Item 1.01. Entry into a Material Definitive Agreement.

On September 22, 2016, Atmos Energy Corporation (the “Company”) entered into a \$200 million Term Loan Agreement (the “Term Loan”) with Branch Banking and Trust Company as Administrative Agent (“BB&T”), and a syndicate of three lenders identified therein. The Term Loan will be used to refinance existing indebtedness and for working capital, capital expenditures and other general corporate purposes.

Borrowings under the Term Loan will bear interest at a rate dependent upon the Company’s credit ratings at the time of such borrowing and based, at the Company’s election, on a base rate or LIBOR for the applicable interest period (one, two, three or six months). In the case of borrowings based either on the base rate or on LIBOR, an applicable margin ranging from 0.000% to 1.150% per annum would be added, based on the Company’s then current credit ratings. The base rate is defined as the highest of (i) the per annum rate of interest established by BB&T as its prime lending rate at the time of such borrowing, (ii) the Federal Funds Rate, as in effect at the time of borrowing, plus one-half of one percent (0.50%) per annum, or (iii) the one-month LIBOR plus one percent (1.00%). Based on the current prime lending rate charged by BB&T, the current Federal Funds Rate, the one-month LIBOR and the Company’s current credit ratings, borrowings at the base rate would bear interest at 3.500% per annum, plus an applicable margin of 0.000% per annum, or an effective total interest rate of 3.500% per annum. Based upon the current LIBOR for a one-month period and the Company’s current credit ratings, borrowings at LIBOR would bear interest at 0.520% per annum, plus an applicable margin of 0.900% per annum, or an effective total interest rate of 1.420% per annum. The Company must also pay commitment fees quarterly in arrears on the average daily unused portion of the Term Loan at rates ranging from 0.060% to 0.175% per annum, dependent upon the Company’s credit ratings. Based upon the Company’s current credit ratings, the commitment fee would be at the rate of 0.100%.

The Term Loan will expire on September 22, 2019, at which time all outstanding amounts under the Term Loan will be due and payable. The Term Loan contains usual and customary covenants for transactions of this type, including covenants limiting liens, substantial asset sales and mergers. In addition, the Term Loan provides that during the term of the facility, the Company’s debt to capitalization ratio as of the last day of each of its fiscal quarters shall be less than or equal to 0.70 to 1.00, excluding from the calculation of debt (i) any pension and other post-retirement benefits liability adjustments recorded in accordance with generally accepted accounting principles; and (ii) an amount of hybrid securities, as defined in the Term Loan (generally, deferrable interest subordinated debt with a maturity of at least 20 years), not to exceed a total of 15% of total capitalization.

In the event of a default by the Company under the Term Loan, including cross-defaults relating to specified other indebtedness of the Company, BB&T may, upon the consent of a certain minimum number of lenders, and shall, upon the request and direction of such lenders, terminate the commitments made under the Term Loan, declare the amount outstanding, including all accrued interest and unpaid fees, payable immediately, and enforce any and all rights and interests created and existing under the Term Loan documents, including, without limitation, all rights of set-off and all other rights available under the law. For certain events of default relating to insolvency, bankruptcy or receivership, the commitments are automatically terminated and the amounts outstanding automatically become payable immediately.

With respect to the other parties to the Term Loan, the Company also has or may have had customary banking relationships based on the provision of a variety of financial services, including cash management, investment banking, and equipment financing and leasing services, none of which are material individually or in the aggregate with respect to any individual party. Agreement is filed as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Term Loan.
