On October 27, 2017, in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, First Midwest Bancorp, Inc. (“First Midwest”) publically disclosed the results of its 2017 Dodd-Frank Act Stress Test (“DFAST”). Projected results can be found on the Investor Relations section of First Midwest’s website under the heading “News & Market Information,” then under “Dodd Frank Act Stress Test Results,” which may be accessed at www.firstmidwest.com/investorrelations. Projected results are based on a forward-looking exercise using hypothetical severely adverse macroeconomic assumptions developed by the Board of Governors of the Federal Reserve System. The DFAST results are not forecasts of expected future economic or financial conditions or First Midwest’s expected future financial results or conditions, but rather reflect possible results under the prescribed hypothetical scenarios. Such information, including the information on the website referred to above, shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
