ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that AMERCO has filed with the Securities and Exchange Commission, or the SEC, utilizing the “shelf” registration process for the offering and sale of securities pursuant to Rule 415 under the Securities Act of 1933, as amended, or the Securities Act. Under the shelf registration process, we may, over time, sell any combination of securities described in this prospectus.

This prospectus provides you with a general description of the securities that AMERCO may offer hereunder. Each time AMERCO sells a type or series of securities, it will provide a prospectus supplement that will contain specific information about the offering and the terms of the particular securities offered. The prospectus supplement may also add, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described under the headings “Where You Can Find More Information.”

In each prospectus supplement, we will include the following information:

- designation or classification;
- the aggregate principal amount or aggregate offering price of securities that we propose to sell;
- with respect to debt securities, the maturity;
- original issue discount, if any;
- the rates and times of payment of interest, dividends or other payments, if any;
- redemption, conversion, exchange, settlement or sinking fund terms, if any;
- ranking;

- restrictive covenants, if any;
- the names of any underwriters, agents or dealers to or through which the securities will be sold;
- any compensation of those underwriters, agents or dealers;
- information about any securities exchanges or automated quotation systems on which the securities will be listed or traded or the fact that such securities will not be listed or traded on any exchange;
- any risk factors applicable to the securities that we propose to sell;

- important federal income tax considerations; and
- any other material information about the offering and sale of the securities.

A prospectus supplement may include a discussion of risks or other special considerations applicable to us or the offered securities. A prospectus supplement may also add, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and the applicable prospectus supplement, you must rely on the information in the prospectus supplement. Please carefully read both this prospectus and the applicable prospectus supplement together with additional information described under the heading “Where You Can Find More Information.” This prospectus may not be used to offer or sell any securities unless accompanied by a prospectus supplement.

The registration statement containing this prospectus, including exhibits to the registration statement, provides additional information about us and the securities offered under this prospectus. The registration statement can be read at the SEC website or at the SEC’s public reading room mentioned under the heading “Where You Can Find More Information.”

We have not authorized any broker-dealer, salesperson or other person to give any information or to make any representation other than those contained or incorporated by reference in this prospectus and any accompanying supplement to this prospectus. You must not rely upon any information or representation not contained or incorporated by reference in this prospectus or the accompanying prospectus supplement. This prospectus and the accompanying supplement to this prospectus do not constitute an offer to sell or the solicitation of an offer to buy securities, nor do this prospectus and the accompanying supplement to this prospectus constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation. The information contained in this prospectus and the accompanying prospectus supplement speaks only as of the date set forth on the cover page and may not reflect subsequent changes in our business, financial condition, results of operations and prospects even though this prospectus and any accompanying prospectus supplement is delivered or securities are sold on a later date.

We may sell the securities directly to or through underwriters, dealers or agents. We, and our underwriters or agents, reserve the right to accept or reject all or part of any proposed purchase of securities. If we do offer securities through underwriters or agents, we will include in the applicable prospectus supplement:

- the names of those underwriters or agents;
- applicable fees, discounts and commissions to be paid to them;
- details regarding over-allotment options, if any; and
- the net proceeds to us.

Common Stock. We may issue shares of our common stock from time to time. Holders of our common stock are entitled to one vote per share for the election of directors and on all other

matters that require stockholder approval. Subject to any preferential rights of any outstanding preferred stock, in the event of our liquidation, dissolution or winding up, holders of our common stock are entitled to share ratably in the assets remaining after payment of liabilities and the liquidation preferences of any outstanding preferred stock. Our common stock does not carry any redemption rights or any preemptive rights enabling a holder to subscribe for, or receive shares of, any class of our common stock or any other securities convertible into shares of any class of our common stock.

Preferred Stock. We may issue shares of our preferred stock from time to time, in one or more series. Under our certificate of incorporation, our board of directors has the authority, without further action by stockholders, to designate up to 50,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges, qualifications and restrictions granted to or imposed upon the preferred stock, including dividend rights, conversion rights, voting rights, rights and terms of redemption, liquidation preference and sinking fund terms, any or all of which may be greater than the rights of the common stock.

If we issue preferred stock, we will fix the rights, preferences, privileges, qualifications and restrictions of the preferred stock of each series that we sell under this prospectus and applicable prospectus supplements in the certificate of designations relating to that series. If we issue preferred stock, we will incorporate by reference into the registration statement of which this prospectus is a part the form of any certificate of designations that describes the terms of the series of preferred stock we are offering before the issuance of the related series of preferred stock. We urge you to read the prospectus supplement related to any series of preferred stock we may offer, as well as the complete certificate of designations that contains the terms of the applicable series of preferred stock.

