This Current Report on Form 8-K (the “Report”) contains both historical and forward-looking statements that involve risks, uncertainties and assumptions. The statements contained in this Report that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21B of the Securities Exchange Act of 1934, as amended, including statements regarding our expectations, beliefs, intentions and strategies for the future. These statements appear in a number of places in this Report and include all statements that are not historical statements of fact regarding the intent, belief or current expectations with respect to, among other things: (i.) our competition; (ii.) our financing plans; (iii) trends affecting our financial condition or results of operations; (iv.) our growth strategy and operating strategy; (v.) the declaration and payment of dividends; (vi.) the timing and magnitude of future contracts; (vii.) parts shortages and lead times; (viii.) fluctuations in margins; and (ix.) the seasonality of our business; (x.) the introduction of new products and technology. The words “may,” “would,” “could,” “should,” “will,” “expect,” “estimate,” “anticipate,” “believe,” “intend,” “plans” and similar expressions and variations are intended to identify forward-looking statements. Investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, many of which are beyond our ability to control, and that actual results may differ materially from those projected in the forward-looking statements as a result of various factors discussed herein, including those discussed in detail in our filings with the Securities and Exchange Commission, including in our Annual Report on Form 10-K for the fiscal year ended April 30, 2016 in the section entitled “Item 1A. Risk Factors”

Section 7 - Regulation FD

Item 7.01 Regulation FD Disclosure

On November 22, 2016, during the conference call to discuss the financial results of Daktronics, Inc. (the “Company”) for the second quarter and six months ended October 29, 2016, Ms. Sheila M. Anderson incorrectly and inadvertently stated that the Company’s backlog at the beginning of the Company’s third quarter in fiscal 2017 was \$184 million rather than \$142 million, which is the correct number. The related press release contained the correct backlog number.
