99.1	Aaron Rents, Inc. press release dated July 29, 2003, announcing the Company's financial results for the second quarter of 2003 (furnished pursuant to Item 12 of Form 8-K).

ITEM 12. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 29, 2003, Aaron Rents, Inc. (the "Company") issued a press release

Edgar Filing: AARON RENTS INC - Form 8-K

to announce its financial results for the second quarter of 2003. A copy of the press release is attached as Exhibit 99.1.

The press release presents the Company's systemwide revenues, along with the most directly comparable financial measure calculated and presented in accordance with GAAP, which the Company determined to be Company revenues, and a reconciliation of Company revenues to systemwide revenues. Comparable information is given for the Company's Aaron's Sales & Lease Ownership division. Systemwide revenues is calculated by adding Company revenues as calculated and presented in accordance with GAAP to the revenues of the Company's franchisees, and subtracting the Company's royalty revenues from the resulting total. Franchisee revenues, however, are not revenues of Aaron Rents, Inc.

Management believes that presentation of non-GAAP financial measures such as systemwide revenues is useful because it allows investors and management to evaluate and compare the overall growth and penetration of the Aaron's brand in a more meaningful manner than relying exclusively on GAAP financial measures. Non-GAAP financial measures, however, should not be considered in isolation or as an alternative to financial measures calculated and presented in accordance with GAAP. Because systemwide revenues is not a measurement determined in accordance with GAAP and is thus susceptible to varying calculations, systemwide revenues as used in the press release may not be comparable to other similarly titled measures used by other companies.

As used herein, "GAAP" refers to accounting principles generally accepted in the United States.

The information in this Report, including the Exhibit attached hereto, is furnished solely pursuant to Item 12 of this Form 8-K. Consequently, it is not deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities of that section. It may only be incorporated by reference in another filing under the Exchange Act or Securities Act of 1933 if such subsequent filing specifically references this Form 8-K.
