Compensation Committee, or any successor committee to the Compensation Committee or such other committee as may be designated from time to time by the Board to

administer the Stock Purchase Plan. The Compensation Committee will have the authority, in its discretion but subject to the provisions of the Stock Purchase Plan, to determine the terms of all contributions and transactions under the Stock Purchase Plan, including, without limitation, the amounts of all contributions to be made under the Stock Purchase Plan and the participants to whom and the time or times at which contributions shall be made. The Compensation Committee will make such rules and regulations and establish such procedures as it may deem appropriate for the administration of the Stock Purchase Plan. The Compensation Committee may designate employees of Dillard's to assist the Compensation Committee in the administration of the Stock Purchase Plan and may grant authority to such persons to execute agreements or other documents or to take other actions on behalf of the Compensation Committee. In the event of a disagreement as to the interpretation of the Stock Purchase Plan or as to any right or obligation related to the Stock Purchase Plan, the decision of the Compensation Committee shall be final and binding. No member of the Compensation Committee shall be liable for any action or determination made in good faith with respect to the Stock Purchase Plan or any benefit granted under it.

Contribution amounts elected by each eligible employee will be deducted from the employee's payroll and allocated to the ESOP, and the Company will contribute to the ESOP an estimated portion of such deductions that are not limited by the Code and applicable Matching Contributions. The exact deduction shall be contributed as an employee contribution to the Plan.

In addition, prior to or soon after the end of each calendar year, the Company will determine the actual amount of each Highly Compensated Employee's Salary Contribution and Matching Contribution to the ESOP which may be retained in the ESOP pursuant to the limitations imposed under the Code. The amount of the Salary

19

Contribution, Matching Contribution and income earned thereon, as computed under the Code, which cannot be retained in the ESOP or must be forfeited under the terms of the ESOP, will be remitted to a brokerage company, which will maintain an account for each employee participating in the Stock Purchase Plan, as an after-tax contribution to the Stock Purchase Plan and a Matching Contribution. If the brokerage company receives cash contributions, it will purchase shares of the Company's Class A Common Stock over a period of several days for as many shares as the funds will allow and the employee's cost per share will be the average of the overall cost. The number of shares purchased will depend upon the market price of the Company's Class A Common Stock at the time such purchases are made. There will be no holding period for the Class A Common Stock acquired pursuant to the Stock Purchase Plan and an employee may take delivery of the shares or direct that the brokerage company sell shares and distribute the proceeds thereof at any time.

Shares purchased under the Stock Purchase Plan may be newly issued shares, shares held in treasury by the Company, or shares purchased in open market or other transactions. The Company will pay any broker commissions on purchases made for the account of employees as a result of contributions under the Stock Purchase Plan. The Company will also pay any fees or other charges of the broker or other company who administers the Stock Purchase Plan. Broker's commissions and other charges in connection with sales, dividend reinvestments, or in connection with purchases not made by employee payroll deductions and Company contributions will be payable by the employee who orders the transactions for his or her account.

Employees of the Company who are eligible participants in the Company's ESOP and qualify as Highly Compensated Employees will be eligible to participate in the Stock Purchase Plan. However, any Company employee who is participating in a plan providing deferred or incentive compensation or benefits which the Compensation Committee, in its discretion, determines to be a substitute for the Stock Purchase Plan will not be eligible to participate in the Stock Purchase Plan.

An employee will be no longer eligible to participate in the Stock Purchase Plan immediately upon the occurrence of any of the following:

Edgar Filing: DILLARDS INC - Form DEF 14A

- o The termination for any reason of the employee.
- o Death of the employee.
- o The filing with or levying upon the Company of any judgment, attachment, garnishment or other court order affecting either the employee's earnings or his or her account under the Stock Purchase Plan.
- o The employee commits an act which, in the opinion of the Compensation Committee, constitutes fraud, deceit, embezzlement or the commission of any criminal act.
- o The employee enters into a business or employment which the Compensation Committee determines to be (i) detrimentally competitive with the business of the Company, substantially injurious to the Company's financial interest.

As of January 29, 2005, approximately 290 employees were eligible to participate in the Stock Purchase Plan.

The Company expects to continue the Stock Purchase Plan indefinitely. However, the Company has the right at any time to terminate the Stock Purchase Plan in whole or in part by suspending or discontinuing contributions hereunder, or to terminate the Stock Purchase Plan, and the duration of the Stock Purchase Plan is also limited by the number of shares available for issuance thereunder.

