PROXY STATEMENT

INTRODUCTION

This Proxy Statement, which is first being mailed to the holders of Class A Common Stock and Class B Common Stock of Erie Indemnity Company (the Company) on or about March 18, 2005, is furnished to such holders to provide information and is also being furnished in connection with the solicitation of proxies by the Board of Directors of the Company from holders of Class B Common Stock to be voted at the Annual Meeting of Shareholders and at any adjournment, postponement or continuation thereof (the Annual Meeting). The Annual Meeting will be held at 9:30 a.m., local time, on Tuesday, April 19, 2005 at the Auditorium of the F.W. Hirt-Perry Square Building, 100 Erie Insurance Place (Sixth and French Streets), Erie, Pennsylvania 16530. Holders of Class B Common Stock will also receive a form of proxy in accordance with Securities and Exchange Commission (SEC) rules.

Shares of Class B Common Stock represented by proxies in the accompanying form, if properly signed and returned, will be voted in accordance with the specifications made thereon by the holders of Class B Common Stock. Any proxy representing shares of Class B Common Stock not specifying to the contrary will be voted for the election of the candidates for director named below who were nominated by the Nominating and Governance Committee (the Nominating Committee) of the Company's Board of Directors. See Other Matters for a discussion of certain discretionary voting authority. A holder of Class B Common Stock who signs and returns a proxy in the accompanying form may revoke it at any time before it is voted by giving written notice of revocation to the Secretary of the Company, by furnishing a duly executed proxy bearing a later date to the Secretary of the Company or by attending the Annual Meeting and advising the Secretary of the Company that such holder intends to vote in person.

The cost of solicitation of proxies in the accompanying form will be borne by the Company, including expenses in connection with preparing and mailing this Proxy Statement. Such solicitation will be made by mail and may also be made on behalf of the Company in person or by telephone by the Company's regular officers and employees, none of whom will receive special compensation for such services. The Company, upon request therefor, will also reimburse brokers, nominees, fiduciaries and custodians or persons holding shares of Class A Common Stock and Class B Common Stock in their names or in the names of nominees for their reasonable expenses in forwarding the Company's proxy material to beneficial owners.

Only holders of Class B Common Stock of record at the close of business on February 18, 2005 are entitled to vote at the Annual Meeting. Each share of Class B Common Stock is entitled to one vote on each matter to be considered at the Annual Meeting. Except as is otherwise provided in Sections 1756(b)(1) and (2) of the Pennsylvania Business Corporation Law of 1988 (the BCL) in the case of adjourned meetings, a majority of the outstanding shares of Class B Common Stock will

Table of Contents

constitute a quorum at the Annual Meeting for the election of directors. Cumulative voting rights do not exist with respect to the election of directors. The 13 candidates for election as a director who receive the largest number of votes cast by the holders of Class B Common Stock in person or by proxy at the Annual Meeting will be elected as directors. Shares of Class B Common Stock held by brokers or nominees as to which voting instructions have not been received from the beneficial owner or person otherwise entitled to vote and as to which the broker or nominee does not have discretionary voting power, i.e., broker nonvotes, will be treated as not present and not entitled to vote for nominees for election as directors. Abstentions will be treated as the withholding of authority to vote for nominees for election as directors. Abstentions from voting and broker nonvotes will have no effect on the election of directors because they will not represent votes cast at the Annual Meeting and directors are elected by a plurality of the votes cast.

As of the close of business on February 18, 2005, the Company had 62,952,889 shares of Class A Common Stock outstanding, which are not entitled to vote on any matters to be acted upon at the Annual Meeting, and 2,854 shares of Class B Common Stock outstanding, which have the exclusive right to vote on all matters to be acted upon at the Annual Meeting.

There are two H.O. Hirt Trusts, one for the benefit of F. William Hirt and one for the benefit of Susan Hirt Hagen. The H.O. Hirt Trusts collectively own 2,340 shares of Class B Common Stock, which, because such shares represent 81.99% of the outstanding shares of Class B Common Stock entitled to vote at the Annual Meeting, is sufficient to determine the outcome of any matter submitted to a vote of the holders of the Class B Common Stock, assuming all of the shares held by the H.O. Hirt Trusts are voted in the same manner. The individual trustees of the H.O. Hirt Trusts as of the record date for the Annual Meeting are F. William Hirt (Mr. Hirt) and Susan Hirt Hagen (Mrs. Hagen) and the corporate trustee as of the record date is Bankers Trust Company of New York, which is now known as Deutsche Bank (Bankers Trust).

On March 3, 1999, Bankers Trust filed a petition with the Orphans Court Division of the Court of Common Pleas of Erie County, Pennsylvania (the Court) requesting that the Court accept the resignation of Bankers Trust as the corporate trustee of the H.O. Hirt Trusts as a result of conflicts of interest that Bankers Trust believed existed in 1999 as a result of certain insurance operations conducted by Bankers Trust's parent company and affiliates. Also, an affiliate of Bankers Trust, Deutsche Banc Alex Brown, is a market maker in the Company's Class A Common Stock. On May 7, 1999, the Court issued an Order accepting the resignation of Bankers Trust at such time as the Court appoints a successor corporate trustee. As of the date of this Proxy Statement, two successor corporate trustee candidates: Wachovia Bank, N.A. which is supported by Mr. Hirt, and Sentinel Trust Company, which is supported by Mrs. Hagen, have presented testimony to the Court in this matter. Subsequent to that testimony, Laurel Hirt, a daughter of Mr. Hirt and a contingent beneficiary of the H.O. Hirt Trusts, filed a petition requesting that the Court also consider a third successor corporate trustee candidate that is not supported by Mr. Hirt. Mr. Hirt has filed a petition objecting to Laurel Hirt's petition. Both Laurel Hirt's and Mr. Hirt's petitions are currently pending.

