PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 21, 2013

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of MVB Financial Corp. (“MVB”, or the “Company”) to be held on May 21, 2013, at the time and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of Proxies

The solicitation of proxies is made by the Board of Directors of MVB. These proxies enable shareholders to vote on all matters that are scheduled to come before the meeting. If the enclosed proxy is signed and returned, it will be voted as directed; or if not directed, the proxy will be voted “FOR” all of the proposals to be submitted to the vote of shareholders described in the Notice of Annual Meeting and this Proxy Statement. Other than the matters listed in the Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Annual Meeting.

A shareholder executing the proxy may revoke it at any time before it is voted:

- (a) by notifying MVB representatives James R. Martin, Larry F. Mazza or Lisa J. Wanstreet in person;
- (b) by giving written notice to MVB. The revocation should be delivered to Lisa J. Wanstreet, Corporate Secretary, 301 Virginia Avenue, Fairmont, WV 26554;
- (c) by submitting to MVB a subsequently dated proxy; or

(d) by attending the meeting and withdrawing the proxy before it is voted at the meeting.

The expenses of the solicitation of proxies will be paid by MVB. In addition to this solicitation by mail, directors, officers and employees of MVB or its subsidiary, MVB Bank, Inc. (the "Bank") may solicit proxies personally or by telephone, although no person will be specifically engaged for that purpose.

Eligibility of Stock for Voting Purposes

Pursuant to the Bylaws of MVB, the Board of Directors has fixed April 1, 2013, as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the meeting or any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at such meeting or any adjournment thereof.

As of the record date for the Annual Meeting, approximately 3.1 million shares of the common stock of MVB, owned by approximately 1,100 shareholders, were issued and outstanding and entitled to vote. There are 4 million shares authorized. The principal holders of MVB Common Stock are discussed under the section of this Proxy Statement entitled, "Principal Holders of Voting Securities."

PURPOSES OF MEETING

1. ELECTION OF DIRECTORS

General

The Bylaws of MVB currently provide for a Board of Directors composed of five to twenty five members to be elected annually. The Board has set 16 as the number of directors of MVB for the upcoming year. This is 2 less members than was proposed in 2012. This decrease is a result of several director retirements and a fewer number of director nominees selected to replace them.

Directors are elected by a plurality of the votes cast. Therefore, a vote withheld will not affect the outcome of the election. As required by West Virginia law, each share is entitled to one vote per nominee, unless a shareholder requests cumulative voting for directors at least 48 hours before the meeting. If a shareholder properly requests cumulative voting for directors, then each MVB shareholder will have the right to vote the number of shares owned by that shareholder for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of shares owned shall equal, or to distribute them on the same principle among as many candidates as the shareholder sees fit. If any shares are voted cumulatively for the election of directors, the proxies, unless otherwise directed, shall have full discretion and authority to cumulate their votes and vote for less than all such nominees. For all other purposes, each share is entitled to one vote.

Management Nominees to the Board of MVB

The Articles of Incorporation provide for staggered terms for directors. Approximately one-third of the Directors are elected to a three-year term each year. The eight individuals identified below represent management nominees to the Board of Directors. Five will be elected for a three-year term, one will be elected for a one-year term and two will be elected for a two-year term. Following the election of the eight nominees, MVB will have three classes of directors. Two of the classes of directors will consist of five board members while the third class will include six board members. The term of office of the eight directors is indicated herein.

Directors McKinney, Nossokoff, Toothman and Trent have elected to retire from the Board of Directors, accordingly no information is provided

There are no family relationships among the directors, director nominees or executive officers of MVB or the Bank.

Other than previously disclosed, no MVB Board member has been a member of the board of another public company during the past five years.

The Board of Directors of MVB and the Bank met twelve times during 2012. All directors attended 75% or more of the meetings of the Board of Directors and committees thereof held of which the director is a member, except for Director Patel, who attended 71% of the meetings.

In order to meet their responsibilities, directors are expected to attend board and committee meetings as well as the annual meeting of shareholders. All directors attended the 2012 Annual Meeting of Shareholders, except for Directors Cincinnati, Nelson and Patel.

Leadership Structure of the Board

The Board Chair, Vice Chair and President/CEO are three separate people. Throughout MVB's history, this has been the leadership model. The President/CEO is responsible for the day-to-day operations and performance of MVB. The Chair and Vice Chair are involved in management of meetings and matters of governance and corporate oversight. The Chair and Vice Chair also focus on monitoring the effectiveness of the President/CEO in implementing MVB's corporate strategy and ensuring that the Directors receive sufficient information, on a timely basis, to provide proper risk oversight.

A Governance Committee was established by MVB in December 2009. The Governance Committee's responsibilities are defined in its Charter. The Committee, among many things, reviews the committees of the Board and membership thereof, evaluates compliance with the Director Education Policy, evaluates the current Board areas of expertise and monitors such to determine if an adjustment of Board membership is necessary. The Governance Committee will also provide oversight on issues relating to the governance and operations of MVB.

The committee structure of MVB is such that the committees are responsible for and review the areas of greatest risk to MVB. Each is chaired by an independent director. Staff members are responsible to the Chairs of the committees for requested information necessary for proper committee functioning. The significant risk areas for a community banking organization include the evaluation of the quality of the loan portfolio, the interest rate sensitivity of the institution and the reliability of its financial statements. The related committees, the Loan Review Committee, the ALCO Committee and the Audit Committee, are described below.

The Board of MVB elected a Chief Risk Officer (CRO) whose responsibility is to evaluate the MVB enterprise risk, that being all areas of risk to MVB and serve as Chair of the Enterprise Risk Management Committee (ERM). The CRO presented an ERM Committee report to the Board twice during 2012. The ERM Committee expects to report to the full Board of Directors twice during 2013. Directors Martin, Mazza and Pallotta are members of the ERM Committee.

Committees of the Board

MVB or the Bank has a number of standing committees as described below.

Human Resources & Compensation Committee. Composed of David B. Alvarez, Stephen R. Brooks- Chair, Berniece D. Collis, Kelly R. Nelson, John B. Spadafore, Louis Spatafore and Michael F. Trent. The purpose of this Committee is to address issues related to staffing, compensation and related policy matters. This Committee also is responsible for administration of the 2003 MVB Financial Corp. Stock Incentive Plan. CEO Mazza is an ex-officio member of this Committee and makes suggestions, which the Committee evaluates and, if considered appropriate, acts on. Mr. Mazza makes no recommendations nor participates in any portion of the meetings relating to his own salary. The Committee reports the results from these meetings to the Board of Directors. The Committee met three times in 2012.