Tax Consequences

The employee's contributions to the Stock Purchase Plan and the Company's Matching Contributions made to the Stock Purchase Plan are taxable to the employee and shall be reported to him as wages. The Company shall be entitled to a deduction (provided applicable withholding or reporting requirements are met) for Federal

20

income tax purposes at the same time and in the same amount as the employee is required to recognize income. Upon a subsequent sale or taxable exchange of the shares acquired as a result of stock purchase plan purchases, an employee will realize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the amount of income recognized on the payment of the stock purchase plan purchase (his tax basis). The foregoing is only a brief summary of the applicable federal income tax laws and should not be relied upon as being a complete statement. The federal tax laws are complex, and they are subject to legislative changes and new or revised judicial or administrative interpretations. In addition to the federal income tax consequences described herein, the grant of awards under the Stock Purchase Plan may also have state and local tax consequences.

Vote Required

The Stock Purchase Plan will not become effective unless the shareholders ratify the adoption of the plan at the annual meeting. The affirmative vote of shares holding a majority of the votes represented at the meeting is required to ratify the adoption of the Stock Purchase Plan.

PROPOSAL 5. DILLARD'S, INC. 2005 NON-EMPLOYEE DIRECTOR RESTRICTED STOCK PLAN

In April 2005, the Compensation Committee approved and adopted the Dillard's, Inc. 2005 Non-Employee Director Restricted Stock Plan (the "Non-Employee Director Plan"). The stockholders are being asked to ratify the adoption of the Non-Employee Director Plan. The Non-Employee Director Plan provides for up to 200,000 shares of Company Class A Common Stock to be awarded pursuant to the Non-Employee Director Plan (subject to adjustment as described in the Non-Employee Director Plan for changes in the Company's capital stock). The Non-Employee Director Plan is intended to attract, retain and motivate non-employee directors of the Company by providing them with a proprietary interest in the growth and performance of the Company and to encourage them to increase their stock ownership in the Company. If the Non-Employee Director Plan is not approved, the Company will not implement the Non-Employee Director Plan and no awards will be issued thereunder. The Company is seeking stockholder approval of the Non-Employee Director Plan to ensure compliance with the New York Stock Exchange listing requirements.

The following is a summary of certain provisions of the Non-Employee Director Plan. The summary does not purport to be complete and is qualified in its entirety by reference to the provisions of the Non-Employee Director Plan, a copy of which is attached hereto as Appendix C.

Terms of the Non-Employee Stock Plan

The Non-Employee Director Plan will be administered by the Compensation Committee, or any successor committee to the Compensation Committee or such other committee as may be designated from time to time by the Board to administer the Non-Employee Director Plan. The Compensation Committee will have the authority, in its discretion but subject to the provisions of the Non-Employee Director Plan, to determine the terms of all awards granted under the Non-Employee Director Plan. The Compensation Committee will make such rules and regulations and establish such procedures as it may deem appropriate for the administration of the Non-Employee Director Plan. The Compensation Committee may designate employees of Dillard's to assist the Compensation Committee in the administration of the Non-Employee Director Plan and may grant authority to such persons to execute agreements or other documents or to take other actions on behalf of the Compensation Committee. In the event of a disagreement as to the interpretation of the Non-Employee Director Plan or as to any right or obligation related to the Non-Employee Director Plan, the decision of the Compensation Committee shall be final and binding. No member of the Compensation Committee shall be liable for any action or determination made in good faith with respect to the Non-Employee Director Plan or any benefit granted under it.

The amount of awards to be issued under the Non-Employee Director Plan may vary from year to year and by participant to participant in the Compensation Committee's sole discretion, except that in no event will the Compensation Committee be permitted to award an amount of Class A Common Stock in excess of the maximum number of shares available for grant under the Non-Employee Director Plan or to award an amount of Class A Common Stock to any single participant in a fiscal year in excess of 5,000 shares without the approval of the Board of Directors.

All non-employee directors of the Company will be eligible to participate in the plan. Of the 12 nominees for election to the Board of Directors at the annual meeting, seven are non-employee directors.