The Company does not know whom the Court will appoint as successor corporate trustee or when it will do so, but such appointment will not be effective before the Annual Meeting because the

Table of Contents

next hearing in connection with the appointment of a successor corporate trustee has been scheduled for a date in July 2005.

Under the provisions of the H.O. Hirt Trusts, the shares of Class B Common Stock held by the H.O. Hirt Trusts are to be voted as directed by a majority of trustees then in office. If at least a majority of the trustees then in office of both of the H.O. Hirt Trusts vote for the election of the 13 candidates for director named below, who have been nominated by the Nominating Committee of the Company's Board of Directors, such candidates will be elected as directors of the Company even if all shares of Class B Common Stock other than those held by the H.O. Hirt Trusts do not vote for such candidates. The Company has not been advised as of the date of this Proxy Statement how the trustees of the H.O. Hirt Trusts intend to vote at the Annual Meeting.

Reference is made to "Legal Proceedings" in this Proxy Statement for further information regarding litigation involving the H.O. Hirt Trusts.

The Company operates predominantly as a provider of management services to Erie Insurance Exchange (the Exchange). The Company also operates as a property and casualty insurer through its subsidiaries. Since 1925, the Company has served as the attorney-in-fact for the policyholders of the Exchange. The Exchange is a reciprocal insurance exchange, which is an unincorporated association of individuals, partnerships and corporations that agree to insure one another. Each applicant for insurance from the Exchange signs a subscriber's agreement, which contains an appointment of the Company as the attorney-in-fact for the subscriber. As attorney-in-fact, the Company is required to perform certain services relating to the sales, underwriting and issuance of policies on behalf of the Exchange.

The Exchange and its property and casualty insurance subsidiary and the Company's three property and casualty insurance subsidiaries (collectively, the Property and Casualty Group) write personal and commercial lines property and casualty insurance coverages exclusively through approximately 1,750 independent agencies comprised of more than 7,500 licensed representatives and pool their underwriting results. The financial results of the Company and the Exchange are not consolidated. As a result of the Exchange's 94.5% participation in the underwriting results of the Property and Casualty Group, the underwriting risk of the Property and Casualty Group's business is largely borne by the Exchange.

The Company charges the Exchange a management fee calculated as a percentage, limited to 25%, of the direct written premiums of the Property and Casualty Group. Management fees accounted for 76.3%, 74.4% and 73.7% respectively, of the Company's revenues for the three years ended December 31, 2002, 2003 and 2004. The management fee rate was 25% in 2002, 24% in 2003, 23.5% from January 1, 2004 through June 30, 2004, and 24% from July 1, 2004 through December 31, 2004. The percentage shown for 2002 has been recomputed based on the 2003 presentation of the Company's Consolidated Statement of Operations, which presentation is net of inter-company management fees and costs. Beginning January 1, 2005, the rate has been set at 23.75%.

The Company's property and casualty insurance subsidiaries are Erie Insurance Company (Erie Insurance Co.), Erie Insurance Company of New York (Erie NY) and Erie Insurance Property & Casualty Company (EI P&C). In addition, the Company holds investments in both affiliated and

unaffiliated entities, including a 21.63% interest in the common stock (EFL Common Stock) of Erie Family Life Insurance Company (EFL), a life insurance company. The Exchange owns 53.50% of EFL s Common Stock.

(1) Information furnished by the named persons.

(2) Under the rules of the SEC, a person is deemed to be the beneficial owner of securities if the person has, or shares, voting power, which includes the power to vote, or to direct the voting of, such securities, or investment power, which includes the power to dispose, or to direct the disposition, of such securities. Under these rules, more than one person may be deemed to be the beneficial owner of the same securities. Securities beneficially owned also include securities owned jointly, in whole or in part, or individually by the person's spouse, minor children or other relatives who share the same home. The information set forth in the above table includes all shares of Class A Common Stock and Class B Common Stock and all shares of EFL Common Stock over which the named individuals, individually or together, share voting power or investment power. The table does not reflect shares of Class A Common Stock issuable upon conversion of shares of Class B Common Stock, each of which is currently convertible into 2,400 shares of Class A Common Stock or shares of the Company's Class A Common Stock and Class B Common Stock and EFL Common Stock as to which beneficial ownership

is disclaimed.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires that the officers and directors of a corporation, such as the Company, that has a class of equity securities registered under Section 12 of the Exchange Act, as well as persons who own 10% or more of a class of equity securities of such a corporation, file reports of their ownership of such securities, as well as statements of changes in such ownership, with the corporation and the SEC. Based upon written representations received by the Company from its officers and directors and 10% or greater shareholders, and the Company's review of the statements of changes of ownership filed with the Company by its officers and directors and 10% or greater shareholders during 2004, the Company believes that all such filings required during 2004 were made on a timely basis, with the following exceptions. Wilson C. Cooney, a director of the Company, inadvertently filed untimely a Form 4 Statement of Changes in Beneficial Ownership on September 23, 2004 for 148 shares of Class A Common Stock acquired on September 20, 2004 through the Company's deferred stock compensation plan for its outside directors; Patricia Garrison-Corbin, a director of the Company, inadvertently filed untimely a Form 4 Statement of Changes in Beneficial Ownership on February 24, 2004 for 200 shares of Class A Common Stock acquired on January 22, 2004; Patricia A. Rech, Senior Vice President of the Company, inadvertently filed untimely a Form 4 Statement of Changes in Beneficial Ownership on March 1, 2004 for 3.1476 shares of Class A Common Stock acquired on February 2, 2004 in her 401(k) account and John P. Sommerwerck, Senior Vice President of the Company, inadvertently failed to file a Form 4 Statement of Changes in Beneficial Ownership for 4.5193 shares of Class A Common Stock acquired on April 21, 2004, 4.7085 shares of Class A Common Stock acquired on July 21, 2004 and 4.57 shares of Class A Common Stock acquired on October 21, 2004, all of which were acquired through an automatic dividend reinvestment program and were subsequently reported on a Form 5 Annual Statement of Changes in Beneficial Ownership filed on January 28, 2005.

