This Amendment No.1 to Form 8-K is being filed as an amendment to the Current Report on Form 8-K filed by Minerals Technologies Inc. (the “Company”) on May 20, 2011. The Form 8-K was filed to, among other things, report the results of the matters submitted to a vote at its Annual Meeting of Stockholders held on May 18, 2011. The sole purpose of this Amendment No. 1 is to disclose the Company’s decision regarding the frequency of future stockholder advisory votes on the compensation of its named executive officers. Item 5.07 Submission of a Matter to a Vote of Security Holders.

On May 18, 2011, the Company held its Annual Meeting of Stockholders. Stockholders were asked to consider and act upon, among other matters, an advisory vote on the frequency of an advisory vote on executive compensation. As previously reported, a majority of the votes cast on the frequency proposal were cast in favor of holding an advisory vote on executive compensation every year.

The Company’s Board of Directors has decided that it will be the Company’s policy to include an advisory vote on executive compensation in its future proxy materials every year until the next stockholder vote on the frequency of these votes.
