Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 29, 2010, pursuant to the previously reported Securities Purchase Agreement dated November 17, 2009 among Omega Healthcare Investors, Inc. (“Omega”), CapitalSource Inc. (“CapitalSource”) and certain affiliates of CapitalSource, Omega purchased certain CapitalSource subsidiaries owning 40 long-term care facilities (the “HUD Portfolio”) that are encumbered by long-term mortgage financing guaranteed by the U.S. Department of Housing and Urban Development (“HUD”).

The aggregate purchase price for the HUD Portfolio was approximately \$270 million, consisting of approximately (i) \$65 million in cash, (ii) \$3 million shares of common stock of Omega, valued at \$18.623 per share, and (iii) \$202 million of assumed debt, as further described below. In addition, Omega issued an additional \$15 million of its common stock to an affiliate of CapitalSource as consideration for certain escrow amounts transferred at closing. Omega’s purchase of the HUD Portfolio represents the final closing under the Securities Purchase Agreement.

The 40 facilities comprising the HUD Portfolio represent 4,882 available beds located in 2 states and are part of 13 in-place triple net leases among 2 operators.

Omega drew \$65 million under its \$320 million senior secured revolving credit facility to fund the cash portion of the purchase price.

The debt assumed at the closing of Omega’s acquisition of the HUD Portfolio includes the following:

- \$20.0 million of unsecured debt, with 9.0% interest payable quarterly and maturing in December 2021.
- Approximately \$53 million of secured debt, represented by separate mortgage loans to 11 of the acquired subsidiaries. These loans have a weighted average annual interest rate of 6.61% and mature between January 2036 and May 2040. Each of these loans is insured by HUD and secured by the facility and related personal property of the applicable subsidiary.
- Approximately \$129 million of secured debt, represented by separate mortgage loans to 18 of the acquired subsidiaries. The loans are divided into two groups of facilities, based on the master lease associated with those facilities. These loans have a weighted average annual interest rate of 4.85% and mature between January 2040 and January 2045. Each of these loans is insured by HUD, cross-defaulted to the other loans in the same group and cross-collateralized by the facilities and related personal property of all of the borrowers in that group. In addition, the non-borrower acquired subsidiaries have mortgaged their facilities to secure the loans in their group. The Omega subsidiary formed for the purpose of acquiring these subsidiaries has guaranteed such loans under certain circumstances.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

See Item 2.01 above, which is incorporated herein by reference, for a discussion of debt assumed and draws under Omega’s \$320 million senior secured revolving credit facility secured in connection with Omega’s acquisition of the HUD Portfolio.

Item 3.02 Unregistered Sales of Equity Securities.

On June 29, 2010, Omega issued 994,600 shares of Common Stock to an affiliate of CapitalSource in connection with its acquisition of the HUD Portfolio in reliance on the private placement exemption from the registration requirements of the Securities Act of 1933, as amended, provided by Section 4(2) thereof.