ALCO Committee. Composed of James J. Cava, James R. Martin, Larry F. Mazza, J. Christopher Pallotta- Chair, Roger J. Turner and Samuel J. Warash, as well as Executive officers David A Jones, Donald T. Robinson, John T. Schirripa and Eric L. Tichenor. The purpose of this committee is to review the performance of the investment portfolio and policies to investments, liquidity and asset and liability management. The Committee reports the results from these meetings to the Board of Directors. The Committee met four times in 2012.

Loan Review Committee. Composed of David A. Jones, Larry F. Mazza, G. Warren Mickey, Leonard W. Nossokoff, J. Christopher Pallotta, Richard L. Toothman and Samuel J. Warash- Chair. The purpose of this Committee is to evaluate the adequacy of the Allowance for Loan Losses, review loans and groups of loans for risks and evaluate policies related to the Allowance for Loan Losses as necessary. The Committee reports the results from these meetings to the Board of Directors. The Committee met four times in 2012.

Governance Committee. Composed of John W. Ebert, G. Warren Mickey, Kelly R. Nelson- Chair, Leonard W. Nossokoff and Nitesh S. Patel. Chairman Martin and CEO Mazza are ex-officio members of this Committee. The purpose of the Committee is to maintain an appropriate board and committee structure by assessing skills and background to effectively staff MVB boards and committees and developing and updating governance and ethics policies for MVB. The Committee reports the results from these meetings to the Board of Directors. The Committee met ten times in 2012.

Audit Committee. Composed of James J. Cava, Jr., John W. Ebert, Christine B. Ielapi, Kenneth F. Lowe, III, Louis Spatafore- Chair, and Michael F. Trent. The purpose is to review the results of the internal and external audits, Reports of Examination from regulatory authorities and discuss the financial statements with management and external auditors and to report such to the Board of Directors.

The Audit Committee of MVB does not include an individual who is considered to be an audit committee financial expert. This is true for the entire Board of Directors as well, because no one meets the guidelines set forth by Section 407 of the Sarbanes-Oxley Act of 2002, for an audit committee financial expert. In the small community market area of MVB, individuals meeting the required credentials under the Act are very rare. All members of the Board of Directors are successful business owners and have knowledge of the requirements to run such a successful business. The directors of MVB, including those who are members of the Audit Committee, believe that having separate internal and external audits and regulatory examinations assist in insuring proper supervision, evaluation and reporting of MVB activities.

The Audit Committee met four times in 2012. The Committee meets with representatives Conley CPA Group, PLLC, who are responsible for the internal audit function of MVB and S.R. Snodgrass, A.C., who are responsible for the annual certified audit, as well as with the members of the regulatory authorities upon completion of their examinations of the Bank or MVB. During these meetings, the active management of the Bank or MVB, including CEO Mazza and CFO Tichenor, may be asked to leave the room to provide comfort of questioners and responders.

In the opinion of MVB's Board of Directors, none of the Board of Directors, except for Directors Martin, Mazza and Turner, has a relationship with MVB that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them are or have for the past three years been employees of MVB, except for Directors Martin, Mazza and Turner and none of their immediate family members are or have for the past three years been executive officers of MVB or Bank. In the opinion of MVB and its Board of Directors, the entire Board of Directors, except for Directors Martin, Mazza and Turner are "independent directors," as that term is defined in Rule 4200(a)(15) of the Rules of the Financial Industry Regulatory Authority. The Board of Directors of MVB has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the 2012 Proxy Statement as required by the Securities and Exchange Commission.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2012, with management. The Audit Committee has also discussed the audited financial statements with S.R. Snodgrass, A.C., MVB's independent accountants, as well as the matters required to be discussed by Statement on Auditing Standards No. 61. (having to do with accounting methods used in the financial statements). The Audit Committee has received the written disclosures and the letter from S.R. Snodgrass, A.C. required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence) and has discussed with S.R. Snodgrass, A.C., the independent accountants' independence. Based on this, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in MVB's Annual Report on Form 10-K for the year ended December 31, 2012, filed with the Securities and Exchange Commission.

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless MVB specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

Nominating Committee. The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. The Board of Directors of MVB does not maintain a separate nominating committee, nor does it have a nominating committee charter, because the Board of Directors is relatively small and vacancies are rare. Because the full Board of Directors serves the function of the nominating committee, not all directors are independent.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including:

Directors should be of the highest ethical character.

Directors should have excellent personal and professional reputations in MVB's market area.

Directors should be accomplished in their professions or careers.

Directors should be able to read and understand financial statements and either have knowledge of, or the ability and willingness to learn, financial institution law.

Directors should have relevant experience and expertise to evaluate financial data and provide direction and advice to the chief executive officer and the ability to exercise sound business judgment.

Directors must be willing and able to expend the time to attend meetings of the Board of Directors of MVB and the Bank and to serve on Board committees.

The Board of Directors will consider whether a nominee is independent, as legally defined. In addition, directors should avoid the appearance of any conflict and should be independent of any particular constituency and be able to serve all shareholders of MVB.

Because the directors of MVB may also serve as directors of the Bank, a majority of directors must be residents of West Virginia, as required by state banking law.

Directors must be acceptable to MVB's and the Bank's regulatory agencies, including the Federal Reserve Board, the Federal Deposit Insurance Corporation and the West Virginia Division of Banking and must not be under any legal disability which prevents them from serving on the Board of Directors or participating in the affairs of a financial institution.

Directors must own or acquire sufficient capital stock to satisfy the requirements of West Virginia law, the Bylaws of MVB and share ownership guidelines as established by MVB.

Directors must be at least 21 years of age. The Board of Directors of MVB reserves the right to modify these minimum qualifications from time to time, except where the qualifications are required by the laws relating to financial institutions.

The Board of Directors does not maintain a formal diversity policy with respect to the identification or selection of directors for nomination to the Board of Directors. Diversity is just one of many factors the Board of Directors considers in the identification and selection of director nominees. We define diversity broadly to include differences in race, gender, ethnicity, age, viewpoint, professional experience, educational background, skills and other personal attributes that can foster board heterogeneity in order to encourage and maintain board effectiveness. While diversity and variety of experiences and viewpoints represented on the board should always be considered, a director nominee

should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a director nominee, the Board of Directors focuses on skills, expertise or background that would complement the existing board, recognizing that MVB's businesses and operations are regional in nature. Our directors are or have been residents of North Central West Virginia and of the Eastern Panhandle of West Virginia/ Northern Virginia, our primary two markets. Our directors come from diverse backgrounds including the financial, industrial, professional and retail areas and information technology.