Debt Securities. We may issue debt securities from time to time, in one or more series, as either senior or subordinated debt. The senior debt securities will rank equally with any other unsubordinated debt that we may have and may be secured or unsecured. The subordinated debt securities will be subordinate and junior in right of payment, to the extent and in the manner described in the instrument governing the debt, to all or some portion of our indebtedness. Additionally, we may issue common and/or preferred stock from time to time. Any such issuance of equity securities may cause the dilution of our existing outstanding equity securities.

If we issue debt securities, they will be issued under one or more documents called indentures, which are contracts between us and a trustee for the holders of the debt securities. If we issue preferred stock, it will be issued pursuant to a certificate of designation of the rights and preferences of such securities, to the extent and in the manner described in such document. We urge you to read the prospectus supplement related to the series of debt securities or equity securities being offered, as the case may be, as well as the complete indenture that contains the terms of the debt securities (which will include a supplemental indenture) and the complete preferred stock certificate of designation, if any. If we issue debt securities, indentures and forms of debt securities containing the terms of debt securities being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we have filed or would subsequently file with the SEC. Similarly, if we issue preferred stock, the certificate of designation containing the terms of such preferred stock being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we would subsequently file with the SEC.

In this prospectus, when we use the terms “AMERCO,” the “Company,” “the combined company,” “we,” “us” or “our,” we mean AMERCO and its subsidiaries unless the context requires otherwise.

ABOUT AMERCO

We believe we are North America’s largest “do-it-yourself” moving and storage operator through our subsidiary U-Haul International, Inc. (“U-Haul”). U-Haul is synonymous with “do-it-yourself” moving and storage and is a leader in supplying products and services to help people move and store their household and commercial goods. Our primary focus is to provide our customers with a wide selection of moving rental equipment, convenient self-storage rental facilities and related moving and self-storage products and services.

We were founded in 1945 as a sole proprietorship under the name “U-Haul Trailer Rental Company” and have rented trailers ever since. Starting in 1959, we rented trucks on a one-way and in-town basis exclusively through independent U-Haul dealers. In 1974, we began developing our network of U-Haul managed retail centers, through which we rent our trucks and trailers, self-storage rooms and sell moving and self-storage products and services to complement our independent dealer network.

We rent our distinctive orange and white U-Haul trucks and trailers as well as offer self-storage rooms through a network of approximately 1,490 Company operated retail moving centers and 16,400 independent U-Haul dealers. In addition, we have an independent storage facility network with thousands of active affiliates, in which independent storage businesses have joined the world’s largest self-storage reservation system. We also sell U-Haul brand boxes, tape and other moving and self-storage products and services to “do-it-yourself” moving and storage customers at all of our distribution outlets and through our eMove web site. Another extension of our strategy to make “do-it-yourself” moving and storage easier is our U-Box® moving and storage pod program. A U-Box moving and storage pod is delivered to a location of our customer’s choosing either by the customers themselves through the use of a U-Box trailer or by Company personnel. Once the U-Box moving and storage pod is filled, it can be stored at the customer’s location, or taken to any of our company operated locations, a participating independent dealer, or moved to a location of the customer’s choice.

We believe U-Haul is the most convenient supplier of products and services addressing the needs of North America’s “do-it-yourself” moving and storage market. Our broad geographic coverage throughout the United States and Canada and our extensive selection of U-Haul brand moving equipment rentals, self-storage rooms and related moving and storage products and services provide our customers with convenient “one-stop” shopping.

Through Repwest Insurance Company (“Repwest”), our property and casualty insurance subsidiary, we manage the property, liability and related insurance claims processing for U-Haul. Oxford Life Insurance Company (“Oxford”) is our life insurance subsidiary. Oxford sells Medicare supplement, life insurance, annuities and other related products to the senior market.

We are a publicly traded Nevada corporation. Our common stock is listed on the NASDAQ Global Select Market under the symbol “UHAL.” Our principal executive offices are located at 1325 Airmotive Way, Suite 100, Reno, Nevada 89502-3239. Our telephone number is

(775) 688-6300, and our website address is <http://www.amerco.com>. Information contained in or linked to our website is not a part of this prospectus.

You can get more information regarding our business by reading our most recent Annual Report on Form 10-K and the other reports and information that we file with the SEC. See “Where You Can Find More Information.”

