Item 8.01 Other Events

Federal Trade Commission (FTC) grants antitrust approval of the proposed combination of Dominion Resources' and Questar Corporation

On February 22, 2016, Questar Corporation and Dominion Resources, Inc. issued a joint press release announcing that the Federal Trade Commission has granted early termination of the 30-day waiting period under the federal Hart-Scott-Rodino Antitrust Improvements Act with regard to the previously announced combination of Questar and Dominion Resources. Expiration or termination of the waiting period is one of the conditions required for completion of the transaction under the Agreement and Plan of Merger among Questar Corporation, Dominion Resources and Diamond Beehive Corporation, Inc. dated January 31, 2016. The press release is filed as Exhibit 99.1 hereto, and is incorporated herein by reference.

This report includes certain "forward-looking information." Examples include information as to Dominion's or Questar's expectations, beliefs, plans, goals and objectives and the expected timing of completion of the transaction. Factors that could cause actual results to differ from those in the forward-looking statements may accompany the statements themselves. In addition, there are uncertainties that may materially affect actual results, such as the ability to obtain the required approval of Questar's shareholders; the risk that Dominion or Questar may be unable to obtain necessary regulatory approvals for the transaction or required regulatory approvals may delay the transaction or cause the parties to abandon the transaction; the risk that conditions to the closing of the transaction or the committed debt financing may not be satisfied; and the risk that an unsolicited offer for the assets or capital stock of Questar may interfere with the transaction. We have identified and will in the future identify a number of these factors in our SEC Reports on Forms 10-K and 10-Q. We refer you to those discussions for further information. Any forward-looking statement speaks only as of the date on which it is made, and we undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which it is made.
