The principal business of RC Management is to serve as the managing member of RC Aviation. The principal business of Mr. Hershfield is to manage various businesses, including, without limitation, RC Aviation and RC Management.

(d-e) None of the Reporting Persons has, during the last five years, (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), nor (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The citizenship of RC Aviation and RC Management are as set forth above. The citizenship of Mr. Hershfield is the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

(a) The Common Stock and Common Stock Warrants were obtained by the Reporting Persons in consideration for the exchange of certain bankruptcy-related claims for defaulted aircraft lease contracts held by the Reporting Persons against the Company's subsidiary, Hawaiian Airlines, Inc. (Subsidiary), and (b) the Notes were purchased by RC Aviation from the Company, as further described in Item 4 below. The claims and Notes were purchased by RC Aviation from its working capital.

Item 4. Purpose of Transaction.

RC Aviation was formed for the purpose of acquiring an equity interest in the Company in order to obtain the opportunity to profit from an investment in the Company and the Subsidiary, and to have a significant influence on the Subsidiary's plan of reorganization in the Subsidiary's bankruptcy proceeding, and on the direction and management of the Company and the Subsidiary after confirmation of the Subsidiary's plan of reorganization in such bankruptcy proceeding. The Securities beneficially held by the Reporting Persons were acquired in a series of transactions as further described below:

CUSIP No. 419879101

SCHEDULE 13D

Page 5 of 9 Pages

(a) On June 11, 2004, RC Aviation entered into a Stock Purchase Agreement that provided for the private sale of 10,000,000 shares of Common Stock held by AIP, LLC (AIP) to RC Aviation.

(b) On June 11, 2004, AIP and RC Aviation entered into a Stockholders Agreement (the AIP Stockholders Agreement) with respect to 2,159,403 shares of the Company's Common Stock held at that time by AIP. Among other things, the AIP Stockholders Agreement provides that (i) if AIP intends to sell or otherwise transfer any equity security of the Company then held by it, it shall give RC Aviation the right of first offer with respect to such equity securities; (ii) if AIP receives an offer from any third party to purchase any equity securities then held by AIP, RC Aviation shall have a right of first refusal with respect to such shares of equity securities; (iii) if RC Aviation agrees to sell all, or substantially all of the Common Stock then held by it to an unaffiliated third party, it may require AIP to sell all, but not less than all, of the Common Stock then held by AIP in such transaction; and (iv) if RC Aviation agrees to sell the Common Stock then held by it to an unaffiliated third party and does not exercise its rights described in the preceding sentence, then AIP shall have the right to participate in such sale up to AIP's pro rata portion of the Common Stock to be sold in such transaction. The Reporting Persons have been notified by AIP that pursuant to a series of transactions AIP has sold all of the shares of Common Stock previously held by it, which has subsequently resulted in a decrease in the number of shares of Common Stock beneficially held by the Reporting Persons. The foregoing description of the AIP Stockholders Agreement is qualified in its entirety by reference to such document, the form of which was filed as Exhibit 3 to the Schedule 13D filed by the Reporting Persons with the SEC on June 21, 2004.

(c) On June 1, 2005, the Company and RC Aviation agreed to the terms of a \$60 million bridge financing in the form of the Notes, which Notes were purchased by RC Aviation pursuant to that certain Note Purchase Agreement (the Note Purchase Agreement). The Note Purchase Agreement provides that the Notes be divided into two series, the Series A Subordinated Convertible Note and the Series B Subordinated Convertible Note, both of which are due June 1, 2010, and will pay interest at 5% per year (payable at the Company's option in cash or in kind). The Notes are convertible, beginning on June 1, 2006, into Common Stock of the Company at the conversion rate of \$4.35 per share (subject to

adjustment). The Company has the right to prepay the Notes at any time prior to June 1, 2006 in whole or in part at 105% of par. The foregoing description of the Note Purchase Agreement is qualified in its entirety by reference to such document, the form of which was filed as Exhibit 1 to the Schedule 13D (Amendment No. 1) filed by the Reporting Persons with the SEC on June 21, 2005.

