We are grateful to Nigel for his contribution as a director and his special assistance in the reorganization initiative to Ireland, and we wish him well in his endeavours, said Robert Stikeman, Chairman of the Board.

In recent months, CryptoLogic has recruited three seasoned businesspeople from Europe and Asia to its board, reflecting the company s new European headquarters and its broader global strategy:

Tom Byrne is a chartered accountant who worked for 14 years at a Dublin brokerage firm, rising to the position of head of corporate finance. He also served as a partner at an international accounting firm and is currently the nominee of the Institute of Bankers in Ireland to the board of the Irish Takeover Panel.

Brian Hadfield has played senior roles in a 21-year career at Unisys Ltd., including managing director and vice president for the U.K., the Middle East and Singapore.

Wai Ming Yap is a lawyer with Stamford Law Corporation in Singapore. He also sits on public company boards in Hong Kong, and is a specialist in the gaming and leisure law sectors.

About CryptoLogic((www.cryptologic.com)

Focused on integrity and innovation, CryptoLogic Limited is a world-leading, blue-chip public developer and supplier of Internet gaming software. CryptoLogic s leadership in regulatory compliance makes it one of the very few companies with gaming software that has been certified to strict standards similar to land-based gaming. WagerLogic Limited, a wholly-owned subsidiary of CryptoLogic, is responsible for the licensing of its gaming software and services to blue-chip customers who offer their games around he world to non-U.S based players.