PROPOSAL 1 ELECTION OF DIRECTORS

Introduction

The election of directors of the Company by the holders of its Class B Common Stock is governed by provisions of the Pennsylvania Insurance Holding Companies Act (the Holding Companies Act) in addition to provisions of the BCL, the Pennsylvania Associations Code and the Company s Bylaws. The following discussion summarizes these statutory provisions and describes the process undertaken by the Nominating Committee in connection with the nomination of candidates for election as directors by the holders of Class B Common Stock at the Annual Meeting.

Background of the Company s Nominating Committee

Section 1405(c)(4) of the Holding Companies Act, which applies to the Company, provides that the board of directors of a domestic insurer must establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. Such committee or committees must have responsibility for, among other things, nominating candidates for director for election by the shareholders.

Section 3.09 of the Company s Bylaws is consistent with this statutory provision and provides that (i) the Company s Board of Directors must appoint annually a Nominating Committee that consists of not less than three directors who are not officers or employees of the Company or of any entity controlling, controlled by or under common control with the Company and who are not beneficial owners of a controlling interest in the voting securities of the Company and (ii) the Nominating Committee must, prior to each annual meeting of shareholders, determine and nominate candidates for the office of director of the Company to be elected by the holders of Class B Common Stock to serve terms as established by the Bylaws and until their successors are elected.

In accordance with this Bylaw provision, on April 28, 2004, the Company s Board of Directors designated a Nominating Committee consisting of Patricia Garrison-Corbin, Chair, Kaj Ahlmann, Wilson C. Cooney, John R. Graham and Samuel P. Katz. Mr. Katz subsequently resigned from the Company s Board of Directors on May 27, 2004 and this vacancy on the Nominating Committee was not filled. Consistent with the Holding Companies Act, none of these persons is an officer or employee of the Company or of any entity controlling, controlled by or under common control with the Company or a beneficial owner of a controlling interest in the voting stock of the Company or any such entity. Each member of the Nominating Committee is an independent director as defined in the rules of The Nasdaq Stock Market® (Nasdaq).

Nominating Procedures

Under Section 2.07(a) of the Company s Bylaws, nominations of persons for election to the Board of Directors may be made at any meeting of holders of Class B Common Stock at which Directors are to be elected (i) by or at the direction of the Nominating Committee or (ii) by any holder

of Class B Common Stock, provided the shareholder complies with the notice procedures specified in the Company's Bylaws.

With respect to nominations by or at the direction of the Nominating Committee, except as is required by rules promulgated by Nasdaq, the SEC or the Holding Companies Act, there are no specific, minimum qualifications that must be met by each candidate for the Board of Directors, and the Nominating Committee may take into account such factors as it deems appropriate. The Nominating Committee generally bases its nominations on the general needs of the Company as well as the specific attributes of candidates that would add to the overall effectiveness of the Board. Specifically, among the significant factors that the Nominating Committee may take into consideration are judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other directors and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

In identifying and evaluating the individuals that it selects, or recommends that the Board of Directors select, as director nominees, the Nominating Committee utilizes the following process:

The Nominating Committee reviews the qualifications of any candidates who have been recommended by a holder of Class A Common Stock or Class B Common Stock in compliance with the Company's Bylaws; the procedures that a holder of Class A Common Stock or Class B Common Stock must follow to recommend a candidate to the Nominating Committee are described in greater detail in under Shareholder Proposals beginning on page 36.

The Nominating Committee also considers recommendations made by individual members of the Board of Directors or, if the Nominating Committee determines, a search firm. The Nominating Committee may consider candidates who have been identified by management, but is not required to do so.

The Nominating Committee evaluates the performance and qualifications of individual members of the Board of Directors eligible for re-election by the holders of Class B Common Stock at the annual meeting of shareholders.

The Nominating Committee considers the suitability of each candidate, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors and the above discussed significant factors.

After such review and consideration, the Nominating Committee determines a slate of director nominees.

The Nominating Committee endeavors to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individual for election to the Board of Directors.

Actions Taken by the Nominating Committee

The Nominating Committee met on January 24, 2005 for the purpose of evaluating the performance and qualifications of the current members of its Board of Directors and nominating candidates for election as directors by the holders of Class B Common Stock at the Annual Meeting. At the Company's 2004 Annual Meeting of Shareholders, its holders of Class B Common Stock elected 15 directors. Two of these directors, Samuel P. Katz and Samuel P. Black, III, resigned on May 27, 2004 and December 8, 2004, respectively, and these vacancies on the Board of Directors were not filled. In addition, Jan Van Gorder notified the Nominating Committee on December 13, 2004 of his intention not to stand for re-election as a director of the Company.

The Company's Bylaws provide that the Board of Directors shall consist of not less than 7, nor more than 16, directors, with the exact number to be fixed from time to time by resolution of the Board of Directors. The Nominating Committee recommended at its January 24, 2005 meeting that the size of the Company's Board of Directors be set at 12 persons. The Board of Directors, by resolution, set the number of directors to be elected at the Annual Meeting at 12.

On January 25, 2005, the Board of Directors accepted the Report of the Nominating Committee and approved the nomination of Kaj Ahlmann, John T. Baily, J. Ralph Borneman, Jr., Wilson C. Cooney, Patricia Garrison-Corbin, John R. Graham, Susan Hirt Hagen, C. Scott Hartz, F. William Hirt, Claude C. Lilly, III, Jeffrey A. Ludrof and Robert C. Wilburn for election as directors by the holders of Class B Common Stock at the Annual Meeting. On January 27, 2005, the Company issued a press release for the purpose of publicly announcing the Nominating Committee's slate of director nominees in accordance with Section 2.07(a)(3) of the Company's Bylaws.

