**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

On January 7, 2013, Steve Quist and William Walker announced their retirement from the Data I/O Board of Directors effective January 31, 2013. Their decision was not the result of any disagreement with Data I/O or its management.

These retirements are part of a Board of Director succession and transition planning process which began in early 2012. We are in the final process of evaluating additional director candidates. We expect this process to be complete and any additional director appointments to be effective January 31, 2013. Our other current directors, Douglas Brown, Anthony Ambrose, Ken Myer and Brian Crowley, remain on the Data I/O Board of Directors.

Steve Quist joined the Data I/O Board in 2001, and has served as Chairman of the Compensation Committee. Bill Walker joined the Data I/O Board in 2003, and has served as the Chairman of the Audit Committee. They serve currently as members of the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee.
