<sup>1</sup> Based on 1,477,746 shares of common stock of Quipp, Inc. ( Quipp ) outstanding as of March 26, 2008, as represented by Quipp in the Merger Agreement (as defined below).

**ITEM 1. SECURITY AND ISSUER**

This statement on Schedule 13D relates to the common stock, \$0.01 par value (the "Common Stock"), of Quipp, Inc., a Florida corporation ( Quipp ). The principal executive offices of Quipp are located at 4800 N.W. 15<sup>th</sup> Street, Miami, Florida 33014.

**ITEM 2. IDENTITY AND BACKGROUND**

This statement is being filed by Illinois Tool Works Inc., a Delaware corporation ("ITW"). ITW's principal address is 3600 West Lake Avenue, Glenview, Illinois 60026. ITW's principal business is the worldwide manufacture of highly engineered products and specialty systems. The name, residence or business address, present principal occupation or employment and citizenship of each director and executive officer of ITW is set forth on Annex I attached hereto and incorporated herein by reference.

During the last five years, neither ITW, nor, to the best of ITW's knowledge, any of the persons listed on Annex I, has been convicted in any criminal proceedings (excluding traffic violations and similar misdemeanors) or has been a party to a civil proceeding of any judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding of any violation with respect to such laws.

**ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION**

As described in Item 4, the shares of Common Stock to which this Statement relates have not been purchased by ITW, and thus no funds were used for that purpose.

Quipp, ITW and Headliner Acquisition Corporation, a Florida corporation and wholly-owned subsidiary of ITW ( HAC ), have entered into an Agreement and Plan of Merger dated March 26, 2008 (the Merger Agreement ), pursuant to which Quipp will be acquired by ITW pursuant to the terms and conditions of the Merger Agreement. The Merger Agreement provides that, at the effective time of the Merger, each share of Common Stock issued and outstanding (excluding, if applicable, shares held by ITW or HAC, and shares of Common Stock held by shareholders who properly exercise their rights of appraisal under Florida law) will be converted into the right to receive in cash, without interest, an amount per share between \$4.30 and \$5.65, dependent upon the cash and indebtedness positions of Quipp at the closing of the transaction. ITW presently expects that the cash for which the Common Stock will be exchanged will be paid by a paying agent retained by ITW for this purpose and will be funded from ITW's cash on hand and other working capital resources. A copy of the Merger Agreement is filed as Exhibit 99.1 and is incorporated herein by reference.

The Merger Agreement provides ITW with the right to terminate the Merger Agreement if certain shareholders of Quipp (each, a Vote Supporter and collectively, the Vote Supporters) did not execute and deliver to ITW, within a short time after the Company delivered the executed Merger Agreement to ITW, a support agreement committing to vote their shares in favor of approval of the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger. The Vote Supporters executed and delivered the Support Agreement dated March 26, 2008 (the Support Agreement ), to ITW and HAC on March 26, 2008. A copy of the Support Agreement is filed Exhibit 99.2 and is incorporated herein by reference.

In the Support Agreement, the Vote Supporters agreed to certain conditions, obligations and restrictions including, without limitation, those conditions, obligations and restrictions described in Item 4. ITW did not pay additional consideration to the Vote Supporters in connection with the execution and delivery of the Support Agreement.

**ITEM 4. PURPOSE OF TRANSACTION**

The purpose of the Support Agreement is to secure votes in favor of the transactions contemplated by the Merger Agreement. Pursuant to the Support Agreement, each Vote Supporter has agreed that the Vote Supporter will appear (or cause his, her or its shares of Common Stock to be counted as present) and vote (or cause to be voted) his, her or its Common Stock, at any shareholder meeting (annual or special, and at each adjourned or postponed meeting) or in any other circumstances (including any action sought by written consent) upon which a vote or other consent or approval is sought with respect to the Merger, (A) in favor of the approval of the

<sup>2</sup> The Vote Supporters are Michael S. Kady, Cristina H. Kepner, William A. Dambrackas, Lawrence J. Gibson, JDL Partners, LP, Arthur J. Rawl and Robert C. Strandberg. The Vote Supporters beneficially own 171,433.642 shares of Common Stock.