The process of the Board of Directors for identifying and evaluating nominees is as follows: In the case of incumbent directors whose terms are set to expire, the Board of Directors considers the directors' overall service to MVB or the Bank during their term, including such factors as the number of meetings attended, the level of participation, quality of performance and any transactions between such directors and MVB and the Bank. The Board of Directors also reviews the payment history of loans, if any, made to such directors by the Bank to ensure that the directors are not chronically delinquent and in default. The Board considers whether any transactions between the directors and the Bank have been criticized by any banking regulatory agency or the Bank's external auditors and whether corrective action, if required, has been taken and was sufficient. The Board of Directors also confirms that such directors remain eligible to serve on the Board of Directors of a financial institution under federal and state law. For new director candidates, the Board of Directors uses its network of contacts in MVB's market area to compile a list of potential candidates. The Board of Directors then meets to discuss each candidate and whether he or she meets the criteria set forth above. The Board of Directors then discusses each candidate's qualifications and chooses a candidate by majority vote.

The Board of Directors will consider director candidates recommended by stockholders for nomination by the Board of Directors, provided that the recommendations are received at least 120 days before the next annual meeting of shareholders. In addition, the procedures set forth below must be followed by stockholders for submitting nominations for director to the shareholders. The Board of Directors does not intend to alter the manner in which it evaluates candidates, regardless of whether or not the candidate was recommended or nominated by a shareholder.

MVB's Bylaws provide that nominations for election to the Board of Directors must be made by a shareholder in writing delivered or mailed to the president not less than 14 days nor more than 50 days prior to the meeting called for the election of directors; provided, however, that if less than 21 days' notice of the meeting is given to shareholders, the nominations must be mailed or delivered to the president not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. The notice of nomination must contain the following information, to the extent known:

- Name and address of proposed nominee(s);
- Principal occupation of nominee(s);
- Total shares to be voted for each nominee;
- Name and address of notifying shareholder; and
- Number of shares owned by notifying shareholder.

Nominations not made in accordance with these requirements may be disregarded by the chairman of the meeting and in such case the votes cast for each such nominee will likewise be disregarded. All nominees for election at the meeting are incumbent directors or directors of MVB subsidiaries and are included as nominees in this Proxy Statement. No shareholder recommendations or nominations have been made.

The foregoing descriptions apply to agreements entered into by MVB with the Executive Officers named in the Summary Compensation Table above, or "Named Executive Officers." In addition to these employment agreements, MVB and the Bank have entered into a number of employment agreements with other employees. One of these employment agreements is an agreement dated as of December 20, 2012, with H. Edward Dean, III. Mr. Dean became employed as President and Chief Executive Officer of Potomac Mortgage Group, LLC ("PMG"), a mortgage company acquired by MVB in December of 2012. This agreement provides that Mr. Dean will serve as president and chief executive officer of PMG and will be nominated to serve on the board of directors of MVB. The agreement has a primary term of five years, which may be extended by Mr. Dean, at his option, for successive terms of up to three years. Mr. Dean's base compensation under the agreement is \$500,000 per year, plus an earnout for a pre-tax income (excluding certain administrative expenses) in excess of \$24,000,000 for PMG. Subject to certain exceptions, for each of the three fiscal years of the initial term of the agreement, Mr. Dean is eligible to receive 74% of 50% of PMG's annual pre-tax income over \$8 million, until the total PMG pre-tax income reaches \$24,000,000. After the \$24,000,000 in PMG earnings is reached, Mr. Dean will be entitled to receive 74% of 25% of PMG's pre-tax income for the remainder of the initial term. The agreement also provides for commissions payable to Mr. Dean for eligible loans over the term of the agreement which are originated by Mr. Dean. Generally, the commission is .80% per loan, except for construction loans and home equity lines of credit, for which the commission is .50%, subject to decreases to ensure a minimum return on home equity lines of credit. The agreement also provides for the issuance of options to purchase 5,000 shares, with vesting of 1,000 shares on each of the five anniversary dates after December 20, 2012. The agreement also provides for a monthly vehicle allowance of \$1,500 and participation in employee benefit plans and executive compensation programs. If Mr. Dean's employment is terminated without cause, or terminated by Mr. Dean for a good reason, as defined under the agreement (including after a change of control) Mr. Dean would be entitled to receive 18 month's compensation, based on the average of the previous two years. In addition, all restrictions on company stock owned by Mr. Dean would be removed, and all stock options would immediately vest. MVB and the Bank would also provide payments for health insurance premiums for the maximum time provided for under the federal Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, plus six months. These benefit payments will be in effect, regardless of the reasons for termination of employment. In addition, Mr. Dean or his family would be entitled to other employee benefits through the remaining term of the agreement. All commissions which were earned as of the date of termination would be paid in no later than 30 days after the closing of the applicable loan. If the agreement is terminated as a result of legal disability, Mr. Dean would be entitled to receive benefits under MVB's long-term disability policy. The agreement also provides that, on termination without cause, or termination by Mr. Dean without good reason, as defined in the agreement, Mr. Dean will not compete with, or solicit customers or employees of MVB or PMG for a period of 18 months. Pursuant to the agreement, on December 31, 2012, MVB entered into an indemnification agreement with Mr. Dean, which provides for indemnification and advances in expenses and costs incurred by Mr. Dean in connection with claims, suits or proceedings arising as a result of his service with the Company, to the fullest extent permitted by law.

Director Compensation

Certain Transactions with Directors, Officers and Their Associates

MVB and the Bank have, and expect to continue to have, banking and other transactions in the ordinary course of business with its directors and officers and their affiliates, including members of their families or corporations, partnerships or other organizations in which officers or directors have a controlling interest, on substantially the same terms (including documentation, price, interest rates and collateral, repayment and amortization schedules and default provisions) as those prevailing at the time for comparable transactions with unrelated parties. All of these transactions were made on substantially the same terms (including interest rates, collateral and repayment terms on loans) as comparable transactions with non-affiliated persons. MVB's management believes that these transactions did not involve more than the normal business risk of collection or include any unfavorable features.

Principal Holders of Voting Securities

As of March 1, 2013, there are no shareholders that currently beneficially own or have the right to acquire shares that would result in ownership of more than 5% of MVB's common stock.

(2) Includes shares outstanding and 16,280, 22,171, 69,300, 2,000, 7,334, 7,480 and 35,200 shares which may be acquired by Jones, Martin, Mazza, Robinson, Schirripa, Tichenor and Turner, respectively, within 60 days through the exercise of options.

(3) The following MVB Directors and Executive Officers have MVB stock pledged to secure loans from MVB Bank, Inc: Director Brooks- 3,034 shares, Director Mossallati – 103,262 shares and CFO Tichenor – 1,000 shares. Each of the above loans was made in the normal course of business. All of these transactions were made substantially the same terms (including interest rates, collateral and repayment terms on loans) as comparable transactions with non-affiliated persons. In each instance, the loan to value ratio of the loan was 70% or less.

2. NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with recent legislation and rules promulgated by the SEC, the Company is providing shareholders with a non-binding advisory vote on compensation programs for our Named Executive Officers listed in the table entitled “Summary Compensation Table” (sometimes referred to as “say on pay”). Accordingly, you may vote on the following resolution at the 2013 annual meeting:

“Resolved, that the shareholders approve, on an advisory basis, the compensation of the Company’s Named Executive Officers as disclosed in the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.”

This vote is advisory in nature and therefore, is nonbinding. The Board of Directors and the Human Resources & Compensation Committee, which is comprised of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results. The number of votes cast “For” the approval of the compensation of the Named Executive Officers as discussed herein must exceed the number of votes cast “against” the proposal.

The Board of Directors unanimously recommends that you vote “FOR” the approval, on an advisory basis, of the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure.

3. NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

In addition to providing shareholders with the opportunity to cast an advisory vote on executive compensation, the Company this year is providing shareholders with an advisory vote on whether the advisory vote on executive compensation should be held every one, two or three years.

The Board of Directors believes that an annual vote for the non-binding advisory vote on executive compensation is the optimal interval for conducting and responding to a “say on pay” vote because it will allow us to obtain information on our shareholders’ views of the compensation of our named executive officers on a more consistent basis. Shareholders who have concerns about executive compensation during the interval between “say on pay” votes are welcome to bring their specific concerns to the attention of the Board. Please refer to “*Shareholder Communications*

with the Board” in this Proxy Statement for information about communicating with the Board or its individual members.

The proxy card provides shareholders with the opportunity to choose among one of four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the Board of Director’s recommendation.

Although this advisory vote to the frequency of the “say on pay” vote is non-binding, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

The Board of Directors unanimously recommends that you select 1 YEAR for future non-binding advisory votes on executive compensation.

4. PROPOSAL TO APPROVE THE 2013 MVB FINANCIAL CORP. STOCK INCENTIVE PLAN

It is proposed that shareholders approve the 2013 MVB Financial Corp. Stock Incentive Plan (the “Incentive Plan”) at the Annual Meeting. The proposed Incentive Plan will replace MVB’s 2003 Stock Incentive Plan (the “2003 Plan”). The Incentive Plan was adopted by MVB’s Board of Directors on March 19, 2013, subject to the approval of MVB’s shareholders. Approval of the Incentive Plan requires the affirmative vote of a majority of the votes entitled to be cast, in person or by proxy, at the Annual Meeting.

The following paragraphs summarize the purpose and certain of the provisions of the Incentive Plan. The summary is qualified in its entirety by reference to the complete text of the Incentive Plan, which is attached as Exhibit A to this proxy statement. Capitalized terms used but not defined in the following summary have the meanings set forth in the Incentive Plan.

Summary of the Incentive Plan

The Board of Directors believes that the Incentive Plan will benefit MVB by (i) assisting in recruiting and retaining the services of individuals with ability and initiative, (ii) providing greater incentive for directors and employees, and (iii) associating the interests of directors and employees with those of MVB and its shareholders through opportunities for increased stock ownership.

A Committee consisting of outside directors will administer the Incentive Plan. The Committee may delegate its authority to administer the Incentive Plan to an officer of MVB. The Committee may not delegate its authority with respect to individuals who are subject to Section 16 of the Securities Exchange Act of 1934, however. As used in this summary, the term “Administrator” means the Committee and any delegate, as appropriate.

Employees and directors of MVB and its affiliates are eligible to participate in the Incentive Plan. The class of eligible personnel includes approximately 300 people. The Administrator will select the individuals who will participate in the Incentive Plan. The Administrator may, from time to time, grant stock options, stock purchase rights or stock awards to Participants.

Options granted under the Incentive Plan may be incentive stock options or nonqualified stock options. A stock option entitles the Participant to purchase shares of Common Stock from MVB at the option price. The option price will be fixed by the Administrator at the time the option is granted, but in the case of an incentive stock option, the price cannot be less than the shares’ fair market value on the date of grant. The option price may be paid in cash, or, with the Administrator’s consent, with shares of Common Stock or a combination of cash and Common Stock.

Participants may also be awarded shares of Common Stock pursuant to a stock award. The Administrator, in its discretion, may prescribe that a Participant's right in a stock award shall be nontransferable or forfeitable or both unless certain conditions are satisfied. These conditions may include, for example, a requirement that the Participant continue employment with MVB for a specified period or that MVB or the Participant achieves stated objectives.

The Incentive Plan provides that outstanding options will become exercisable and outstanding stock awards will be vested upon a change in control.

All awards made under the Incentive Plan will be evidenced by written agreements between MVB and the Participant. The Administrator will establish guidelines supplementing the provisions of the Incentive Plan to aid in the selection of Participants and to determine the amounts, timing, and other terms of awards.

A maximum of 1,100,000 shares of Common Stock, including 319,076 shares subject to options issued under the 2003 Plan, may be issued upon the exercise of options and stock awards. These limitations will be adjusted, as the Administrator determines is appropriate, in the event of a change in the number of outstanding shares of Common Stock by reason of a stock dividend, stock split, combination, reclassification, recapitalization or other similar events. The terms of outstanding awards also may be adjusted by the Administrator to reflect such changes.

No option or stock award may be granted under the Incentive Plan after May 20, 2023. The Board of Directors may, without further action by shareholders, terminate or suspend the Incentive Plan in whole or in part. The Board of Directors also may amend the Incentive Plan except that no amendment that increases the number of shares of Common Stock that may be issued under the Incentive Plan or changes the class of individuals who may be selected to participate in the Incentive Plan will become effective until it is approved by shareholders.

No grants under the Incentive Plan have been made. It is not possible at the present time to determine the benefits or amounts that will be received or allocated in the future under the Incentive Plan.

Federal Income Tax Consequences

MVB has been advised by counsel regarding the Federal income tax consequences of the Incentive Plan. No income is recognized by a Participant at the time an option is granted. If the option is an incentive stock option, no income will be recognized upon the Participant's exercise of the option. Income is recognized by a Participant when he disposes of shares acquired under an incentive stock option. The exercise of a nonqualified stock option generally is a taxable event that requires the Participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price.

Income generally is recognized on account of a stock award on the first day that the shares are either transferable or not subject to a substantial risk of forfeiture. The amount of income recognized by the Participant equals the fair market value of the Common Stock received on that date.

The employer (either MVB or a related entity) will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified option or the vesting of a stock award. The amount of the deduction is equal to the ordinary income recognized by the Participant. The employer will not be entitled to a federal income tax deduction on account of the grant or the exercise of an incentive stock option. The employer may claim a federal income tax deduction on account of certain dispositions of Common Stock acquired upon the exercise of an incentive stock option.