Subject to the restrictions on transfer and forfeiture under the Non-Employee Director Plan, a participant will have the same rights as other stockholders with respect to the shares underlying the award from the date of grant, including voting rights and the rights to receive dividends and other distributions. Each award under the plan will be made pursuant to a written restricted stock award agreement that will contain provisions regarding (1) the number of shares subject to such award or a formula for determining such number, (2) the restricted period in which awards may be forfeited, (3) the restrictions on the transferability of the award, and (4) such further terms and conditions, in each case not inconsistent with the plan, as may be determined from time to time by the Compensation Committee.

23

Upon an director's termination of service on the Board of Directors as a result of retirement, death or disability, all unvested awards will become immediately vested. Retirement for the purposes of the foregoing provision means ceasing to be a member of the Board of Directors as a result of a determination by the Board of Directors that such person is no longer eligible to stand for election in accordance with the corporate governance guidelines of Dillard's that may be in effect from time to time. Upon a director's termination of service on the Board of Directors for any other reason, all unvested awards will be forfeited. The Compensation Committee may accelerate the vesting for any or all unvested awards for any director if the committee determines that the circumstances in a particular case so warrant.

If an award is forfeited, the shares subject to the award will not be considered to be issued and will not count against the maximum number of shares available under the plan. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, share combination or other changes in the corporate structure of the Company that affect the shares of Class A Common Stock, the Compensation Committee may make such adjustments to the number of maximum number of shares available for grant under the plan or that are subject to any award, the kind of capital stock to be issued under the plan, or both, as it determines, in its sole discretion, to be

appropriate to prevent dilution or enlargement of rights under the plan.

The Non-Employee Director Plan will automatically terminate 10 years from May 21, 2005. However, the Board of Directors may terminate the plan earlier at any time in its sole discretion.

Amendment of the Plan

The Board of Directors may amend the Non-Employee Director Plan in any award outstanding under the plan, except that shareholder approval will be required for any amendment to increase the number of shares issuable under the plan (other than in connection with a stock split or similar event) or that would be a material revision under New York Stock Exchange rules.

U.S. Federal Income Tax Consequences

Unless a special election is made by the recipient of an award under the Non-Employee Director Plan, no income will be recognized by the recipient at the time of grant so long as the interest in the restricted shares is subject to a substantial risk of forfeiture within the meaning of Section 83 of the Code. When the substantial risk of forfeiture terminates with respect to the award, the then fair market value of the Class A Common Stock will constitute ordinary income to the recipient. Subject to the applicable provisions of the Code, at the time the awards are included in the recipient's taxable income, the Company will be entitled to a corresponding deduction for federal income tax purposes.

The foregoing discussion is not a complete description of the income tax aspects of awards granted under the Non-Employee Director Plan. In addition, administrative and judicial interpretations of the application of the tax laws are subject to change.

Vote Required

The affirmative vote of shares holding a majority of the votes represented at the meeting is required to ratify the adoption of the Non-Employee Director Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING "FOR" THE PROPOSAL.

BENEFITS TO NAMED EXECUTIVE OFFICERS AND OTHERS Dillard's, Inc. 2005 Non-Employee Director Restricted Stock Plan

Awards to be received under the Non-Employee Director Plan are not determinable because the Compensation Committee determines the number of shares awarded under the Non-Employee Director Plan in its sole discretion at the time of grant. As a result, the benefits that might be received are not determinable. For similar reasons, the Company cannot determine the awards that would have been granted during the 2004 fiscal year under the

Non-Employee Director Plan if it had been in place during that year.

PROPOSAL 6. STOCKHOLDER PROPOSAL CONCERNING GLOBAL HUMAN RIGHTS STANDARDS

The Office of the Comptroller of New York City, 1 Centre Street, New York, NY 10007, custodian and trustee for the owners of 242,386 shares of Class A Common Stock, Christian Brothers Investment Services, Inc., 90 Park Avenue, 29th Floor, New York, NY 10016, owner of 42,600 shares of Class A Common Stock, Amalgamated Bank LongView Collective Investment Fund, 15 Union Square, New York, NY 10003, owner of 33,440 shares of Class A Common Stock, The Marianist Province of the United States, 144 Beach 111th Street, Rockaway Park, New York 11694, owner of 2,800 shares of Class A Common Stock and The Sisters of the Holy Names of Jesus and Mary, Post Office Box 907, Los Gatos, California 95031-0907, owner of 3,200 shares of Class A Common Stock have indicated that they intend to propose the following resolution for action at the meeting:

