### INFORMATION ABOUT THE ANNUAL MEETING

-----

What is the purpose of the annual meeting?

At the annual meeting, stockholders will be asked to vote on the following proposals:

Proposal 1. Election of two directors of Allied First Bancorp, each for a term of three years; and

Proposal 2. Ratification of the appointment of Crowe, Chizek and Company LLP as Allied First Bancorp's independent auditors for the fiscal year ending June 30, 2003.

The stockholders also will act on any other business that may properly come before the meeting. Members of our management team will be present at the meeting to respond to your questions.

Who is entitled to vote?

The record date for the meeting is September 4, 2002. Only stockholders of record at the close of business on that date are entitled to notice of and to vote at the meeting. The only class of stock entitled to be voted at the meeting is Allied First Bancorp's common stock. Each outstanding share of common stock is entitled to one vote for all matters before the meeting. At the close of business on the record date, there were 608,350 shares of common stock outstanding.

What if my shares are held in "street name" by a broker?

If your shares are held in "street name" by a broker, your broker is required to vote your shares in accordance with your instructions. If you do not give instructions to your broker, your broker will nevertheless be entitled to vote your shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to "non-discretionary" items. In the case of non-discretionary items, your shares will be treated as "broker non-votes." Proposals 1 and 2 are both expected to be considered "discretionary" items.

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of at least one-third of the shares of common stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, the stockholders who are represented may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken. An adjournment will have no effect on the business that may be conducted at the meeting.

How do I vote?

YOU MAY VOTE BY MAIL. If you properly complete and sign the accompanying proxy card and return it in the enclosed envelope, it will be voted in accordance with your instructions.

YOU MAY VOTE IN PERSON AT THE MEETING. If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. Note, however, that if your shares are held in the name of your broker, bank or other nominee, you will need to obtain a proxy from the holder of your shares indicating that you were the beneficial owner of those shares on September 4, 2002, the record date for voting at the meeting. You are encouraged to vote by proxy prior to the meeting even if you plan to attend the meeting.

Can I change my vote after I submit my proxy?

Yes, you may revoke your proxy and change your vote at any time before the polls close at the meeting by:

- o signing another proxy with a later date;
- o giving written notice of the revocation of your proxy to the Secretary of Allied First Bancorp prior to the annual meeting; or
- o voting in person at the annual meeting. Your proxy will not be automatically revoked by your mere attendance at the meeting; you must actually vote at the meeting to revoke a prior proxy.

How does the Board of Directors recommend I vote on the proposals?

Your Board recommends that you vote:

- o FOR election of the two nominees to the Board of Directors; and
- o FOR ratification of the appointment of Crowe, Chizek and Company LLP as Allied First Bancorp's independent auditors.

What if I do not specify how my shares are to be voted?

If you submit an executed proxy but do not indicate any voting

## Edgar Filing: ALLIED FIRST BANCORP INC - Form DEF 14A

instructions, your shares will be voted:

- o FOR election of the two nominees to the Board of Directors; and
- o FOR ratification of the appointment of Crowe, Chizek and Company LLP as Allied First Bancorp's independent auditors.

Will any other business be conducted at the meeting?

The Board of Directors knows of no other business that will be presented at the meeting. If, however, any other proposal properly comes before the stockholders for a vote at the meeting, the Board of Directors, as holder of your proxy, will vote your shares in accordance with its best judgment.

How many votes are required to elect the director nominees?

The affirmative vote of a plurality of the votes cast at the meeting is required to elect the two nominees as directors. This means that the two nominees will be elected if they receive more affirmative votes than any other persons nominated for election. No persons have been nominated for election other than the two nominees named in this proxy statement. If you vote "Withheld" with respect to the election of one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the Board of Directors, as holder of your proxy, will vote your shares for the substitute nominee unless you have withheld authority to vote for the nominee replaced.

How many votes are required to ratify the appointment of Allied First Bancorp's independent auditors?

The ratification of the appointment of Crowe, Chizek and Company LLP as Allied First Bancorp's independent auditors requires the affirmative vote of a majority of the votes cast on the matter.

4

How will abstentions be treated?

If you abstain from voting, your shares will still be included for purposes of determining whether a quorum is present. Because directors will be elected by a plurality of the votes cast, abstaining is not offered as a voting option for Proposal 1. If you abstain from voting on Proposal 2, the ratification of the appointment of Crowe, Chizek and Company LLP as Allied First Bancorp's independent auditors, your shares will not be included in the number of shares voting on the proposal and, consequently, your abstention will have no effect on the proposal.

How will broker non-votes be treated?

## Edgar Filing: ALLIED FIRST BANCORP INC - Form DEF 14A

Shares treated as broker non-votes on one or more proposals will be included for purposes of calculating the presence of a quorum but will not be counted as votes cast. Consequently, broker non-votes will have no effect on Proposal 1 or Proposal 2. If, as expected, Proposals 1 and 2 are considered "discretionary items," there will be no broker non-votes on these proposals.