Equity Compensation Plan Information

The following table provides information about stock options outstanding and shares available for future awards under MVB's equity compensation plans as of December 31, 2012.

| | (a) Number of securities to be issued upon exercise of outstanding options, warrants and rights(1) | (b) Weighted-average exercise price of outstanding warrants and rights(1) | (c) Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) | (2) |
|--|---|--|--|-----|
| Equity compensation plans approved by security holders | 319,076 | \$ 15.63 | 220,911 | (2) |
| Equity compensation plans not approved by security holders | — | — | — | |

(1) This column contains information regarding employee stock options only; there are no warrants or stock appreciation rights outstanding.

(2) All such shares are available under MVB's 2003 Stock Incentive Plan, as amended, which provides for the grant of options to key employees of MVB.

The Board of Directors unanimously recommends that shareholders vote "FOR" approval of this proposal.

If the proposal to amend MVB's articles of incorporation to increase the number of authorized shares of the Company's Common Stock is not approved, the Incentive Plan will not be adopted.

5. PROPOSAL TO AMEND ARTICLES OF INCORPORATION

General

Under the proposal, the first paragraph of Article V of the company's articles of incorporation would be amended to read as follows:

The amount of the total authorized capital stock of said corporation shall be eighteen million five hundred thousand dollars (\$18,500,000), which shall be divided into ten million (10,000,000) shares of Common Stock with a value of \$1.00 per share, and eight thousand five hundred (8,500) shares of Preferred Stock with a par value of \$1,000 per share ("Preferred Stock")

The other provisions of Article V would remain unchanged.

Under the company's Amended Articles of Incorporation (the "Articles"), the company has authority to issue up to 4,000,000 shares of Common Stock and 8,500 preferred shares. If the shareholders adopt the proposed amendment to the Articles, the company will be authorized to issue up to 10,000 shares of common stock. As such, the increased number of shares of Common Stock would be available for issuance without further action by the company's shareholders, except as may be required by applicable law.

Reasons for Adoption of the Proposed Amendment

The primary reason for the increased number of authorized shares of Common Stock is to allow the Board of Directors to issue additional shares for the Plan and the company's Dividend Reinvestment Plan, for stock dividends or in the event that the Board determines that additional capital is necessary or desirable or in the event of an acquisition of a third party. Currently, the Board of Directors has no plan or requirement to issue additional shares of Common Stock, except with regard to the Incentive Plan and the Dividend Reinvestment Plan.

The Board believes that the proposed amendment to the Articles of Incorporation to authorize the issuance of additional shares of Common Stock is advisable and in the best interest of the company and the shareholders. The authorization of these shares would provide the company with maximum flexibility in structuring acquisitions, joint ventures, strategic alliances, capital-raising transactions and for other corporate purposes. The additional shares would enable the company to respond promptly to and take advantage of market conditions and other favorable opportunities without incurring the delay and expense associated with calling a special meeting of shareholders to approve a

contemplated issuance of shares. The Board believes that this will also help reduce costs because it will not have to seek additional shareholder approval to issue the shares unless it is required to obtain shareholder approval for the transaction under applicable law.

Potential Anti-Takeover Effect of the Amendment

The proposed amendment to the Articles could have certain anti-takeover effects with respect to the company. Specifically, the additional shares of Common could be issued so as to make it more difficult for a third party to acquire a majority of the company's outstanding voting stock or otherwise effect a change of control in the company.

Subject to the exercise of its fiduciary duties to the company and its shareholders, the Board does not currently intend to issue any additional shares of common for any defensive or anti-takeover purposes or with features intended specifically to make any attempted acquisition of the company more difficult. Instead, the Board intends to issue additional shares of Common Stock only for the purpose of facilitating acquisitions, joint ventures, strategic alliances and capital-raising transactions, and for other corporate purposes which the Board determines to be in the best interest of the company and its shareholders. The issuance of additional shares of Common Stock in connection with these purposes could nonetheless have the effect of making an acquisition of the company more difficult.

The Board of Directors unanimously recommends that shareholders vote “FOR” approval of this proposal.

The enclosed proxy will be voted “FOR” the proposed amendment to the Articles of Incorporation unless otherwise directed. The affirmative vote of a majority of the shares of Common Stock present at the meeting is required to adopt the proposed amendment to Article V of the Articles.

SECTION 3

Eligibility

3.1 Subject to the discretion of the Committee and the terms and conditions of the Plan, the Committee shall determine and designate from time to time, the members of the Board of Directors of the Company or a subsidiary and Employees who will be granted one or more Awards under the Plan. Incentive Stock Options may only be granted to Employees of the Company or a subsidiary.

SECTION 4

Operation and Administration

4.1 The Plan shall be unlimited in duration and remain in effect until termination by the Board; provided, however, that no Incentive Stock Option may be granted under the Plan after May 20, 2023.

4.2 The Plan shall be administered by the Committee which shall consist of two or more members of the Board who are Outside Directors. Plenary authority to manage and control the operation and administration of the Plan shall be vested in the Committee, which authority shall include, but shall not be limited to:

(a) Subject to the provisions of the Plan, the authority and discretion to select persons to receive Awards, to determine the time or times of receipt of Awards, to determine the types of Awards and the number of shares covered by the Awards, and to establish the terms and conditions, and other provisions of such Awards, including without limitation whether Shares subject to an Award shall be subject to a right of first refusal as referred to in Section 5.3 below. In making such Award determinations, the Committee may take into account the nature of services rendered by the respective Employee, his or her present and potential contribution to the Company's success and such other factors as the Committee deems relevant.

A-5

(b) The authority and discretion to interpret the Plan and the Awards granted under the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan, to make all other determinations that it deems necessary or advisable for the administration of the Plan and to correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award, in each case, in the manner and to the extent the Committee deems necessary or advisable to carry it into effect.

4.3 Any interpretation of the Plan by the Committee and any decision made by it under the Plan shall be final and binding on all persons. The express grant in the Plan of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee.

4.4 The Committee may only act at a meeting by unanimity if comprised of two members, and otherwise by a majority of its members. Any action of the Committee may be taken without a meeting by the unanimous written consent of its members. In addition, the Committee may authorize one or more of its members or any officer of an Employer to execute and deliver documents and perform other administrative acts pursuant to the Plan.