"Whereas, Dillard's, Inc. currently has extensive overseas operations, and

Whereas, reports of human rights abuses in the overseas subsidiaries and suppliers of U.S.-based corporations has led to an increased public awareness of the problems of child labor, sweatshop conditions, and the denial of labor rights in U.S. corporate overseas operations, and

Whereas, corporate violations of human rights in these overseas operations can lead to negative publicity, public protests, and a loss of consumer confidence which can have a negative impact on shareholder value, and

Whereas, a number of corporations have implemented independent monitoring programs with respected human rights and religious organizations to strengthen compliance with international human rights norms in subsidiary and supplier factories, and

Whereas, many of these programs incorporate the conventions of the International Labor Organization (ILO) on workplace human rights, and the United Nations Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights (UN Norms), which include the following principles:

- 1) All workers have the right to form and join trade unions and to Bargain collectively. (ILO Conventions 87 and 98; UN Norms, section D9).
- 2) Workers representatives shall not be the subject of discrimination and shall have access to all workplaces necessary to enable them to carry out their representation functions. (ILO Convention 135; UN Norms, section D9).
- 3) There shall be no discrimination or intimidation in employment. Equality of opportunity and treatment shall be provided regardless of race, color, sex, religion, political opinion, age, nationality, social origin or other distinguishing characteristics. (ILO Conventions 100 and 111; UN Norms, section B2).
- 4) Employment shall be freely chosen. There shall be no use of force, including bonded or prison labor. (ILO Conventions 29 and 105; UN Norms, section D5).
- 5) There shall be no use of child labor. (ILO Convention 138; UN Norms, section D6), and,

Whereas, independent monitoring of corporate adherence to these internationally recognized principles is essential if consumer and investor confidence in our company's commitment to human rights is to be maintained,

Therefore, be it resolved that the shareholders request that the company commit itself to the implementation of a code of conduct based on the aforementioned ILO human rights standards and United Nations' Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights, by its international suppliers and in its own international production facilities, and commit to a program of outside, independent monitoring of compliance with these standards.

26

**THE BOARD OF DIRECTORS FAVORS A VOTE "AGAINST" THE ADOPTION
OF
THIS PROPOSAL FOR THE FOLLOWING REASONS:**

The Company recognizes the importance, as both an ethical and a business responsibility, of obtaining assurances that the products it sells are manufactured in accordance with all applicable laws and that the rights and welfare of workers around the world are respected.

The Company has always been committed to the highest ethical conduct and strict compliance with the law in all its business dealings, including its relationships with its many suppliers. The Company is deeply concerned about the issues raised in the Proposal and believes it has already adequately addressed such issues as described below.

Products sold at the Company's stores are supplied by independent suppliers who also supply other retail stores and chains. To a much lesser degree, the Company is also supplied by sources contracted by buying agents for the Company. The Company does not engage directly in manufacturing.

The Company has previously addressed the concerns raised in the Proposal by implementation of the following policies and procedures:

The Company has developed a formal business policy (the "Policy") which focuses on the workplace conditions of, and legal compliance by, foreign vendors. The Policy was distributed to all of the Company's foreign vendors to restate and reemphasize the Company's longstanding philosophy that no merchandise purchased by the Company will be manufactured with the use of illegal labor conditions. In addition, under the Policy the Company reserves the right not to contract with and to break contracts with vendors who violate basic human rights.

In furtherance of the Policy, the Company's agreements with foreign buying agents (including a buying office) include prohibitions against illegal child labor and other forms of illegal employment, manufacturing, shipping, customs and environmental practices. Under the contract, a buying agent must use its best efforts to ensure that each vendor is in full compliance with any current, or later adopted, law of either the country of manufacture or the United States governing the use of child labor, prison labor, and/or governing the importation into the United States of merchandise produced with child labor as well as any other similar human rights statute, regulation or law. Buying agents must also follow policies and procedures which the Company implements to ensure that all such statutes, laws or regulations are followed. If a buying agent discovers a violation of such prohibitions, the buying agent must immediately notify the Company of such violation(s) or evidence of violation(s), so that appropriate action can be taken to rectify such violation(s). Under these agreements, among other measures, buying agents are required to periodically inspect factories to ensure compliance with these standards. Additionally, Company employees personally inspect selected factories to verify compliance.

