PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TITAN INTERNATIONAL, INC.**

May 18, 2006

GENERAL MATTERS

This Proxy Statement is being furnished to the stockholders of Titan International, Inc. ("Titan" or the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 18, 2006, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting, and at any adjournment or postponement of that meeting. This Proxy Statement and accompanying form of proxy will be first mailed to stockholders on or about March 30, 2006. Although the Company's Annual Report to Stockholders including Form 10-K for year ended December 31, 2005, is being mailed with the Proxy Statement, it is not part of the proxy soliciting material.

VOTING

Qualifications

Holders of shares of common stock (the "Common Stock") of the Company as of the close of business on March 21, 2006, (the "Record Date") will be entitled to receive notice of and vote at the Annual Meeting. On the Record Date, 19,614,464 shares of Common Stock were outstanding. Holders of Common Stock (the "Common Stockholders") are entitled to one vote per share of Common Stock they held of record on the Record Date on each matter that may properly come before the Annual Meeting.

Time and Place

The Annual Meeting of Stockholders of Titan International, Inc., an Illinois corporation, will be held on Thursday, May 18, 2006, at 11:00 a.m. Central Time, at the Company's Freeport, Illinois, manufacturing facility, main conference room, 3769 Route 20 East, Freeport, Illinois, 61032. Please note that if you are attending the Annual Meeting, proof of share ownership as of the record date must be presented, in addition to valid photo identification.

Proposals requiring Vote

To consider and act upon the following matters of Proposal #1, Election of Directors, and Proposal #2, Ratification of Independent Registered Public Accounting Firm, and such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Quorum

Common Stockholders of record on the Record Date are entitled to cast their votes in person or by properly executed proxy at the Annual Meeting. The presence, in person or by properly executed proxy, of the Common Stockholders holding a majority of the Common Stock outstanding on the Record Date is necessary to constitute a quorum at the Annual Meeting. Abstentions and "broker non-votes" (in cases when a broker has delivered a proxy that does not have authority to vote on the proposal in question) are counted as present in determining whether or not there is a quorum. If a quorum is not present at the time the Annual Meeting is convened, the Company may adjourn or postpone the Annual Meeting.

Procedures

All Common Stock represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not properly revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated, such proxies will be voted FOR the Proposals #1 and #2, and persons designated as proxies will vote with their best judgment on such other business as may properly come before the Annual Meeting. The Board of Directors of the Company does not know of any matters that will come before the Annual Meeting other than those described in the Notice of Annual Meeting attached to this Proxy Statement.

The votes of Common Stockholders holding a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for the election of each Director. Ratification of the selection of the independent registered public accounting firm requires the affirmative vote of the Common Stockholders holding a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting. Abstentions are counted in the number of shares present in person or represented by proxy for purposes of determining whether a proposal has been approved, and so are equivalent to votes against a proposal (other than the election of directors). Broker non-votes will have no impact on the outcome of any of the matters to be considered at the Annual Meeting.

Revoking a Proxy

Any proxy given pursuant to this solicitation may be revoked at any time before it is voted. Common Stockholders may revoke a proxy at any time prior to its exercise by filing with the Secretary of the Company a duly executed revocation and proxy bearing a later date or by voting in person by written ballot at the Annual Meeting. Attendance at the Annual Meeting will not of itself constitute revocation of a proxy. Any written notice revoking a proxy should be sent to: Cheri T. Holley, Secretary of Titan International, Inc., 2701 Spruce Street, Quincy, Illinois 62301.

ü PROPOSAL #1 - ELECTION OF DIRECTORS

The Board of Directors recommends that stockholders vote FOR the Board of Directors' slate of nominees standing for election.

The Company's Bylaws provide for three classes of directors of approximately equal numbers designated as Class I, Class II and Class III. Each director is elected for a three-year term and the term of each Class expires in a different year. With the exception of the Vice Chairman and Chief Executive Officer / Chairman (Messrs. Billig and Taylor), all directors are independent as defined in the New York Stock Exchange listing standards. The Nominating/Corporate Governance Committee recommended to the Board of Directors that Erwin H. Billig and Anthony L. Soave stand for election as Class II directors to serve until the 2009 Annual Meeting. The Board has put forth the slate of nominees consisting of Erwin H. Billig and Anthony L. Soave to stand for election at the 2006 Annual Meeting. Messrs. Billig and Soave are each current directors of the Company and have consented to continue serving as a director if elected.

In the unexpected event that a nominee for director is elected and becomes unable to serve before the Annual Meeting, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominees as may be appointed by the Company's existing Board of Directors, as recommended by the Nominating/Corporate Governance Committee. The following is a brief description of the business experience of each nominee for at least the past five years.