4.5 No member or authorized delegate of the Committee shall be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his or her own fraud or gross misconduct. The Committee, the individual members thereof, and persons acting as the authorized delegates of the Committee under the Plan, shall be indemnified by the Employers against any and all liabilities, losses, costs, and expenses (including legal fees and expenses) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, the Committee or its members or authorized delegates by reason of the performance of any action pursuant to the Plan if the Committee or its members or authorized delegates did not act in willful violation of the law or regulation under which such liability, loss, cost or expense arises. This indemnification shall not duplicate but may supplement any coverage available under any applicable insurance policy, contract with the indemnitee or the Company's Articles of Incorporation or By-laws.

SECTION 5

Shares Available Under the Plan

5.1 The shares of Stock with respect to which Awards may be made under the Plan shall be shares of currently authorized but unissued or treasury shares acquired by the Company, including shares purchased in the open market or in private transactions. Subject to the provisions of Section 10, the total number of shares of Stock available for grant of Awards, including Awards granted under the MVB Financial Corp. 2003 Stock Incentive Plan, shall not exceed one million, one hundred thousand (1,100,000) shares of Stock. Except as otherwise provided herein, if any Award shall expire or terminate for any reason without having been exercised in full, the unissued shares of Stock subject thereto

(whether or not cash or other consideration is paid in respect of such Award) shall again be available for the purposes of the Plan. Any shares of Stock which are used as full or partial payment to the Company upon exercise of an Award shall also be available for purposes of the Plan.

A-6

5.2 Shares of Stock issued by the Company pursuant to this Plan shall be free of any preemptive rights of stockholders of the Company, whether statutory or otherwise.

5.3 Shares of stock issued by the Company pursuant to this Plan may, at the discretion of the Committee, be issued subject to a right of first refusal on the part of the Company to purchase such shares in the event the Participant, or his or her heirs, successors, executors, administrators, or assigns should ever desire to sell, transfer, assign, pledge, or otherwise dispose of such shares, in whole or in part ("a Disposition"). In any such event, the Participant or such heir, executor, administrator, or assign (a "Disposing Participant") shall notify the Company of such desire and the Company shall have, for a period of thirty (30) days following receipt of such notice, the right and option to purchase such shares upon the same terms and conditions and at the same price as the Disposing Participant proposes to dispose of such shares. If the Company desires to exercise its right and option, it shall so notify the Disposing Participant of such desire within said thirty (30) day period. In the event the proposed Disposition is for consideration other than cash, and the Company and the Disposing Participant cannot agree on the cash equivalent to be paid by the Company to the Disposing Participant, the Disposing Participant may dispose of the shares, but the shares shall remain subject to Company's right of first refusal until such time as they are proposed to be disposed of for cash and the Company elects not to exercise its right of first refusal. Shares subject to a right of first refusal shall contain the following legend:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A RIGHT OF FIRST REFUSAL HELD BY MVB FINANCIAL CORP. PURSUANT TO THE MVB FINANCIAL CORP. STOCK INCENTIVE PLAN. A COPY OF THE MVB FINANCIAL CORP. STOCK INCENTIVE PLAN IS AVAILABLE FOR INSPECTION AT THE OFFICE OF THE CORPORATION.

SECTION 6

Options

6.1 The grant of an Option under this Section 6 entitles the Participant to purchase shares of Stock at an Exercise Price fixed at the time the Option is granted, or at a price determined under a method established at the time the Option is granted, subject to the terms of this Section 6. Options granted under this Section 6 may be either Incentive Stock Options or Non-Qualified Stock Options, but subject to Sections 9 and 14, shall not be exercisable for at least six months from the date of grant, as determined in the discretion of the Committee. An Incentive Stock Option is an Option that is intended to satisfy the requirements applicable to an "incentive stock option" described in Section 422(b) of the Code. A Non-Qualified Option is an Option that is not intended to be an "incentive stock option" as that term is described in Section 422(b) of the Code.

6.2 The Committee shall designate the persons to whom options are to be granted under this Section 6 and shall determine the number of shares of Stock to be subject to each such Option. To the extent that the aggregate Fair

Market Value of Stock with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under all plans of the Company and all Related Companies) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options, but only to the extent required by Section 422 of the Code.

A-7

6.3 The determination and payment of the Exercise Price of a share of Stock under each Option granted under this Section shall be subject to the following terms of this Subsection 6.3:

(a) The Exercise Price shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option is granted; provided, however, that in no event shall the Exercise Price per share be less than the Fair Market Value per share on the date of the grant (or in the case of a Ten Percent Stockholder, less than 110% of the Fair Market Value);

(b) The full Exercise Price of each share of Stock purchased upon the exercise of any Option shall be paid at the time of such exercise and, as soon as practicable thereafter, a certificate representing the shares so purchased shall be delivered to the person entitled thereto; and

(c) The Exercise Price shall be paid either in cash, in shares of Stock (valued at Fair Market Value as of the day of exercise), through a combination of cash and Stock (so valued) or through such cashless exercise arrangement as may be approved by the Committee and established by the Company.

6.4 Except as otherwise expressly provided in the Plan, the terms and conditions relating to exercise of an Option shall be established by the Committee, and may include, without limitation, conditions relating to completion of a specified period of service, achievement of performance standards prior to exercise of the Option, or achievement of Stock ownership objectives by the Participant. No Option may be exercised by a Participant after the expiration date applicable to that Option.

6.5 The exercise period of any Option shall be determined by the Committee but the term of any Option shall not extend more than ten years after the date of grant.

SECTION 7

Stock Purchase Program

7.1 The Committee may, from time to time, establish one or more programs under which Employees or members of the Board of Directors of the Company or any subsidiary will be permitted to purchase shares of Stock under the Plan, and shall designate the persons eligible to participate under such Stock purchase programs. The purchase price of shares of Stock available under such programs, and other terms and conditions of such programs,

shall be established by the Committee. The purchase price may not be less than 85% of the Fair Market Value of the Stock at the time of purchase (or, in the Committee's discretion, the average Fair Market value over a period determined by the Committee), and further provided that if newly issued shares of Stock are sold, the purchase price may not be less than the aggregate par value of such newly issued shares of Stock.

A-8

7.2 The Committee may impose such restrictions with respect to shares purchased under this Section 7, as the Committee, in its sole discretion, determines to be appropriate.

SECTION 8

Merit Awards

8.1 The Committee may from time to time make an Award of Stock under the Plan to selected Employees or members of the Board of Directors of the Company or any subsidiary for such reasons and in such amounts as the Committee, in its sole discretion, may determine. The consideration to be paid by an Employee for any such Merit Award, if any, shall be fixed by the Committee from time to time, but it shall not be less than the aggregate par value of the shares of Stock awarded to him or her.

SECTION 9

Termination of Employment

9.1 If a Participant's employment is terminated by the Participant's Employer for Cause or if the Participant's employment is terminated by the Participant without the written consent and approval of the Participant's Employer, all of the Participant's unvested Awards shall be immediately forfeited and exercisable Options shall be forfeited after 90 days from the Participant's Termination Date.