The Company's philosophy also appears in the Company's Purchase Order Terms, Conditions & Instructions, which is the Company's standard form of purchase order and which is applicable to all transactions between the Company and all of its suppliers. The document explicitly requires each supplier to warrant and represent that its merchandise is manufactured in compliance with any current, or later adopted, law of either the country of manufacture or the United States governing the use of child labor, prison labor, and/or governing the importation into the United States of merchandise produced with child labor as well as any other similar human rights statute, regulation or law.

The Company has previously issued a press release announcing its business policy, which policy contains prohibitions against workplace abuse and also contains the steps taken by the Company to implement the policy. Furthermore, the Company has furnished a copy of that policy to interested shareholders, and will continue to so provide copies of that policy.

27

The Company continues to monitor and review its Policy to ensure that the principles set forth above are appropriately implemented and to address new concerns or issues that arise by our participation in a global marketplace whose standards continue to evolve.

The Company believes that it has already addressed the concerns raised in the Proposal without further expenditure of valuable time and funds. As the above reflects, the Company is committed to assuring that its suppliers treat their employees properly.

**FOR THE ABOVE REASONS, THE BOARD UNANIMOUSLY RECOMMENDS
VOTING "AGAINST" THE PROPOSAL.**

The Company will remit the excess Salary Deduction Contributions, Matching Contribution income thereon allocable to the Stock Purchase Plan pursuant to Paragraph 3(b) to the Broker in the form of cash, Shares of an equivalent value or both as soon as reasonably practicable after withdrawal from the ESOP.

5. Shares Allocated to Plan.

If the Broker receives cash contributions, the Broker will purchase Common Stock over a period of several days for as many Shares as the funds will allow and the Employee's cost per Share will be the average of the overall cost. The number of shares purchased will depend upon the market price of the Common Stock at the time such purchases are made. A separate account for each participating Employee shall be credited with the number of Shares, including fractional Shares, to which such Employee shall be entitled on the basis of his proportion, including the Company's contribution hereunder, of the aggregate funds and Shares delivered to Broker. No actual stock certificate for the Shares each Employee owns shall be issued, unless requested. However, each quarter the Employee shall receive a statement from the Broker showing the number of Shares (fractional or otherwise), received, purchased or sold, the price, and the total number of Shares in the Employee's account as of that date. Any dividends received on the Common Stock held in an Employee's account shall be automatically reinvested, unless otherwise designated by the Employee. There shall be no holding period for the Shares acquired pursuant to this Plan, and an Employee may take delivery of the Shares or direct that the Broker sell Shares and distribute the proceeds thereof, at any time.

6. Discontinuance of Eligibility.

- a. An Employee shall be no longer eligible to participate in the Plan and no further Stock Purchase Employee Contributions shall be deducted immediately upon the occurrence of any of the following:
 - (1) The termination for any reason from the active employment of the Employee from the Employer, except a Stock Purchase Employee Contribution shall be deducted from the Employee's final payroll for active employment.
 - (2) Death of the Employee, except a Stock Purchase Employee Contribution shall be deducted from the Employee's final payroll for active employment.
 - (3) The filing with or levying upon the Company or the Employer of any judgment, attachment, garnishment, or other court order affecting either the Employee's earnings or his account under this Plan.
 - (4) The Employee commits an act which, in the opinion of the Committee, constitutes fraud, deceit, embezzlement or the commission of any criminal act.

B-3

- (5) The Employee shall enter into a business or employment which the Committee determines to be (i) detrimentally competitive with the business of the Company, or (ii) substantially injurious to the Company's financial interest.

7. Expenses.

The Company will pay the Broker for commissions, if any, on purchases made for the Employee's account as a result of the Company's and the Employee's contributions. The Company will also pay the Broker for any fees charged by the Broker for administration of the Plan. Broker's commissions and other charges in connection with sales, dividend reinvestments, or in connection with purchases not made by the Employee's payroll deduction and the Company contribution will be payable by the Employee who orders the transactions for his or her account.

8. Authority of Committee.

- a. The Plan shall be administered by the Committee. A majority vote of the Committee at a meeting at which a quorum is present, or acts reduced to or approved in writing by a majority of the members of the Committee, shall be the valid acts of the Committee for the purposes of the Plan.
- b. The Committee shall have plenary authority in its discretion, but subject to the express provisions of the Plan, to determine the terms of all contributions and transactions under the Plan; without limitation, the amounts of all contributions to be made under the Plan; the time or times at which contributions shall be made; to interpret the Plan; and to make all determinations deemed advisable for the administration of the Plan. All determinations shall be made by not less than a majority of its members. The Committee may designate one or more persons to assist the Committee in the administration of the Plan and may grant authority to such persons to execute agreements or other documents or to take other actions on behalf of the Committee.
- c. The Committee may make such rules and regulations and establish such procedures as may be appropriate for the administration of the Plan.
- d. In the event of a disagreement as to the interpretation of the Plan or any amendment, rule, regulation or procedure thereunder or as to any right or obligation arising from the Plan, the decision of the Committee shall be final and binding. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any benefit granted under it.

