EAGLE BULK SHIPPING, INC. TAKES DELIVERY OF TENTH VESSEL

-- Handymax Carrier The Sparrow Joins Eagle Bulk Fleet --

New York, NY, July 20, 2005 -- Eagle Bulk Shipping Inc. (NASDAQ: EGLE), the largest U.S. based owner of Handymax dry bulk vessels, today announced that it has taken delivery of its tenth vessel, the Sparrow, a 48,225 dwt Handymax dry bulk carrier built 2000. The vessel will immediately begin service under a time charter at the rate of \$22,500 per day, expiring between November 2006 and February 2007.

Sophocles N. Zoullas, Chairman and Chief Executive Officer, commented, "The Sparrow is the second vessel Eagle has taken delivery of since its initial public offering, as we continue to enhance our ability to benefit from the growing global demand for dry bulk shipping. The addition of the Sparrow is consistent with our strategy of managing and expanding our fleet in a manner that enables us to deliver attractive returns and dividends to our stockholders."

The addition of the Sparrow follows the company's previous delivery, on June 30, 2005, of the Peregrine, a 50,913 dwt Supramax bulk carrier built 2001, which began service under a time charter rate of \$24,000 per day, expiring between October 2006 and January 2007.
