Item 12. Results of Operations and Financial Condition

## Edgar Filing: INCO LTD - Form 8-K

On July 22, 2003, Inco Limited (the Registrant) issued a press release covering its results for the second quarter of 2003 ended June 30, 2003. This release included information on the Registrant's adjusted net earnings and net earnings in accordance with Canadian generally accepted accounting principles (Canadian GAAP), the principles covering the Registrant's primary financial statements, for that quarter and the first six months of 2003 as compared with the corresponding periods of 2002 and a reconciliation of such adjusted net earnings to net earnings in accordance with Canadian GAAP. The press release also noted that, given a strike at the Registrant's Ontario operations which began June 1, 2003 and the effect of this strike on production of its principal metals and other key aspects of its businesses and results of operations, the Registrant will not comment on whether it is comfortable with the current First Call mean consensus for the Registrant's adjusted net earnings estimate for 2003 based upon certain assumptions. The Registrant has provided in this press release certain sensitivity analyses relating to the effect of different assumed durations of the strike at its Ontario operations on production of certain metals and certain other information. A copy of the press release issued by the Registrant is furnished as Exhibit 99.1 to this Form 8-K.
