Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

On November 2, 2007, the Management and Compensation Committee of the Board of Directors of TETRA Technologies, Inc. ("TETRA" or the "Company"), at the request of Geoffrey M. Hertel, President & Chief Executive Officer, decreased Mr. Hertel's annual salary by 50%, or from \$500,000 to \$250,000 annually. The reduction was effective beginning October 27, 2007. Mr. Hertel has voluntarily requested the reduction in his salary in order to reinforce to TETRA's employees the importance of certain cost cutting initiatives adopted by the Company in response to its 2007 earnings shortfalls. There is no arrangement between Mr. Hertel and the Company obligating the Company to repay the foregone portion of the salary at any point in the future. Mr. Hertel's salary may be increased in the future only by action of the Management and Compensation Committee of the Board of Directors, or by the Board of Directors as a whole.

There is no written employment contract between the Company and Mr. Hertel which guarantees Mr. Hertel's term of employment, salary or other incentives, all of which are entirely at the discretion of the Board of Directors. Mr. Hertel previously entered into an agreement with the Company, in a form substantially similar to that executed by all employees of the Company, which evidences the at-will nature of his employment.