9.2 If a Participant's Date of Termination occurs by reason of death, Disability, or Retirement, all Options outstanding immediately prior to the Participant's Date of Termination shall immediately become exercisable and shall be exercisable until one year from the Participant's Date of Termination and thereafter shall be forfeited if not exercised, and all restrictions on any Awards outstanding immediately prior to the Participant's Date of Termination shall immediately lapse. Options which are or become exercisable at the time of a Participant's death may be exercised by the Participant's designated beneficiary or, in the absence of such designation, by the person to whom the Participant's rights will pass by will or the laws of descent and distribution.

9.3 Options which are or become exercisable by reason of the Participant's employment being terminated by the Participant's Employer for reasons other than Cause or by the Participant with the consent and approval of the Participant's Employer, shall be exercisable until 120 days from the Participant's Termination Date and shall thereafter be forfeited if not exercised.

9.4 Except to the extent the Company shall otherwise determine, if, as a result of a sale or other transaction (other than a Change in Control), a Participant's Employer ceases to be a Related Company (and the Participant's Employer is or becomes an entity that is separate from the Company), the occurrence of such transaction shall be treated as the Participant's Date of Termination caused by the Participant's employment being terminated by the Participant's Employer for a reason other than Cause.

A-9

9.5 Notwithstanding the foregoing provisions of this Section 9, the Committee may, with respect to any Awards of a Participant (or portion thereof) that are outstanding immediately prior to the Participant's Date of Termination, determine that a Participant's Date of Termination will not result in forfeiture or other termination of the Award, or may extend the period during which any Options may be exercised, but shall not extend such period beyond the original expiration date set forth in the Award.

SECTION 10

Adjustments to Shares

10.1 If the Company shall effect a reorganization, merger, or consolidation, or similar event or effect any subdivision or consolidation of shares of Stock or other capital readjustment, payment of stock dividend, stock split, spin-off, combination of shares or recapitalization or other increase or reduction of the number of shares of Stock outstanding without receiving compensation therefor in money, services or property, then the Committee shall appropriately adjust (a) the number of shares of Stock available under the Plan, (b) the number of shares of Stock available under any individual or other limitations under the Plan, (c) the number of shares of Stock subject to outstanding Awards and (d) the per-share price under any outstanding Award to the extent that the Participant is required to pay a purchase price per share with respect to the Award.

10.2 If the Committee determines that an adjustment in accordance with the provisions of Subsection 10.1 would not be fully consistent with the purposes of the Plan or the purposes of the outstanding Awards under the Plan, the Committee may make such other adjustments, if any, that the Committee reasonably determines are consistent with the purposes of the Plan and/or the affected Awards.

10.3 To the extent that any reorganization, merger, consolidation, or similar event or any subdivision or consolidation of shares of Stock or other capital readjustment, payment of stock dividend, stock split, spin-off, combination of shares or recapitalization or other increase or reduction of the number of shares of Stock hereunder is also accompanied by or related to a Change in Control, the adjustment hereunder shall be made prior to the acceleration contemplated by Section 14.

SECTION 11

Transferability and Deferral of Awards

11.1 Awards under the Plan are not transferable except by will or by the laws of descent and distribution. To the extent that a Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing, the Committee may, subject to any restrictions under applicable laws, permit Awards under the Plan (other than an Incentive Stock Option) to be transferred by a Participant for no consideration to or for the benefit of the Participant's Immediate Family (including, without limitation, to a trust for the benefit of a Participant's Immediate Family or to a Partnership comprised solely of members of the Participant's Immediate Family), subject to such limits as the Committee may establish, provided the transferee shall remain subject to all of the terms and conditions applicable to such Award prior to such transfer.

A-10

11.2 The Committee may permit a Participant to elect to defer payment under an Award under such terms and conditions as the Committee, in its sole discretion, may determine; provided that any such deferral election must be made prior to the time the Participant has become entitled to payment under the Award.

SECTION 12

Award Agreement

12.1 Each Participant granted an Award pursuant to the Plan shall sign an Award Agreement which signifies the offer of the Award by the Company and the acceptance of the Award by the Participant in accordance with the terms of the Award and the provisions of the Plan. Each Award Agreement shall reflect the terms and conditions of the Award. Participation in the Plan shall confer no rights to continued employment with an Employer nor shall it restrict the right of an Employer to terminate a Participant's employment at any time for any reason, not withstanding the fact that the Participant's rights under this Plan may be negatively affected by such action.

SECTION 13

Tax Withholding

13.1 All Awards and other payments under the Plan are subject to withholding of all applicable taxes, which withholding obligations shall be satisfied (without regard to whether the Participant has transferred an Award under the Plan) by a cash remittance, or with the consent of the Committee, through the surrender of shares of Stock which the Participant owns or to which the Participant is otherwise entitled under the Plan pursuant to an irrevocable election submitted by the Participant to the Company at the office designated for such purpose. The number of shares of Stock needed to be submitted in payment of the taxes shall be determined using the Fair Market Value as of the applicable tax date rounding down to the nearest whole share.

SECTION 14

Change in Control

14.1 After giving effect to the provisions of Section 10 (relating to the adjustment of shares of Stock), and except as otherwise provided in the Plan or the Agreement reflecting the applicable Award, upon the occurrence of a Change in Control:

- (a) All outstanding Options shall become fully exercisable and may be exercised at any time during the original term of the Option; and
- (b) All shares of Stock subject to Awards shall become fully vested and be distributed to the Participant.

SECTION 15

Mergers/Acquisitions

15.1 In the event of any merger or acquisition involving the Company and/or a Subsidiary of the Company and another entity which results in the Company being the survivor or the surviving direct or indirect parent corporation of the merged or acquired entity, the Committee may grant Awards under the provisions of the Plan in substitution for awards held by employees or former employees of such other entity under any plan of such entity immediately prior to such merger or acquisition upon such terms and conditions as the Committee, in its discretion, shall determine and as otherwise may be required by the Code to ensure such substitution is not treated as the grant of a new Award for tax or accounting purposes.

15.2 In the event of a merger or acquisition involving the Company in which the Company is not the surviving corporation, the Acquiring Corporation shall either assume the Company's rights and obligations under outstanding Awards or substitute awards under the Acquiring Corporation's plans, or if none, securities for such outstanding Awards, and without limiting Section 14, the Board shall provide that any unexercisable and/or unvested portion of the outstanding Awards shall be immediately exercisable and vested as of a date prior to such merger or consolidation, as the Board so determines. The exercise and/or vesting of any Award that was permissible solely by reason of this Subsection 15.2 shall be conditioned upon the consummation of the merger or consolidation. Unless otherwise provided in the Plan or the Award, any Awards which are neither assumed by the Acquiring Corporation nor exercised on or prior to the date of the transaction shall terminate effective as of the effective date of the transaction.