Erwin H. Billig - Mr. Billig is director and chairman of MSX International. From 1992 to 1999 he served as vice chairman of Masco Tech, Inc., and from 1986 to 1992 Mr. Billig was president and chief operating officer of Masco Tech, Inc. Mr. Billig is also a director and vice chairman of Remy International and director of Titan Europe Plc. Mr. Billig, who is 79 years old, is vice chairman of the board of Titan and became a director of the Company in 1992.

Anthony L. Soave - Mr. Soave is president, chief executive officer and founder of Soave Enterprises L.L.C., a Detroit-based holding company that owns and operates businesses in distribution, environmental and metals recycling, as well as other diversified industries. From 1974 to 1998 he served as president and chief executive officer of Detroit-based City Management Corporation, which he founded. Mr. Soave, who is 66 years old, became a director of the Company in 1994. Mr. Soave serves on the following committees: Audit, Compensation and Nominating/Corporate Governance.

ü PROPOSAL #2 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors recommends that stockholders vote FOR its selection of the independent registered public accounting firm, PricewaterhouseCoopers LLP, to audit the consolidated financial statements of the Company and its subsidiaries for 2006.

PricewaterhouseCoopers LLP has served the Company as independent registered public accounting firm during the year ended December 31, 2005, and has been selected by the Audit Committee to serve as the independent registered public accounting firm for the present year. If stockholders fail to ratify the selection of PricewaterhouseCoopers LLP, the Audit Committee will consider this fact when selecting an independent registered public accounting firm for the 2007 audit year. PricewaterhouseCoopers LLP has served the Company since 1983.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions of stockholders in attendance.

OTHER BUSINESS

The Board of Directors does not intend to present at the Annual Meeting any business other than the items stated in the "Notice of Annual Meeting of Stockholders" and does not know of any matters to be brought before the Annual Meeting other than those referred to above. If, however, any other matters properly come before the Annual Meeting requiring a stockholder vote, the persons designated as proxies will vote on each such matter in accordance with their best judgment.

Options Granted in 2005

The following table summarizes options granted in 2005, and the value of options outstanding on December 31, 2005, for the named executive officers.

Name	Number of Securities Underlying Options Granted (a)	Percent of Total Options Granted to Employees	Exercise Price	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (b)	
					5%	10%
Maurice M. Taylor, Jr.	#75,815		\$ 13.35	Jun. 2015	\$ 636,523	\$ 1,613,075

Cheri T. Holley	#35,000		\$ 13.35	Jun. 2015	\$ 293,851	\$ 744,676
	35,000	8.3%	17.18	Dec. 2015	378,154	958,317

(a) Options were granted in June and December, 2005 and were 100% exercisable by December 31, 2005.

(b) Potential realizable value is based on the assumption that the common stock price appreciates at the annual rate shown (compounded annually) from the date of grant until the end of the ten-year option term. The numbers are calculated based on the requirements promulgated by the Securities and Exchange Commission. The actual value, if any, an executive may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised (if the executive were to sell the shares on the date of exercise) so there is no assurance that the value realized will be at or near the potential realizable value as calculated in this table.

(c) Mr. Rodia joined the Company on November 1, 2005.

Aggregated Option Exercises in 2005 and Year-End Option Values

The following table sets forth certain information regarding options for the purchase of Common Stock that were exercised and/or held by the named executive officers.

Name	Shares Acquired On Exercise (#)	Value Realized (\$)	Number of Unexercised Options at December 31, 2005 Exercisable/Unexercisable (#)	Value of Unexercised in-the-Money Options at December 31, 2005 (a) Exercisable/Unexercisable(\$)
Maurice M. Taylor Jr.	#54,000	\$ 145,800	#380,640 / -0-	\$ 1,484,631 / -0-
Ernest J. Rodia (b)	-0-	n/a	-0- / -0-	-0- / -0-
Kent W. Hackamack	2,420	6,534	91,240 / -0-	251,723 / -0-
Cheri T. Holley	3,200	8,640	91,240 / -0-	251,723 / -0-

(a) The dollar values are calculated by determining the difference between the fair market value of the underlying common stock and the exercise price of the options at December 31, 2005. The value of unexercised in-the-money options, if any, an executive may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised (if the executive were to sell the shares on the date of exercise) so there is no assurance that the value of unexercised in the money options will be at or near the value as calculated in this table.

(b) Mr. Rodia joined the Company on November 1, 2005.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the “Committee”) is composed of four independent non-employee directors. The Board of Directors (“Board”) has determined that the members of the Committee satisfy the requirements of the New York Stock Exchange (“NYSE”) with respect to independence, experience and financial literacy. The Board has determined that Mr. Ed Campbell meets the requirements of the NYSE as the Financial Expert of the Committee. The Committee operates under a written charter adopted May 18, 2000, and amended January 20, 2004. This charter is available on the Company’s website: www.titan-intl.com.