Pursuant to a series of redemptions occurring between October 19, 2005 and April 21, 2006, the Company redeemed the Notes pursuant to the terms of the Note Purchase Agreement, as well as a corresponding portion of the Common Stock Warrant from the members of RC Aviation, which redemptions were consented to by RC Aviation. After giving effect to the redemption of a portion of the Common Stock Warrant, the Common Stock Warrant now entitles the holder thereof to purchase 5,973,384 shares of Common Stock (a decrease from the 6,856,000 shares of Common Stock that were originally exercisable prior to the redemptions described herein).

(d) In June 2005, RC Aviation, RC Management and Mr. Hershfield acquired beneficial ownership of 1,402,121, 1,504,782 and 1,504,782 additional shares, respectively, of the Company's Common Stock pursuant to the terms of the Subsidiary's plan of reorganization. Under this plan, the Reporting Persons, as holders of certain claims relating to the defaulted aircraft leases, received distributions in exchange for their allowed claims in an amount of cash equal to 50% of the allowed claim and an amount of the Company's Common Stock equal to 50% of the allowed claim based on a stock value of \$6.16 per share of Common Stock.

SCHEDULE 13D

(e) Following the effectiveness of the Company's Registration Statement on Form S-3 (the "Registration Statement"), on May 3, 2006, as required by the terms of RC Aviation's Second Amended and Restated Limited Liability Company Operating Agreement (the "Operating Agreement") and that certain letter agreement, dated November 2, 2005, entered into between RC Aviation and certain of its members (the "Letter Agreement"), RC Aviation distributed the Common Stock Warrant to its members. In addition, on May 8, 2006, as required by the terms of the Operating Agreement and the Letter Agreement, RC Aviation distributed 6,848,948 shares of Common Stock to its members, retaining 3,151,052 shares of Common Stock from the 10,000,000 shares of Common Stock initially acquired from AIP. As the managing member of RC Aviation, RC Management received its pro rata portion of the Common Stock Warrant, which equaled a warrant to purchase 758,158 shares of the Company's Common Stock. RC Management also received 1,105,882 shares of Common Stock pursuant to the distribution on May 8, 2006.

Other than as set forth above in this Amendment No. 3 to Schedule 13D, none of the Reporting Persons has any existing plan or proposal which relates to or would result in any of the matters enumerated in clauses (a) through (j), inclusive of Item 4 of Schedule 13D. However, the Reporting Persons may in the future engage in and may plan for their engagement in: (a) the acquisition by any person of additional securities of the Company or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition or control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.

Any future decision of the Reporting Persons to take any such actions with respect to the Company or the Subsidiary or their respective securities will take into account various factors, including the prospects of the Company and Subsidiary, general market and economic conditions and other factors deemed relevant.

Item 5. Interest in Securities of the Issuer.

(e) Not applicable.

The filing of this Amendment No. 3 to Schedule 13D shall not be construed as an admission that any of the Reporting Persons is, for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose, the beneficial owner of any of the

The Operating Agreement provides that RC Management may only be removed as the managing member of RC Aviation for fraud, willful neglect, or gross or reckless misconduct which, in each case, causes material harm to RC Aviation.

The Operating Agreement obligates RC Aviation to distribute ninety percent of the Securities to its members on a pro rata basis as soon as practicable following the date upon which the plan of reorganization of the Subsidiary shall have become effective and final (and all conditions subsequent thereto have been satisfied). In addition, the Letter Agreement provides that certain of the members of RC Aviation agreed to defer their right to receive Securities under the Operating Agreement until the earlier of (a) the date that such Securities are registered by the Company under the Registration Statement filed with the SEC; and (b) January 31, 2006. As described above, following the effectiveness of the Company's Registration Statement, RC Aviation distributed 6,848,948 shares of Common Stock and all of the Common Stock Warrant to its members. The foregoing descriptions of the Operating Agreement and Letter Agreement are qualified in their entirety by reference to such documents, the forms of which were filed as Exhibits 1 and 2 to the Schedule 13D (Amendment No. 2), filed by the Reporting Person with the SEC on December 12, 2005.