On February 16, 2005, the Hagen Family Limited Partnership, a Class B shareholder, proposed the nomination of Jonathan Hirt Hagen as a candidate for election as a director of the Company at the Annual Meeting. The Nominating Committee considered the proposal and recommended to the Board of Directors that the number of directors to be elected be increased to 13, and that Jonathan Hirt Hagen be nominated for election. At its meeting on February 22, 2005, the Board of Directors accepted the recommendation of the Nominating Committee to increase the size of the Board of Directors to 13 and to add Jonathan Hirt Hagen as a candidate for election as a director of the Company. No other director candidates for election at the Annual Meeting were proposed for consideration by the Nominating Committee.

Candidates for Election

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the election of the nominees named below, all of whom were nominated by the Nominating Committee. With the exception of Jonathan Hirt Hagen, all of the nominees are currently directors of the Company. If a nominee becomes unavailable for any reason, it is intended that the proxies will be voted for a substitute nominee selected by the Nominating Committee of the Board of Directors. The Board of Directors has no reason to believe the nominees named will be unable to serve if elected. Any vacancy occurring on the Board of Directors for any reason may be filled by a majority vote of the directors then remaining in office until the next succeeding annual meeting of the Company's shareholders.

(a) A four-year term for Mr. Ludrof expiring December 15, 2007 and a two-year term for Messrs. Van Gorder, Garcia, Brinling, Ziegler, Krahe and Morgan expiring December 15, 2005, unless the agreement is theretofore terminated in accordance with its terms, with or without Cause (as defined in the agreement), or due to the disability or death of the officer or notice of nonrenewal is given by the Company or the executive 30 days before any anniversary date;

(b) A minimum annual base salary at least equal to the executive's annual base salary at the time the agreement was executed, subject to periodic review to reflect the executive's performance and responsibilities, competitive compensation levels and the impact of inflation;

Table of Contents

(d) The establishment of the terms and conditions upon which the executive's employment may be terminated by the Company and the compensation of the executive in such circumstances. The agreements provide generally, among other things, that if the employment of an executive is terminated without Cause by the Company or by the executive for Good Reason (as defined in the agreement) then the executive shall be entitled to receive: (i) an amount equal to the sum of three times the executive's highest annual base salary during the preceding three years plus an amount equal to three times the total of the executive's highest award during the preceding three years under any Company annual incentive plan; (ii) any award or other compensation to which the executive is entitled under any Company LTIP; (iii) continuing participation in any employee benefit plans for a period of three years following termination to the extent the executive and his or her dependents were eligible to participate in such programs immediately prior to the executive's termination and (iv) immediate vesting and nonforfeitability of accrued benefits under the Company's Supplemental Retirement Plan for Certain Members of the Erie Insurance Group Retirement Plan for Employees (the SERP), including an unreduced benefit for early retirement before age 65, and a gross-up for income taxes on the annuity and/or lump sum payment of the retirement benefit;

(e) A cash payment (a Gross-Up Payment) equal to the then current rate of tax under Section 4999 of the Internal Revenue Code of 1986, as amended (the Code) multiplied by the total of the amounts paid or payable, including the Gross-Up Payment, which are deemed to be a part of an excess parachute payment as that term is defined in Sections 4999 and 280G of the Code;

(f) Provisions relating to confidentiality and nondisclosure following an executive's termination; and

(g) An agreement by the executive not to compete with the Company for a period of one year following his or her termination, unless such termination was effected by the Company without Cause.

Stock Options and Stock Appreciation Rights

The Company does not have a stock option plan, nor has it ever granted any stock option or stock appreciation right to any of the persons named in the Summary Compensation Table.

Long-Term Incentive Plans

In 1997, the Company adopted the Initial LTIP, which was designed to enhance the growth and profitability of the Company by providing the incentive of long-term rewards to key employees who are capable of having a significant impact on the performance of the Company, to attract and retain employees of outstanding competence and ability and to further align the interests of such employees with those of the shareholders of the Company. The Initial LTIP was approved by the holders of the Company's Class B Common Stock in 1997 as a performance-based plan under the Code, and its continuation was approved by the Company's shareholders at the 2002 Annual Meeting in satisfaction of the requirements of the Code. The Initial LTIP was amended at the 2003 Annual Meeting to increase the maximum value of the phantom share units that could be earned by a participant in any performance award from \$500,000 to \$1,000,000 and at the same time was reapproved by the Company's shareholders. Each participant is granted awards of phantom share

Table of Contents

units under the Initial LTIP based upon a target award calculated as a percentage of the participant's base salary. The total value of any phantom share units is determined at the end of the performance period based upon the growth in the Company's retained earnings. Each participant is then entitled to receive restricted shares of Class A Common Stock equal to the dollar value of the phantom share units at the end of the performance period. The vesting period for the restricted shares of Class A Common Stock issued to each executive is three years after the end of the performance period. If a participant ceases to be an employee prior to the end of the performance period for reasons other than retirement, death or disability, the participant forfeits all phantom share units awarded. If a participant ceases to be an employee after the end of the performance period but prior to the end of the vesting period for reasons other than retirement, death or disability, the participant forfeits all unvested restricted shares previously granted. Because the Board of Directors and holders of Class B Common Stock approved a new long-term incentive plan described below, no further awards will be made under the Initial LTIP and the last performance period under the Initial LTIP will be 2003-2005.

