Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 22, 2016, CTI BioPharma Corp. (the “Company”) received a notice from the staff of the listing qualifications department of The NASDAQ Stock Market indicating that for 30 consecutive business days the closing bid price of the Company’s common stock was below the minimum \$1.00 per share requirement for continued listing of the Company’s common stock on The NASDAQ Capital Market under NASDAQ Listing Rule 5550(a)(2). This notification has no immediate effect on the listing of or the ability to trade the Company’s common stock on The NASDAQ Capital Market.

NASDAQ Listing Rule 5810(c)(3)(A) provides the Company with a grace period of 180 calendar days, or until September 19, 2016, to regain compliance with the minimum closing bid price requirement. The Company will achieve compliance if the closing bid price of the Company’s common stock is \$1.00 per share or more for a minimum of 10 consecutive business days before September 19, 2016, in which case the staff of the listing qualifications department of The NASDAQ Stock Market will provide the Company with written confirmation of compliance, and the matter will be closed. In the event the Company does not regain compliance with NASDAQ Listing Rule 5550(a)(2) within this compliance period, the Company may be eligible for an additional 180 days to regain compliance if it meets the continued listing requirement for market value of publicly held shares and all other initial listing standards for The NASDAQ Capital Market, with the exception of the bid price requirement, and provides written notice of its intention to cure the deficiency during the second compliance period.
