Exhibit 99.2

SDRL - Mandatory notification of trade

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN

HAMILTON, Bermuda, Feb 29, 2012 - Seadrill Limited (the "Company" or "Seadrill") (NYSE: SDRL) today announced that Hemen Holding Limited ("Hemen"), a company which is ultimately controlled by trusts established for the benefit of John Fredriksen's family, Chairman of the Board of Seadrill, has agreed to sell up to 24m shares of Seadrill common stock to investors ("Shares") and enter into a privately negotiated cash or physically settled put option transaction with Goldman Sachs International ("Seller Put Option") with a 90 day average maturity on 24m Shares with a strike price set at the closing price on the New York Stock Exchange at Norwegian Kroner 235,1419.

The shares are being sold by the selling shareholder in an undocumented offering within the United States only to Qualified Institution Buyers purchasing in reliance on Rule 144A and outside the United States to non-US persons in reliance on Regulation S under the U.S. Securities Act of 1933.

Goldman Sachs International will enter into privately negotiated cash settled put option transactions referencing the Shares with eligible counterparties with the maturity and the strike price identical to the maturity and the strike price of the Seller Put Option. Goldman Sachs International may enter into additional hedging transactions concurrently with the pricing of the transactions described above and throughout the term of the Seller Put Option. These activities could have the effect of increasing, or preventing a decline in, the market price of the Shares concurrently with the pricing of the offering and/or settlement of the Seller Put Option.

Part of the net proceeds from the sale of the Shares will initially be used by Hemen to make a prepayment under the Seller Put Option.

Hemen currently owns 28% of Seadrill. This stake is currently worth approximately \$5.6 billion and represents a disproportionately large part of the Fredriksen Group's investment portfolio, at approximately 63%, by value, of the listed company stakes controlled by Hemen. Hemen's ownership in Seadrill will be reduced through the offering to approximately 23% and Hemen will by far remain the largest shareholder in Seadrill. Seadrill's share of the listed company stakes controlled by Hemen will be reduced from 63% to 58%.

The main purpose of the sale is for the Fredriksen Group to have a slightly more diversified investment portfolio. The transaction will also create liquidity to aggressively pursue investment opportunities in the currently oversupplied market for commodity shipping. Such opportunities include buying distressed asset companies, ordering new buildings and seek opportunities for consolidation.

Hemen has entered into a lock up where it has agreed not to sell further shares in Seadrill for a period of one year.

John Fredriksen will remain Chairman of Seadrill and is committed to the successful development of Seadrill over the long term.

This announcement is for information purposes only and is not an offer to sell, or the solicitation of an offer to buy, any securities. The distribution of this announcement and the offer and sale of the securities referred to above in certain jurisdictions may be restricted by law. If you are in the United Kingdom and do not fall into one of the above categories, you will not be eligible to participate in the offering, and you should not act upon, or rely on, this announcement.