9. Plan Amendment.

The Board may amend any or all provisions of this Plan at any time by written instrument identified as an amendment of the Plan effective as of a specified date. The Committee may amend the Plan as deemed appropriate to facilitate effective and efficient administration of the Plan, provided that no amendment adopted by the Committee shall become effective which has the effect of materially increasing Company contributions or which creates a significant risk of liability for the Company.

B-4

10. Plan Termination.

The Company expects to continue the Plan indefinitely. However, the Company shall have the right at any time to terminate the Plan in whole or in part by suspending or discontinuing contributions hereunder, or to terminate the Plan.

11. Plan Not a Contract of Employment.

The adoption and maintenance of the Plan shall not be deemed to constitute or modify a contract between any Employer and any Employee or to be a consideration or inducement for or condition of the performance of service by any person. Nothing herein contained shall be deemed to give to any Employee the right to continue in any service of any Employer or to interfere with any right of any Employer to discharge any Employee at any time, nor to give any Employer the right to require an Employee to remain in its service or to interfere with the Employee's right to terminate his service at any time.

12. Taxation.

The Employee's and the Company's contribution to the Plan are taxable to the Employee, as compensation received, in the tax year in which the payroll deduction occurs for Employee contributions and in the tax year of the contribution for Company contributions, and shall be reported as wages on the Employee's W-2 statement.

13. Other Benefit Plans.

Nothing contained herein shall in any way limit an Employee's right to participate in or benefit from any current or deferred compensation plan for which he is currently eligible by reason of his employment.

14. Alienation of Benefits.

None of the payments provided for by this Plan shall be subject to seizure for payment of any debts or judgments against the Employee; nor shall the Employee have any right to transfer, modify, anticipate or encumber any rights or benefits hereunder.

15. Minors, Incompetents or Lost Persons.

In the event a payment is to be made to the account of a minor or a person declared to be incompetent, then the Committee may in its discretion make such payment to the legal guardian or, if none, to a parent of a minor with whom the minor maintains his residence. Such a payment to the legal guardian or parent of a minor shall fully discharge the Company and Committee from further liability or account thereof. In the event a benefit is payable under this Plan to a person who cannot be located, the Committee may declare that such payment is forfeited.

16. Headings and Captions.

Subject headings and captions are included for convenience purposes only and shall not affect the interpretation of the Plan.

17. Gender and Pronouns.

Throughout this Plan, the masculine shall include the feminine and neuter and the singular shall include the plural and vice versa as the context requires.

18. Severability.

If any portion of this Plan is held invalid, illegal or unenforceable, such determination shall not impair the enforceability of the remaining terms and provisions herein.

B-5

19. Governing Law.

This Plan shall be governed by the laws of the State of Arkansas. Notwithstanding anything in this Plan to the contrary, it is the intention of Company that this Plan constitute a Bonus Program within the meaning of ERISA Regulation Section 2510.3-2(c) and therefore is exempt from the requirements of the Employee Retirement Income Security Act of 1974, as amended, and the Committee and the Board are expressly authorized to make any amendment necessary to comply with this intent.

THIS PLAN IS HEREBY ADOPTED AND EXECUTED as of the date first above written.

ARTICLE III

ELIGIBILITY AND PARTICIPATION

Section 3.01. Eligibility. Awards under this Plan may only be made to a person who, at the time of grant of the Award, is a Non-Employee Director.

ARTICLE IV

COMPANY STOCK SUBJECT TO PLAN

Section 4.01. Maximum Number of Shares. The total number of Shares for which Awards may be granted under the Plan shall not exceed 200,000 Shares. The maximum number of Shares issued are subject to adjustment in accordance with Section 4.03. The Shares issued under the Plan may be authorized and unissued Shares or treasury Shares. The number of Shares available for issuance under the Plan shall not be reduced to reflect any dividends or dividend equivalents that are reinvested into additional Shares.