RISK FACTORS

Before making an investment decision, you should carefully consider the risks described under “Risk Factors” in the applicable prospectus supplement, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any applicable prospectus supplement, in light of your particular investment objectives and financial circumstances. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. This prospectus and the incorporated documents also contain forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks mentioned elsewhere in this prospectus.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains “forward-looking statements” regarding future events and our future results of operations. We may make additional written or oral forward-looking statements from time to time in filings with the SEC or otherwise. We believe such forward-looking statements are within the meaning of the safe-harbor provisions of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or Exchange Act. Such statements may include, but are not limited to, projections of revenues, earnings or loss, estimates of capital expenditures, plans for future operations, products or services, financing needs and plans; our perceptions of our legal positions and anticipated outcomes of government investigations and pending litigation against us, liquidity, goals and strategies, plans for new business, storage occupancy, growth rate assumptions, pricing, costs, and access to capital and leasing markets as well as assumptions relating to the foregoing. The words “believe,” “expect,” “anticipate,” “estimate,” “project” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made.

Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could significantly affect results include, without limitation, the risk factors enumerated at the end of this section, as well as the following: the Company’s ability to operate pursuant to the terms of its credit facilities; the Company’s ability to maintain contracts that are critical to its operations; the costs and availability of financing; the Company’s ability to execute its business plan; the Company’s ability to attract, motivate and retain key employees; general economic conditions; fluctuations in our costs to maintain and update our fleet and facilities; our ability to refinance our debt; changes in government regulations, particularly environmental regulations; our credit ratings; the availability of credit; changes in demand for our products; changes in the general domestic economy; the degree and nature of our competition; the resolution of pending litigation against the Company; changes in accounting standards and other factors described in our most recent Annual Report on Form 10-K or the other documents we file with the SEC. The above factors, the following disclosures, as

well as other statements in this prospectus and in the notes to our consolidated financial statements, could contribute to or cause such risks or uncertainties, or could cause our stock price to fluctuate dramatically. Consequently, the forward-looking statements should not be regarded as representations or warranties by the Company that such matters will be realized. The Company assumes no obligation to update or revise any of the forward-looking statements, whether in response to new information, unforeseen events, changed circumstances or otherwise.

Additional factors or events that could affect our future results are described from time to time in our SEC reports. See in particular the “Risk Factors” section of this prospectus. Readers are cautioned not to place undue reliance on forward-looking statements. We assume no obligation to update such information.

You should carefully consider the trends, risks and uncertainties described in the “Risk Factors” section of this prospectus and other information in this prospectus and reports filed with the SEC before making any investment decision with respect to the notes. If any of the trends, risks or uncertainties set forth in the “Risk Factors” section of this prospectus actually occurs or continues, our business, financial condition or operating results could be materially adversely affected. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this cautionary statement.

DESCRIPTION OF SECURITIES

We may offer shares of our common stock and preferred stock and various series of debt securities from time to time under this prospectus at prices and on terms to be determined by market conditions at the time of offering. Each time we offer a type or series of securities, we will provide a prospectus supplement that will describe the specific amounts, prices and other important terms of such securities. The debt securities will be unsecured or secured by certain assets owned by us or certain of our subsidiaries or third parties.

A prospectus supplement will describe the specific types, amounts, prices and detailed terms of any of these securities.

USE OF PROCEEDS

We will retain broad discretion over the use of the net proceeds from the sale of our securities offered hereby. Except as described in any prospectus supplement, we currently anticipate using the net proceeds from the sale of our securities offered hereby primarily for general corporate purposes.

Pending the use of the net proceeds, we may invest the net proceeds in short-term marketable securities.

RATIO OF EARNINGS TO FIXED CHARGES

Set forth below is our ratio of earnings to fixed charges for the six months ended September 30, 2013 and for each year in the five year period ended March 31, 2013. Earnings consist of earnings before interest expense and lease expense. Fixed charges consist of interest expense and an estimate of the portion of lease expense related to the interest component.

Six Months Ended	Year Ended March 31,					
September 30, 2013	2013	2012	2011	2010	2009	
7.1x	4.1x	3.4x	3.1x	1.7x	1.1x	

Since we had no preferred stock outstanding during any of the periods presented, the ratios of earnings to fixed charges and the ratios of earnings to combined fixed charges and preferred dividends are the same.

PLAN OF DISTRIBUTION

We may sell the securities covered by this prospectus from time to time in one or more offerings. Registration of the securities covered by this prospectus does not mean, however, that those securities will necessarily be offered or sold.

We may sell the securities separately or together:

- through one or more underwriters or dealers in a public offering and sale by them;
- through agents; or
- directly to investors.

We will set forth the terms of the offering of any securities being offered in the applicable prospectus supplement.

If we utilize underwriters in an offering of securities using this prospectus, we will execute an underwriting agreement with those underwriters. The underwriting agreement will provide that the obligations of the underwriters with respect to a sale of the offered securities are subject to certain conditions precedent and that the underwriters will be obligated to purchase all the offered securities if any are purchased. Underwriters may sell those securities to or through dealers. The underwriters may change any initial public offering price and any discounts or concessions allowed or re-
