**ITEM 5. Other Events**

On April 26, 2004, MedImmune, Inc. (the Company), and Wyeth jointly issued a press release announcing the dissolution of their collaboration for the nasal flu vaccine FluMist (Influenza Virus Vaccine Live, Intranasal) and an investigational second-generation liquid formulation, Cold Adapted Influenza Vaccine-Trivalent (CAIV-T) and will conduct a previously announced publicly available conference call to discuss the transaction. As a result of the dissolution, subject to obtaining necessary government approval, the Company will have worldwide rights to these products and will assume full responsibility for the manufacturing, marketing, and selling of FluMist. A copy of the press release describing this event is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