Section 4.02. Forfeited Shares. In the event Awards are forfeited to Dillard's in accordance with the terms of the Plan, the Shares so forfeited again shall be available for grant and issuance under the Plan.

Section 4.03. Recapitalization Adjustment. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, share combination or other changes in the corporate structure of Dillard's affecting the Shares, the Committee may make such adjustments to the number of Shares specified in Section 4.01 or in any Award, the kind of capital stock to be issued under the Plan, or both, as it determines, in its sole discretion, to be appropriate to prevent dilution or enlargement of rights under the Plan.

ARTICLE V

AWARDS

Section 5.01. Conditions to Grant. As a condition to the grant of Awards, Dillard's shall require the Participant to execute a Stock Award Agreement prior to issuing the Award.

Section 5.02. Amount of Awards. The amount of Awards to be issued under the Plan may vary from year to year and by Participant to Participant in the Committee's sole discretion. In no event, however, may Awards

C-2

be issued to any Participant if such issuance would (i) cause the total number of Restricted Shares awarded under the Plan to a single Participant to exceed 5,000 Shares in any fiscal year of Dillard's without being approved by the Board or (ii) cause the total number of Shares issued to all Participants to equal or exceed the maximum amount allowed in Section 4.01. The Committee shall have the right to grant new Awards in exchange for outstanding Awards.

Section 5.03. Restricted Shares.

- (a) Awards of Restricted Shares shall be subject to the terms and conditions set forth in the Stock Award Agreement.
- (b)

The Committee shall have discretion in determining the terms and conditions of each Award. Awards of Restricted Shares under Stock Award Agreements shall be subject to such restrictions as determined by the Committee.

- (c) The Committee shall establish any vesting schedule applicable to Restricted Shares and shall specify the periods of restriction, vesting and other requirements. Until the end of the period(s) of time specified in the vesting schedule, the Restricted Shares subject to such Award shall remain subject to forfeiture.
- (d) Notwithstanding any term, condition, restriction and/or limitation with respect to an Award granted under the Plan but subject to the restrictions on transfer and forfeiture in this Plan, a Participant who has been granted an Award shall be entitled to all of the rights of a shareholder with respect to the Restricted Shares underlying the Award from the date of grant, including voting rights and the rights to receive dividends and other distributions. All Shares or other securities paid on an Award shall be held by the Company and shall be subject to the same restrictions as the Award to which they relate.

Section 5.04. Vesting. Unless otherwise provided in the Stock Award Agreement, all unvested Awards shall become immediately vested upon the Participant's termination of service as a member of the Board prior to the expiration of the Restricted Period as a result of the Participant's Retirement, death or Disability. Upon a Participant's termination of service as a member of the Board for any other reason prior to the expiration of the Restricted Period, all unvested Awards shall be forfeited to Dillard's and be available for reissuance under the Plan. The Committee may accelerate the vesting for any or all of the unvested Awards for any Participant if the Committee determines that the circumstances in a particular case so warrant, and upon such a determination, all restrictions applicable to the Restricted Shares shall lapse.

Section 5.05. Issuance of Awards; Awards Held In Escrow. Unless and until the Awards have vested as set forth in the Plan and the related Stock Award Agreements, such Awards shall be issued in the name of the Participant and held by the Secretary of Dillard's (or its designee) as escrow agent, and shall not be sold, transferred, or otherwise disposed of, and shall not be pledged or otherwise hypothecated other than a transfer of vested Restricted Shares upon death by will, by descent and distribution or by designation of a beneficiary in accordance with Section 7.02. Dillard's may determine to issue the Awards in book entry form and/or may instruct the transfer agent for its common stock to place a legend on certificates representing the Restricted Shares or Performance-Based Restricted Shares or otherwise note its records as to the restrictions on the transfer as set forth in the Plan.

Section 5.06. Delivery of Certificates. As soon as practicable after complete vesting of the Awards granted to the Participant, the Secretary of Dillard's (or its designee), as escrow agent, shall cause to be delivered to the Participant or a broker designated by Dillard's for the purpose of receiving such Shares, a certificate or certificates representing those Shares free of all restrictions created under this Plan and the related Stock Award Agreements. Prior to such delivery, Dillard's may require the Participant to establish a brokerage account with the broker designated by Dillard's to receive the Shares and execute and deliver to Dillard's a written statement, in form satisfactory to Dillard's, in which the Participant represents that he or she is acquiring Shares for the Participant's own account, for investment only and not for resale or distribution of any such Shares.

