Item 3. Source and Amount of Funds or Other Consideration.

The Common Units originally acquired by the Reporting Person were obtained from the Issuer as consideration for the assets and liabilities that the Reporting Person contributed to the capital of the Issuer in connection with the Issuer's initial public offering, as registered with the SEC under the Securities Act of 1933, as amended. Subsequently, the Reporting Person has used its working capital to acquire Common Units in the open market. The Common Units owned directly by any of the grantor trusts were acquired by the grantor trusts with available cash of that particular trust.

Item 4. Purpose of Transaction.

The Reporting Person has recently acquired additional Common Units of the Issuer for purposes of increasing its investment in the Issuer. Additional details regarding the Reporting Person's participation in a group, for purposes of coordinating acquisition activities intending to comply with the Rule 10b-18 safe harbor, are available in the group's Schedule 13D filed with the SEC on May 14, 2008, as amended by Amendment No. 1 to Schedule 13D filed with the SEC on May 20, 2008.

Other than the specific understanding with respect to the 13(d) group described above, or the exceptions noted in the items below, neither the Reporting Person nor any other person named in Item 2 above has any plans or proposals that relate to or would result in any of the following:

(a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer, except that the Reporting Person anticipates that (i) it will make additional purchases of Common Units in the open market and in privately negotiated off-market transactions and that it will transfer some of its owned Common Units to subsidiaries and affiliates from time to time, and (ii) from time to time, the other persons named in Item 2 may acquire or dispose of Common Units in the open market and in privately negotiated off-market transactions and may make or receive gifts or distributions of Common Units;

(c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;

- (e) any material change in the present capitalization or dividend policy of the Issuer;
- (f) any other material change in the Issuer's business or corporate structure;
- (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