The Committee has met quarterly with management, internal audit and the independent registered public accounting firm, individually and together, to review and approve the financial press releases, Form 10-Q and Form 10-K reports prior to their filing and release of earnings for 2005. The Committee has met in executive sessions. The Committee makes reports to the Board. The Committee has been active in the Sarbanes-Oxley 404 process and met as often as necessary to ensure that the process is on-going and the Company will meet the year end December 31, 2005, requirements. Mr. Ed Campbell, the Financial Expert of the Audit Committee, attended the Company’s Sarbanes-Oxley 404 training and is a participant on the Risk Assessment Committee. The Committee met a total of seven times in 2005.

The Committee has selected PricewaterhouseCoopers LLP (“PWC”) to serve as the independent registered public accounting firm for the Company for 2006 with stockholders approval and has approved the fees submitted by PWC for 2006. The Committee has discussed the issue of independence with PWC and is satisfied that they have met the independence requirement.

The Committee has completed an annual evaluation and in their opinion has met the requirements of their charter, the New York Stock Exchange and the Securities and Exchange Commission. The Committee has reviewed the Audit Committee Charter and has found it complies with the requirements of the New York Stock Exchange.

The Committee has established procedures for the receipt, retention and treatment of complaints relating to the Company.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in those fields, but make every effort to test the veracity of facts and accounting principles applied by management. The Audit Committee meets independently with PWC to evaluate the quality of accounting principles applied by management and to evaluate the quality of the Company’s internal audit function. REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors (the “Committee”) is composed of five independent non-employee directors. The Board of Directors (“Board”) has determined that the members of the Committee are independent. The Committee provides oversight of all executive compensation and benefit programs. The Committee operates under a written charter adopted January 20, 2004, which is posted on the Company’s website: www.titan-intl.com.

The philosophy of the Committee as it relates to executive compensation is that the Chief Executive Officer (“CEO”) and other executive officers should be compensated at competitive levels sufficient to attract, motivate and retain talented executives who are capable of leading the Company in achieving its business objectives in an industry facing increasing competition and change.

Annual compensation for the Company’s executive officers consists of base salary and bonus compensation. Salary levels of the Company executives are reviewed and are normally adjusted annually, and any bonuses are normally awarded annually. In determining appropriate salaries, the Committee considers: (i) the CEO’s recommendations as to compensation for all other executive officers; (ii) the scope of responsibility, experience, time and position and individual performance of each executive officer, including the CEO; and (iii) compensation levels of other companies in the industry. The Committee’s analysis is a subjective process, which utilizes no specific weights or formulas of the aforementioned factors in determining executives’ base salaries.

The Committee considers bonus compensation to be the primary motivational method for encouraging and rewarding outstanding individual performance, especially for the Company’s senior management, and overall performance of the Company. Bonuses are based primarily upon: (i) performance of the Company; (ii) performance of the individual; and (iii) recommendation of the CEO. The purpose of awarding bonuses is to provide a special incentive to maximize individual performance and the overall performance of the Company. There are employment contracts for executive officers, which are also considered.

In determining the total compensation package for the CEO for 2005, the Committee considered all of the factors discussed above. Additionally, the Committee considered the Company’s performance, the success of the Company’s facilities in surpassing their objectives, the extent and timing of the additions to the Company during the year, the quality and efficiency of the Company’s staff, and certain other factors relating to the Company’s performance.

The Committee discussed director compensation and made suggestions to the Board. The Committee has completed an annual evaluation and in their opinion has met the requirements of their charter. The Committee has reviewed the Compensation Committee Charter and has found it complies with requirements of the New York Stock Exchange. The Committee makes a report to the Board when appropriate. The Committee met once during 2005.

These qualifications include, among other things, integrity, business experience, stature in their field of endeavor, diversity of perspective, ability to reach thoughtful, independent and logical judgments on difficult and complex issues, and whether the candidate meets the independence standards of the Securities and Exchange Commission and the New York Stock Exchange. The Nominating/Corporate Governance Committee then presents qualified candidates to the full Board of Directors for consideration and selection. The Nominating/Corporate Governance Committee will consider nominees for election to the Board that are recommended by stockholders, applying the same criteria for candidates as discussed above, provided that a description of the nominees’ qualifications for the directorship, experience and background, a written consent by a nominee to act as such, and other information specified in the By-Laws, accompany the stockholder’s recommendation. Any stockholder nominations for election as directors at the 2007 Annual Meeting must be delivered to Titan at the address set forth below, not later than November 30, 2006.