C-3

ARTICLE VI

ADMINISTRATION

Section 6.01. Authority of the Committee.

- (a) The Plan shall be administered by the Committee. A majority vote of the Committee at which a quorum is present, or acts reduced to or approved in writing by a majority of the members of the Committee, shall be the valid acts of the Committee for the purposes of the Plan.
- (b) The Committee shall have plenary authority in its discretion, but subject to the express provisions of the Plan, to determine the terms of all Awards granted under the Plan, including, without limitation, the Participants to whom and the time or times at which Awards shall be granted; the vesting schedule for such Award grants; establishing performance-based criteria and determining if such criteria is achieved; to interpret the Plan; and to make all other determinations deemed advisable for the administration of the Plan. All determinations of the Committee shall be made by not less than a majority of its members. The Committee may designate Employees of Dillard s to assist the Committee in the administration of the Plan and may grant authority to such persons to execute agreements or other documents or to take other actions on behalf of the Committee.
- (c) The Committee may make such rules and regulations and establish such procedures as it deems appropriate for the administration of the Plan.
- (d) In the event of a disagreement as to the interpretation of the Plan or any amendment hereto or any rule, regulation or procedure thereunder or as to any right or obligation arising from or related to the Plan, the decision of the Committee shall be final and binding. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any benefit granted under it.

ARTICLE VII

MISCELLANEOUS

Section 7.01. No Rights as Director. Neither the Plan nor any Awards granted hereunder shall confer upon any Participant any right to be elected to or to remain as a member of the Board.

Section 7.02. Designation of Beneficiary. Each Participant from time to time may name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be issued or transferred in the event of the Participant s death (or who may exercise the Participant s rights hereunder, if any, that are exercisable following the death of the Participant). Each designation shall revoke all prior designations by the Participant, shall be in a form prescribed by the Committee and shall be effective only when filed by the Participant in writing with the Committee or its designee during the Participant s lifetime.

Section 7.03. Withholding. Dillard s shall have the right to withhold with respect to any payments or grants made to Participants under the Plan any taxes required by law to be withheld because of such payments or grants. With respect to any such withholding:

- (e) Each Participant shall take whatever action that the Committee deems appropriate to comply with the law regarding withholding of federal, state and local taxes.
- (f)

When a Participant is obligated to pay to Dillard s an amount required to be withheld under applicable income tax laws in connection with the Awards, the Committee may, in its discretion and subject to such rules as it may adopt, permit the Participant to satisfy this obligation, in whole or in part, by delivering to Dillard s already-owned shares to satisfy the withholding amount.

C-4

Section 7.04. Effective Date. The Plan is effective on April 15, 2005 (the Effective Date). No Shares may be issued unless the Plan is approved by a vote of the holders of a majority, or as otherwise provided in the certificate of incorporation, Bylaws of Dillard s or the listing standards of the New York Stock Exchange, of the outstanding shares of Dillard s common stock cast at a meeting of the stockholders of Dillard s at which a quorum is present held within 12 months following the Effective Date.

Section 7.05. Amendment. The Board may amend the Plan from time to time as it deems desirable or necessary by any applicable rules and regulations, and such amendments shall include the ability of the Board to amend the Plan and, with shareholder approval, to increase the number of Shares subject to the Plan. Any amendment to the Plan shall not apply to Awards granted to Participants that have vested prior to the effective date of the amendment unless it has been otherwise agreed to, in writing, by the Committee and the affected Participant.

Section 7.06. Termination of Plan. The Plan will automatically terminate 10 years from its Effective Date. Notwithstanding the foregoing, the Board may, in its discretion, terminate the Plan earlier at any time, but no such termination shall deprive Participants of their rights under Restricted Share grants existing prior to such termination.

Section 7.07. Successors. The Plan shall inure to the benefit of and shall be binding upon each successor of Dillard s by merger, consolidation or acquisition of all or substantially all of the assets. Anyone to whom a notice may be given under the Plan may designate a new address by written notice to the other party to that effect.

Section 7.09. Compliance with Laws and Requirements. No Shares shall be issued under the Plan unless the issuance and delivery of such shares comply with all applicable provisions of state and federal law, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, the rules and regulations promulgated thereunder and the requirements of any market system or stock exchange upon which the Shares may then be listed.