Merger Agreement and the approval of the transactions contemplated thereby, including the Merger; (B) in favor of the approval of any other matter to be approved by the shareholders of Quipp to facilitate the transactions contemplated by the Merger Agreement, including the Merger; (C) against any Takeover Proposal (as defined in the Merger Agreement) or any transactions contemplated thereby; (D) against any proposal made in opposition to, or in competition or inconsistent with, the Merger Agreement, including the adoption thereof or the consummation thereof; (E) against any extraordinary dividend, distribution or recapitalization by Quipp or change in Quipp's capital structure (other than pursuant to or explicitly permitted by the Merger Agreement); and (F) against any action or agreement that would reasonably be expected to prevent or delay the Merger or result in any condition to the consummation of the Merger not being fulfilled. The Support Agreement will terminate upon the earliest to occur of (i) the effective time of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms, and (iii) the written agreement of ITW and HAC to terminate the Support Agreement.

In addition, in accordance with the Support Agreement, each Vote Supporter has agreed to notify ITW of, and make subject to the Support Agreement, each new share of Common Stock and each outstanding and unexercised option, warrant, right, call, convertible security, right to subscribe, conversion right or other agreement or commitment to which Quipp is a party or which is binding upon Quipp providing for the issuance or transfer by Quipp of additional shares of capital stock of Quipp, whether vested or unvested (collectively, the Company Stock Rights), of which a Vote Supporter acquires beneficial ownership. Each Vote Supporter has also agreed to restrict transfer on any shares of Common Stock or any Company Stock Rights beneficially owned by such Vote Supporter, to waive any rights of appraisal and to revoke any and all previous proxies granted with respect to any shares of Common Stock beneficially owned by such Vote Supporter and has granted to ITW a proxy appointing ITW as such Vote Supporter's attorney-in-fact and proxy, for and in such Vote Supporter's name, to be counted as present and to vote (including by written consent, if applicable), or otherwise to act on behalf of the Vote Supporter with respect to any shares of Common Stock beneficially owned by such Vote Supporter.

At the effective time of the Merger, HAC will merge into Quipp at which time the separate corporate existence of HAC will cease and Quipp will become the surviving corporation of the Merger. Upon the occurrence of the Merger, (a) Quipp's articles of incorporation and bylaws will be the articles of incorporation and bylaws of the surviving corporation until thereafter changed or amended as provided by applicable law, and (b) unless otherwise determined by ITW prior to the Merger, the officers and directors of HAC will be the officers and directors of the Surviving corporation and each of its subsidiaries, until their respective successors are duly elected or appointed and qualified or their earlier death, resignation or removal in accordance with the articles of incorporation and bylaws of the Surviving corporation.

Pursuant to the Merger Agreement, at the effective time of the Merger, each share of Common Stock issued and outstanding (excluding, if applicable, shares of Common Stock owned by ITW or HAC, which will be cancelled, and shares of Common Stock held by shareholders who properly exercise their rights of appraisal under Florida law) will be converted into the right to receive in cash, without interest, an amount per share equal to \$5.65, subject to certain adjustments based on the cash and indebtedness of Quipp at the closing of the transaction. Quipp is not required to proceed with the transaction if the cash consideration to be paid, after such adjustments, is less than \$4.30 per share. In addition, in accordance with the Merger Agreement, at the effective time of the Merger, all Company Stock Rights, whether vested or unvested, and including Company Stock Rights held by any of the Vote Supporters, will be cancelled and extinguished and no payment will be made in respect thereof.

If the Merger is consummated as planned, ITW anticipates that Quipp will become a wholly-owned subsidiary of ITW and that ITW will seek to cause the Common Stock to be delisted from the NASDAQ Capital Market and to be deregistered pursuant to Section 12(g)(4) of the Act.

Except as set forth herein, ITW has no present plans or proposals that would result in or relate to any of the transactions or changes listed in Items 4(a) through 4(j) of Schedule 13D.

The foregoing summary of certain provisions in the Merger Agreement and the Support Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of such agreements. The Merger Agreement and the Support Agreement have been attached to provide investors with information regarding their terms. They are not intended to provide any other factual information about ITW, HAC or

Quipp. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosures provided by Quipp to ITW and HAC in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Quipp, on the one hand, and ITW and HAC, on the other hand, rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about Quipp, ITW or HAC.

### **ITEM 5. INTEREST IN SECURITIES OF THE ISSUER**

Apart from the terms and conditions set forth in the Support Agreement, ITW is not entitled to any rights of a shareholder of Quipp. ITW does not, other than as set forth in the Support Agreement, have (i) sole or shared power to vote or direct the vote or (ii) sole or shared power to dispose or direct the disposition of Common Stock. As a result of the Support Agreement, ITW may be deemed to beneficially own (within the meaning of Rule 13d-3 under the Act) the following securities:
