PART III - NARRATIVE

The Registrant's Quarterly Report on Form 10-Q for the period ended March 31, 2002 (the "Quarterly Report") could not be filed within the prescribed time period since the Registrant has not finalized all of its accounting matters. The Registrant, which has a small accounting staff, has devoted substantial time and efforts to other recent business matters affecting the Registrant, thereby delaying completion of the Quarterly Report. As a result, the information necessary to complete the Quarterly Report, including the financial statements and the notes thereto, has not yet been completed.