In 2004, the Compensation Committee recommended the adoption of the New LTIP to replace the Initial LTIP. The Company's Board of Directors adopted the New LTIP and, in accordance with the Code and Nasdaq rules, the holders of Class B Common Stock approved the New LTIP at the Company's 2004 Annual Meeting. The New LTIP became effective March 2, 2004. The New LTIP is administered by the Compensation Committee of the Board of Directors. The Compensation Committee is authorized to grant restricted performance shares to participants. Restricted performance shares represent a right to receive shares of Class A Common Stock based on the achievement, or the level of achievement, during a specified performance period of one or more performance goals established by the Compensation Committee at the time of the award. At the time restricted performance shares are granted, the Compensation Committee will specify in writing (1) the performance goals applicable to the award, the weighing of such goals and the performance period during which the achievement, or the level of achievement, of the performance goals are to be measured, (2) the number of shares of Class A Common Stock that may be earned by the participant based on the achievement, or the level of achievement, of the performance goals or the formula by which such amount shall be determined and (3) such other terms and conditions as the Compensation Committee determines to be appropriate. Following completion of the applicable performance period, the Compensation Committee will determine whether the applicable performance goals were achieved, or the level of such achievement, and the number of shares, if any, earned by the participant based upon such performance. The Company will then issue to the participant the number of shares of Class A Common Stock earned pursuant to the award of restricted performance shares for the relevant performance period. If a participant ceases to be an employee of the Company, its subsidiaries and affiliates prior to the end of a performance period by reason of death, disability or normal or early retirement (as defined in the Company's qualified pension plan for employees), the participant may receive all or such portion of his or her award as may be determined by the Compensation Committee in its discretion; however, a participant will not receive less than the total number of shares of Class A Common Stock earned pursuant to such restricted performance shares held by such participant based upon performance during the reduced performance period that is deemed to end on the last day of the year in which employment terminates. If a participant ceases to be an employee of the Company, its subsidiaries and affiliates prior to the end of a performance period for any reason other than death, disability or normal or early retirement, the participant may receive all or such portion of his or her award as may be determined by the Compensation Committee

in its discretion. A participant who is terminated for cause is not entitled to receive payment of any award for any performance period. The maximum number of shares of Class A Common Stock that may be earned under the New LTIP by any single participant during any one calendar year is limited to 250,000 shares.

The following table sets forth target awards granted under the Initial LTIP and the New LTIP to each person named in the Summary Compensation Table, all current executive officers as a group and all employees other than the executive officers as a group (i) for the three-year performance period of 2004 to 2006 under the New LTIP, (ii) for the three-year performance period of 2003 to 2005 under the Initial LTIP and (iii) for the three-year performance period of 2002 to 2004 under the Initial LTIP.

Under the Initial LTIP, the actual value of an executive's phantom share units at the end of a performance period may be more or less than the executive's target amount. However, the maximum value of phantom share units earned by an executive for each of the 2002-2004 and 2003-2005 performance periods is \$500,000.
- (4) An executive's target award is established by the Compensation Committee. Under the New LTIP, the actual number and value of the shares of Class A Common Stock paid to an executive for restricted performance shares at the end of a performance period may be more or less than the executive's target. However, the number of shares of Class A Common Stock issued to an executive for his or her restricted performance shares may not exceed 250,000 shares at the end of a performance period.

The compensation covered by the Retirement Plans is the base salary reported in the Summary Compensation Table.

Under the Retirement Plans, credited years of service is capped at 30 years. Credited years of service for each of the individuals named in the Summary Compensation Table is as follows: Jeffrey A. Ludrof 24 years, Jan R. Van Gorder 24 years, Philip A. Garcia 24 years, John J. Brinling, Jr. 30 years and Thomas B. Morgan 11 years.

Table of Contents

The benefits under the Retirement Plans are computed on the basis of straight-life annuity amounts and a life annuity with a ten-year certain benefit. The benefits listed in the Pension Plan Table are not subject to deduction for Social Security or other offset amounts. The information in the foregoing table does not reflect certain limitations imposed by the Code. The Code prohibits the inclusion of earnings in excess of \$210,000 per year (adjusted periodically for cost of living increases) in the average earnings used to calculate benefits. The Code also limits the maximum annual pension (currently \$170,000, but adjusted periodically for cost of living increases) that can be paid to each eligible employee. The SERP provides benefits for senior management in excess of the earnings limitations imposed by the Code similar to those provided to all other full-time employees as if the Code limitations were not in effect. Those benefits are incorporated into the Pension Plan Table.

Director Compensation

The annual retainer for the Company's directors for services to all member companies of the Erie Insurance Group, including the Company, is \$25,000, plus \$1,500 for each meeting attended and \$1,500 for each committee meeting attended plus an additional \$2,000 per year for each committee chairperson. The Company's share of the retainer in 2004 was 60%. In addition, all directors are reimbursed for their expenses incurred in attending meetings. Officers of the Company who serve as directors are not compensated for attendance at meetings of the Board of Directors and its committees. See also Certain Transactions. A director may elect prior to the end of a calendar year to defer receipt of up to 100% of the director's board compensation for the following year, including retainers, meeting fees and chairperson fees. A deferred compensation account is maintained for each outside director who elects to defer board compensation. A director who defers board compensation may select hypothetical investment options for amounts in the director's deferred compensation account and such account is credited, including with hypothetical interest, based on the investment results of the hypothetical investment options selected.

In 2002, the Company's Board of Directors, at the recommendation of the Compensation Committee, approved a deferred stock compensation plan for the Company's outside directors. The purpose of this plan is to further align the interests of outside directors with shareholders by providing for a portion of annual compensation for the directors services in shares of the Company's Class A Common Stock. A deferred stock account is maintained for each outside director under the plan. The account is credited annually with a grant of shares of Class A Common Stock determined by dividing \$25,000 by the closing price of the Class A Common Stock on the first business day after the Company's annual meeting of shareholders. Each director vests in the grant 25% every three full calendar months over the course of a year, with the final 25% vesting on the date of the next annual meeting if the next annual meeting is held before the final three full calendar months have elapsed. Dividends paid by the Company are reinvested into each director's account with additional shares of the Company's Class A Common Stock and such credited shares vest immediately. The Company accounts for the fair value of its grants under the plan in accordance with FAS 148, Accounting for Stock-Based Compensation. The annual charge related to this plan to the Company and its affiliates totaled approximately \$338,713 for 2004; the Company's share of this charge for 2004 was approximately \$203,228.

reference into any filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the report or the performance graph by reference therein.

