RADA Electronic Industries Announces First Quarter 2009 Results;
Company Reports 11% Increase in Revenues and Net Profit

On Thursday May 21, 2009, 9:39 am EDT

NETANYA, Israel, May 21, 2009 (GLOBE NEWSWIRE) -- RADA Electronic Industries Ltd. (Nasdaq:RADA) reported today its financial results for the quarter ended March 31, 2009. Revenues were \$4.1 million, an increase of 11% compared with revenues of \$3.7 million in the first quarter of 2008. Gross profit increased 96% to \$1.2 million from \$0.6 million in the first quarter of 2008 and gross margin was 30% compared with 17% in the first quarter of 2008. Operating expenses were \$1.3 million compared with operating expenses of \$1.0 million in the first quarter of 2008. Financial income was \$95,000 compared with financial expenses of \$432,000 in the first quarter of 2008, which includes \$240,000 income and \$110,000 expenses from the changes of the U.S. dollar against the Israeli Shekel, for the quarters ended March 31, 2009 and 2008, respectively.

As a result, the Company reported net profit of \$42,000 or \$0.01 per share. This compares with a net loss of \$770,000 or \$0.09 per share, for the comparable quarter in 2008.

Commenting on the results, Zvika Alon, RADA's CEO said, "The first quarter of 2009 is our third consecutive profitable quarter. The improvement in our profitability was principally made possible by the sequential growth in our revenues. This improvement occurred despite the increase in research and development expenses, which expenses are expected to increase in the second and third quarters of 2009. We are making these investments in order to allow us to enhance and broaden our product offerings, which will provide us with greater opportunities in the market. Although the current environment remains challenging, we believe that the continued execution of our strategy to increase our product offerings in the defense electronics market as well as commercial derivatives will enable us to move forward and continue to improve our operating results."