SECTION 16

Termination and Amendment

16.1 The Board may amend or terminate this Plan from time to time; provided, however, that no amendment may become effective until shareholder approval is obtained if (i) the amendment increases the aggregate number of shares of Common Stock that may be issued under the Plan or (ii) the amendment changes the class of individuals eligible to become Participants, provided, however that any modification that may result from adjustments authorized by Section 10 does not require such approval. No suspension, termination, modification or amendment of the Plan may terminate a Participant's existing Award or materially and adversely affect a Participant's rights under such Award without the Participant's consent.

A-12

SECTION 17

COMPLIANCE WITH SECTION 409A

17.1 Awards Subject to Section 409A. The provisions of this Article shall apply to any Award or portion thereof that is or becomes subject to Section 409A, notwithstanding any provision to the contrary contained in the Plan or the Agreement applicable to such Award.

17.2 Deferral and/or Distribution Elections. Except as otherwise permitted or required by Section 409A, U. S. Treasury Regulations promulgated pursuant to Section 409A (“*Section 409A Regulations*”) or other applicable guidance, the following rules shall apply to any deferral and/or distribution elections (each, an “*Election*”) that may be permitted or required by the Administrator pursuant to an Award subject to Section 409A:

(a) All Elections must be in writing and specify the amount (or an objective, nondiscretionary formula determining the amount) of the distribution in settlement of an Award being deferred, as well as the time and form of distribution as permitted by this Plan.

(b) All Elections shall be made by the end of the Participant’s taxable year prior to the year in which services commence for which an Award may be granted to such Participant; provided, however, that if the Award qualifies as “performance-based compensation” for purposes of Section 409A (and is based on a performance period of at least 12 consecutive months), then the Election may be made no later than six (6) months prior to the end of the performance period, provided that the Participant’s service is continuous from the later of the beginning of the performance period or the date on which the performance goals are established through the date such election is made and provided further that no election may be made after the compensation has become readily ascertainable (as provided by Section 409A Regulations).

(c) Elections shall continue in effect until a written election to revoke or change such Election is received by the Company, except that a written election to revoke or change such Election must be made prior to the last day for making an Election determined in accordance with paragraph (b) above or as permitted by Section 17.3.

17.3 Subsequent Elections. Except as otherwise permitted or required by Section 409A Regulations or other applicable guidance, any Award subject to Section 409A which permits a subsequent Election to delay the distribution or change the form of distribution in settlement of such Award shall comply with the following requirements:

- (a) No subsequent Election may take effect until at least twelve (12) months after the date on which the subsequent Election is made;
- (b) Each subsequent Election related to a distribution in settlement of an Award not described in Section 17.4(b), 17.4(c) or 17.4(f) must result in a delay of the distribution for a period of not less than five (5) years from the date such distribution would otherwise have been made; and
- (c) No subsequent Election related to a distribution pursuant to Section 17.4(d) shall be made less than twelve (12) months prior to the date of the first scheduled payment under such distribution.

17.4 Distributions Pursuant to Deferral Elections. Except as otherwise permitted or required by Section 409A Regulations or other applicable guidance, no distribution in settlement of an Award subject to Section 409A may commence earlier than:

- (a) The Participant's separation from service (as defined by Section 409A Regulations);
- (b) The date the Participant becomes Disabled;
- (c) The Participant's death;
- (d) A specified time (or pursuant to a fixed schedule) that is either (i) specified by the Administrator upon the grant of an Award and set forth in the Agreement evidencing such Award or (ii) specified by the Participant in an Election complying with the requirements of Section 17.2 and/or 17.3, as applicable;
- (e) A change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company (as defined by Section 409A Regulations); or
- (f) The occurrence of an Unforeseeable Emergency (as defined by Section 409A Regulations).

Notwithstanding anything else herein to the contrary, to the extent that a Participant is a "Specified Employee" (as defined by Section 409A Regulations) of the Company, no distribution pursuant to Section 17.4(a) in settlement of an Award subject to Section 409A may be made before the date (the "*Delayed Payment Date*") which is six (6) months after such Participant's date of separation from service, or, if earlier, the date of the Participant's death. All such amounts that would, but for this paragraph, become payable prior to the Delayed Payment Date shall be accumulated and paid on the Delayed Payment Date.

17.5 Unforeseeable Emergency. The Administrator shall have the authority to provide in any Award subject to Section 409A for distribution in settlement of all or a portion of such Award in the event that a Participant establishes, to the satisfaction of the Administrator, the occurrence of an Unforeseeable Emergency. In such event, the amount(s) distributed with respect to such Unforeseeable Emergency cannot exceed the amounts reasonably necessary to satisfy such Unforeseeable Emergency plus amounts necessary to pay taxes or penalties reasonably anticipated as a result of such distribution(s), after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise, by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship), or by cessation of deferrals under the Plan. All distributions with respect to an Unforeseeable Emergency shall be made in a lump sum within 90 days of the occurrence of Unforeseeable Emergency and following the Administrator's determination that an Unforeseeable Emergency has occurred.

The occurrence of an Unforeseeable Emergency shall be judged and determined by the Administrator. The Administrator's decision with respect to whether an Unforeseeable Emergency has occurred and the manner in which, if at all, the distribution in settlement of an Award shall be altered or modified, shall be final, conclusive and not subject to approval or appeal.

17.6 Disabled. The Administrator shall have the authority to provide in any Award subject to Section 409A for distribution in settlement of such Award in the event that the Participant becomes Disabled.

All distributions payable by reason of a Participant becoming Disabled shall be paid in a lump sum or in periodic installments as established by the Participant's Election, commencing within 90 days following the date the Participant becomes Disabled. If the Participant has made no Election with respect to distributions upon becoming Disabled, all such distributions shall be paid in a lump sum within 90 days following the date the Participant becomes Disabled.

17.7 Death. If a Participant dies before complete distribution of amounts payable upon settlement of an Award subject to Section 409A, such undistributed amounts shall be distributed to his or her beneficiary under the distribution method for death established by the Participant's Election, or, if the Participant has made no Election with respect to distributions upon death, in a lump sum, within 90 days following the Participant's death and following receipt by the Administrator of satisfactory notice and confirmation of the Participant's death.

17.8 No Acceleration of Distributions. Notwithstanding anything to the contrary herein, this Plan does not permit the acceleration of the time or schedule of any distribution under this Plan to any Award subject to Section 409A, except as provided by Section 409A and Section 409A Regulations.