The general philosophy of the Compensation Committee is to provide executive compensation designed to enhance shareholder value, including annual compensation, consisting of base salary, annual and long-term incentive compensation and equity-based compensation. To this end, the Compensation Committee designs and oversees compensation plans and incentives to link the financial interests of the Company's executive and senior officers to the interests of its shareholders, encourage support of the Company's long-term goals, tie executive compensation to the Company's performance, attract and retain talented leadership and encourage ownership of the Company's stock by executive and senior officers.

In making decisions affecting executive compensation, the Compensation Committee reviews the nature and scope of the officer's responsibilities as well as his or her effectiveness in supporting the Company's long-term goals. The Compensation Committee also considers the compensation practices of other corporations that compete with the Company. Based upon these and other factors that it considers relevant, and in light of the Company's overall long-term performance, the Compensation Committee has considered it appropriate and in the best interest of the shareholders and the Company to set overall executive compensation at a level that enables the Company to continue to attract, retain and motivate highly qualified executive personnel.

In addition, the Compensation Committee is responsible for the oversight of the Company's management succession planning to ensure continuity of leadership. The Compensation Committee assesses executive development twice each year and reports and reviews such development activity with the Board of Directors on an annual basis.

The Compensation Committee reviewed the operation and effectiveness of the current executive compensation program, determined the plan design and results were effective, and recommended the program continue for 2005.

The Compensation Committee engaged Towers Perrin to conduct an industry analysis of executive and senior officer compensation. The study evaluated competitive compensation information from businesses generally as well as from other insurance companies. The information collected included base salaries, annual and long-term incentive awards and target compensation levels by position. The results of the analysis were used to assess compensation for the Company's Chief Executive Officer and the four next most highly compensated executive officers.

Towers Perrin also was engaged to conduct a general and insurance industry-specific competitive compensation analysis of director compensation. The Compensation Committee and the Board of Directors reviewed the findings of the analysis and agreed to reconsider the matter at the April 2005 Board meeting.

In April 2004, the Compensation Committee interviewed several individuals to serve as an independent consultant to the Compensation Committee on matters related to executive

compensation. William Strahan, of Mercer Consulting, was retained by the Compensation Committee to serve in this capacity on an as-needed basis.

The Compensation Committee initiated a review and analysis of the employment agreements for executive officers. The findings of the analysis, conducted by Towers Perrin, will be reviewed by the Compensation Committee and the Board when completed.

On January 1, 2004, a new Annual Incentive Plan and a new Long-Term Incentive Plan were implemented. Both plans were subsequently approved by holders of shares of the Company's Class B Common Stock at the 2004 Annual Meeting. Participants include the chief executive officer, all other executive officers, senior vice presidents and regional vice presidents.

CERTAIN TRANSACTIONS

J. Ralph Borneman, Jr., a director of the Company, and Samuel P. Black, III, a director of the Company until December 2004, are officers and principal shareholders of insurance agencies that receive insurance commissions in the ordinary course of business from the insurance companies managed by the Company in accordance with the companies' standard commission schedules and agents' contracts. Such payments made in 2004 to the agencies for commissions written on insurance policies from the Property and Casualty Group and EFL amounted to \$5,534,856 and \$499,701 for the Borneman and the Black insurance agencies, respectively.

Pursuant to previously approved compensation arrangements for executive officers, the Company maintained split-dollar life insurance arrangements for the following former Chief Executive Officers: Mr. Hirt, the Chairman of the Board of Directors, and Thomas B. Hagen, the

Table of Contents

husband of Mrs. Hagen, a director of the Company and the father of Jonathan Hirt Hagen, a nominee for election as a director at the Annual Meeting. The Company also maintained split-dollar life insurance arrangements for two current executive officers who serve as directors of the Company: Jeffrey A. Ludrof, the Company's President and Chief Executive Officer, and Jan R. Van Gorder, the Company's Senior Executive Vice President, Secretary and General Counsel. In 2003, the Company negotiated the termination of these split-dollar arrangements.

For all split-dollar insurance policies for which Thomas B. Hagen and Susan Hirt Hagen are the insureds, the policy owner in each case is an irrevocable trust created by the insured. With respect to the single life split-dollar insurance policies purchased in 1988 with Thomas B. Hagen or Susan Hirt Hagen as the insured, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$258,008. Under the split-dollar agreement, this reimbursement was not due until the death of the insured for each policy. The owner of the policies borrowed against the policies to make this repayment. Beginning in 2004, the Company agreed to provide annually to the policy owners, as indemnification for the early repayment, an amount equal to the interest on the policy loans, grossed up for income taxes. The amount of this payment for 2004 was \$45,384. With respect to the second to die split-dollar life insurance policies purchased in 1990 with Thomas B. Hagen and Susan Hirt Hagen as joint insureds, the Company agreed to forgive the policy owner's obligation to reimburse the Company for premiums previously advanced by it in the amount of \$543,938. The Company also agreed to indemnify Thomas B. Hagen in the amount of \$414,661 for the income tax liability resulting from the forgiveness of this obligation, which payment was made on January 14, 2004. The forgiveness and the tax indemnification satisfy the Company's obligation to Thomas B. Hagen to maintain the 1990 policies until the second to die of the insureds, pursuant to an agreement dated October 21, 1993 between Thomas B. Hagen and the Company.

With respect to the single life split-dollar insurance policy purchased in 1988 with Mr. Hirt as the insured, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$256,662. Under the split-dollar agreement, this reimbursement was not due until the death of the insured. The owner of the policy borrowed against the policy to make this repayment. Beginning in 2004, the Company agreed to provide annually to the insured, as indemnification for the early repayment, an amount equal to the interest on the policy loan, grossed up for income taxes. The amount of this payment for 2004 was \$42,744. With respect to the second to die split-dollar life insurance policy purchased in 1990 with Mr. Hirt and his wife as the insureds, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$914,304. Under the split-dollar agreement, this reimbursement was not due until the death of the respective insured. The owner of the policy borrowed against the policy to make this repayment. Beginning in 2004, the Company agreed to provide annually to the insureds, as indemnification for the early repayment, an amount equal to the average value of the economic benefit to the insureds for the next five years. This value was derived from the P.S. 58 rates provided by the Internal Revenue Service to measure the taxable economic benefit received by employees from the pure insurance protection provided by split-dollar plans and qualified retirement plans. These payments totaled \$70,645 and \$74,617 in 2005 and 2004, respectively.

Table of Contents

Effective May 1, 2003, the Company entered into leases expiring on April 30, 2006 for each floor of a three-story office building, with a lower level basement, in Erie, Pennsylvania. The first two floors of the building are owned jointly by the Black Interests Limited Partnership, of which Samuel P. Black, III, a director of the Company until December 2004, is the managing general partner and a limited partner, and by the estate of Mr. Black's father, of which Mr. Black is executor. The lower level basement area is owned by Historic Square Properties, a general partnership in which Jan R. Van Gorder, the Company's Senior Executive Vice President, Secretary and General Counsel and a director, is a general partner with an approximately one-third economic interest. This lease transaction for the office building was authorized by the Board of Directors; Mr. Black and Mr. Van Gorder recused themselves from discussion of and voting on the lease transaction. In addition, the interests of Mr. Black and Mr. Van Gorder in the office building were disclosed to the Board of Directors prior to its approval of the lease transaction. The amount of rent paid by the Company to the Black Interests Limited Partnership and the estate of Mr. Black's father during 2004 were \$112,500 and \$37,500, respectively. The amount of rent paid to Historic Square Properties during 2004 was \$32,000. In addition, the Company made property tax reimbursement payments to Black Interests Limited Partnership, the estate of Mr. Black's father and Historic Square Properties in the amounts of \$21,150, \$7,050 and \$3,593, respectively, during 2004.

LEGAL PROCEEDINGS

Legal Proceedings Relating to the Appointment of a Successor Corporate Trustee to Bankers Trust

On March 3, 1999, Bankers Trust (now Deutsche Bank) filed a petition with the Court requesting that the Court accept its resignation as corporate trustee of the H.O. Hirt Trusts as a result of conflicts of interest that Bankers Trust believed existed because of certain insurance operations conducted by its parent company and affiliates. Deutsche Bank is also one of the largest market makers in the Company's Class A Common Stock.

On May 7, 1999, the Court conducted a hearing on the Bankers Trust Petition, at which time the Court issued an Order accepting the resignation of Bankers Trust at such time as the Court appoints a successor corporate trustee.

On December 15, 1999 and on January 27, 2000, the Court conducted hearings on the selection of a successor corporate trustee, including the presentation of testimony by two successor trustee candidates, one supported by Mr. Hirt and one supported by Mrs. Hagen. Subsequent to that testimony, Laurel Hirt, Mr. Hirt's daughter and a beneficiary of the H.O. Hirt Trusts, filed a petition requesting that the Court also consider a third successor corporate trustee candidate not supported by Mr. Hirt. Mr. Hirt has filed a petition objecting to Laurel Hirt's petition. Both Laurel Hirt's and Mr. Hirt's petitions are currently pending.

In a related matter, Mr. Hirt and Mrs. Hagen, pursuant to a February 23, 2000 Order of the Court, were directed to finalize certain matters relating to a so-called "funding plan" for the payment of the fees and costs of the successor corporate trustee and to make application to the Internal Revenue Service for a private letter ruling on the tax treatment of the finalized "funding plan." Under its Order of February 23, 2000, the Court indicated that upon the receipt of the private letter ruling

from the Internal Revenue Service, the Court would then select the successor corporate trustee from the two candidates.

On March 6, 2000, the Company filed a motion for reconsideration and/or clarification of the Court's February 23, 2000 Order. The motion requested that the Court (i) reconsider its schedule for designating a successor corporate trustee due to the March 3, 1999 resignation and make that designation presently and (ii) reconsider and/or clarify the Court's prohibition on the Company's involvement in a finalized funding plan for payment of the corporate trustees' fees because several of the proposed funding alternatives could only be implemented through actions to be undertaken by the Company. On March 8, 2000, Mr. Hirt also filed a motion for reconsideration. On March 15, 2000, the Court denied the Company's and Mr. Hirt's motions.

On January 30, 2001, the Court conducted a further hearing on the matter of the selection of a successor corporate trustee.

On September 10, 2001, a Joint Petition for Construction of the H.O. Hirt Trusts (the Joint Construction Petition) was filed by Mr. Hirt, Mrs. Hagen and Bankers Trust. The Joint Construction Petition sought, among other things, relief from the Court in the form of an Order of the Court under which the trustees of the H.O. Hirt Trusts would, under certain circumstances, be permitted to sell shares of Class B Common Stock owned by the H.O. Hirt Trusts in order to fund the fees and expenses of the corporate trustee.

On October 16, 2001, Laurel Hirt filed an Answer and Objection to the Joint Construction Petition. On December 3, 2001, Mr. Hirt and Mrs. Hagen filed responses to Laurel Hirt's Answer and Objection.

On January 25, 2002, the Court conducted a hearing on the matter of the Joint Construction Petition. On January 28, 2002, the Court entered its Order indicating that it was deferring any decision on the Joint Construction Petition until April 1, 2002 so as to permit the parties to attempt to mediate the issues raised by the Joint Construction Petition. The Court further indicated in its January 28, 2002 Order that if the parties were not able to mediate those issues, the Court would enter a ruling on the Joint Construction Petition within 30 days after April 1, 2002.

On June 13, 2002, the Court entered its Order approving the Joint Construction Petition, thereby permitting the H.O. Hirt Trusts, under certain circumstances, to sell shares of Class B Common Stock owned by the H.O. Hirt Trusts in order to pay the fees and expenses of the corporate trustee. Laurel Hirt appealed the Court's June 13, 2002 Order to the Pennsylvania Superior Court. Mr. Hirt and Mrs. Hagen opposed Laurel Hirt's appeal, and, on October 16, 2003, the Pennsylvania Superior Court denied Laurel Hirt's appeal.

On November 21, 2003, Laurel Hirt filed a Petition for Allowance of Appeal with the Pennsylvania Supreme Court, which Petition was denied on October 5, 2004. Laurel Hirt subsequently filed an Application for Reconsideration of Petition for Allowance of Appeal, which Application was also denied by the Pennsylvania Supreme Court on November 24, 2004.

Table of Contents

On March 1, 2005, the Court entered its Order that all nominations for successor corporate trustee by beneficiaries that have previously tendered an appearance in the matter are to be tendered to the Court by May 1, 2005. Such beneficiaries have until June 1, 2005 to file written objections to proposed candidates and the next hearing before the Court regarding the selection of the successor corporate trustee is currently scheduled for July 2005.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Pursuant to the Company's Bylaws, the Audit Committee has sole authority to engage the Company's independent registered public accountants. The Audit Committee annually considers the selection of the Company's independent registered public accountants. The Audit Committee selected Ernst & Young LLP to be the Company's independent registered public accountants for the fiscal years ended December 31, 2004 and 2003 and Ernst & Young LLP served in that capacity for the fiscal years ended December 31, 2004 and 2003.

Malin, Bergquist & Co. (M,B&C) served as the Company's independent auditors for the Company's 2002 fiscal year. M,B&C's report on the Company's consolidated financial statements for 2002 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. For the Company's 2002 fiscal year, and through March 27, 2003, the date of the Company's initial appointment of Ernst & Young LLP, the Company had no disagreements with M,B&C on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure that, if not resolved to M,B&C's satisfaction, would have caused M,B&C to make reference to the subject matter in connection with its report on the Company's consolidated financial statements for such year; and there were no reportable events, as specified in Item 304(a)(1)(v) of Regulation S-K of the SEC.

The Company provided M,B&C with a copy of the foregoing disclosures. The Company's Report on Form 8-K/A dated March 27, 2003 included as Exhibit 16.1 a copy of M,B&C's letter, dated March 27, 2003, stating its agreement with such statements.

For the Company's 2002 fiscal year, and through March 27, 2003, the Company did not consult Ernst & Young, LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K, except that on October 23, 2002, Ernst & Young LLP was engaged by the Company, with concurrence by the Audit Committee, to consult with Company management and with M,B&C regarding the registration with the SEC of the Company's Class A Common Stock on Form S-3 on behalf of a selling shareholder. Such consultation was limited to providing assistance in the Company's responses to accounting comments made by the SEC on a registration statement filed by the Company. The registration statement became effective January 22, 2003. The consultation included:

Participation in discussions with the Company and representatives of M,B&C;

Review and discussion of applicable accounting literature and SEC comments; and

Assistance in drafting responses to SEC comments.

Ernst & Young LLP provided oral viewpoints, none of which created a material change in the application of accounting principles or disclosure matters. There were also no disagreements between M,B&C, Ernst & Young LLP and Company management on the application of accounting principles to the Company's financial statements or transactions.

Representatives from Ernst & Young LLP are expected to attend the Annual Meeting and will have the opportunity to make a statement if they so desire. Such representatives are expected to be available at the Annual Meeting to respond to appropriate questions from shareholders.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee of the Board of Directors oversees the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The Board of Directors has adopted a written charter for the Audit Committee, which may be viewed on the Company's website at: <http://www.erieinsurance.com>. The Audit Committee is presently comprised of five directors, all of whom are independent directors as defined in the Nasdaq and SEC rules and all of whom satisfy the financial literacy requirements thereof. In addition, the Board of Directors has determined that one member of the Audit Committee, Mr. Baily, satisfies the financial expertise requirements and has the requisite experience as defined by rules of the SEC. The Audit Committee's charter states that members may not simultaneously serve on the audit committees of more than two other public companies without approval of the Board of Directors. Mr. Baily, Mr. Graham and Mr. Lilly serve on the audit committees of more than two other public companies and the Board of Directors has determined that Mr. Baily's, Mr. Graham's and Mr. Lilly's ability to serve on the Audit Committee have not been impaired.

The Audit Committee, which met eight times during 2004, has the responsibility, consistent with the requirements of Section 1405(c)(4) of the Holding Companies Act and the Company's Bylaws, for the selection of independent registered public accountants, reviewing the scope and results of the audit and reviewing the adequacy of the Company's accounting, financial, internal and operating controls.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2004 with management.

Throughout 2004, management completed its documentation, testing and evaluation of the Company's system of internal control over financial reporting as required by Section 404 of Sarbanes-Oxley and related regulations. The Audit Committee was kept apprised of the progress of the

evaluation through periodic updates from management and Ernst & Young LLP and provided oversight to management throughout the process. At the conclusion of the process, the Audit Committee reviewed management's report on the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed Ernst & Young LLP's report on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting.

The Audit Committee discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the Audit Committee received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*, and has discussed with the independent registered public accountants their independence.

The Audit Committee reviews its charter annually. The Audit Committee has also established a procedure whereby persons with complaints or concerns about accounting, internal control or auditing matters may contact the Audit Committee.

Based upon the discussions and reviews referred to above, the Audit Committee recommended to the Board of Directors that (1) the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 to be filed with the SEC, and (2) the Board accept management's report on its assessment on the effectiveness of the Company's internal control over financial reporting.

AUDIT FEES

The Audit Committee approves the fees and other significant compensation to be paid to the independent registered public accountants for the purpose of preparing or issuing an audit report or related work. The Audit Committee also preapproves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent registered public accountants, subject to the de minimis exceptions for non-audit services described in the Exchange Act. The Audit Committee delegated to the Audit Committee Chair preapproval authority for additional audit and non-audit services subject to subsequent approval by the full Audit Committee at its next scheduled meeting.
