WINTERGREEN ADVISERS, LLC

March 30, 2018

Dear Fellow Shareholder:

Wintergreen Partners Fund, LP (the "Partnership") is the beneficial owner of 294,100 shares of common stock, par value \$1.00 per share ("Common Stock" or "Stock"), of Consolidated-Tomoka Land Co. (the "Company" or "CTO"), representing approximately 5.27% of the Common Stock outstanding, which includes 5,882 shares of Stock held of record by the Partnership. Wintergreen Advisers, LLC (the "Adviser") may be deemed to beneficially own 1,553,075 shares of Common Stock of CTO, which constitutes 27.82% of CTO's Stock outstanding. The Adviser is the investment adviser to Wintergreen Fund, Inc. (the "Fund"), a registered investment company, which owns 1,232,334 shares of Stock (approximately 22.08% of CTO's stock outstanding), of which 24,647 shares of Stock are held of record. The Adviser is also the investment adviser to Wintergreen Partners Offshore Master Fund, Ltd (the "Master Fund"), a Cayman Islands exempted company, which owns 26,641 shares of Stock (approximately 0.47% of CTO's stock outstanding), of which 533 shares of Stock are held of record. The Adviser also serves as investment adviser to the Partnership. The Fund, the Partnership and the Master Fund are collectively referred to herein as the "Wintergreen Funds". The Partnership, the Master Fund and the Adviser are herein referred to as collectively, "Wintergreen" and references herein to Wintergreen also include, to the extent applicable, the Fund. Wintergreen has beneficially owned more than 10% of the Stock since May 2006. For the reasons set forth in the attached proxy statement, Wintergreen is seeking your support at the annual meeting of shareholders (the "Annual Meeting"), which according to CTO's Preliminary Proxy Statement (the "CTO Proxy Statement") filed with the Securities and Exchange Commission on February 26, 2018, is scheduled to be held at the LPGA International Golf Club, Daytona Beach, Florida on Wednesday, April 25, 2018 at 2:00 p.m. local time, for the following:

- to elect Wintergreen's slate of director nominees (the "Wintergreen Nominees") to CTO's board of directors;
- to vote on the ratification of the appointment of Grant Thornton LLP ("Grant Thornton") as the Company's independent registered public accounting firm for fiscal year 2018;
- to vote, on an advisory basis, regarding executive compensation;
- to vote on an amendment to the Consolidated-Tomoka Land Co. Amended and Restated 2010 Equity Incentive Plan
- to increase the number of shares authorized for issuance thereunder, to extend the term of the plan and to make certain amendments to the terms of the plan as described in the Company's proxy statement;
- to vote on Wintergreen's shareholder proposal to narrow the discount between the current net asset value per share ("NAV") and the Company's share price; and
- to transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

The Partnership, the Master Fund, the Adviser and the Wintergreen Nominees are the "participants" in this solicitation as that term is used in federal securities law, and they have no substantial interest in CTO other than their ownership of shares. The transactions by Wintergreen and the Wintergreen Nominees within the past two years involving CTO stock appear in Schedule I to this proxy statement.

Pursuant to this proxy statement, Wintergreen is soliciting proxies from holders of shares of CTO Common Stock to be used at the 2018 Annual Meeting of CTO shareholders and any adjournments or postponements thereof to vote "FOR" the election of the Wintergreen nominees to the Company's board of directors. Wintergreen takes no position on the ratification of the appointment of Grant Thornton as the Company's independent registered public account firm. Wintergreen also seeks proxies to vote "AGAINST" the advisory executive compensation vote "AGAINST" the Amended and Restated 2010 Equity Incentive Plan, and "FOR" Wintergreen's shareholder proposal to narrow the discount between NAV and the Company's share price. According to the CTO Proxy Statement, the record date for the April 25, 2018 Annual Meeting is March 2, 2018. **Only CTO shareholders of record as of March 2, 2018 (the**

"Record Date") are entitled to receive notice of and to vote at the Annual Meeting or any adjournments or postponements thereof.

Whether or not you plan to attend the Annual Meeting, we urge you to carefully consider the information contained in the attached proxy statement and then support our efforts by signing, dating and returning the enclosed **GREEN** proxy card today. The attached proxy statement and the enclosed **GREEN** proxy card are first being furnished to the shareholders on or about [].

Whether you plan to support Wintergreen's Nominees on the enclosed **GREEN** proxy card, or vote on the Company's card, we encourage you to vote along with Wintergreen's recommendations: "AGAINST" the advisory executive compensation vote "AGAINST" the Amended and Restated 2010 Equity Incentive Plan, and "FOR" Wintergreen's shareholder proposal to narrow the discount between NAV and the Company's share price.

This solicitation is being made by the Partnership, the Master Fund and the Adviser and not on behalf of the Board of Directors of CTO.

If you have already voted a proxy card furnished by the Company's management, you have every right to change your votes by signing, dating, and returning a later dated proxy.

If you have any questions or require any assistance with voting your **GREEN** proxy card, please contact our proxy solicitation firm.

The Adviser is also the investment adviser to Wintergreen Partners Offshore Master Fund, Ltd (the "Master Fund"), a Cayman Islands exempted company, which owns 26,641 shares of Stock (approximately 0.47% of CTO's stock outstanding), of which 533 shares of Stock are held of record. The Adviser also serves as investment adviser to the Partnership. The Fund, the Partnership and the Master Fund are collectively referred to herein as the "Wintergreen Funds". The Partnership, the Master Fund and the Adviser are herein referred to as collectively, "Wintergreen" and references herein to Wintergreen also include, to the extent applicable, the Fund. Wintergreen has beneficially owned more than 10% of the Stock since May 2006. Wintergreen intends to vote all of the shares of Common Stock it beneficially owns "For" the election of its nominees and intends to vote on each of the other proposals as described below. We are writing in connection with the annual meeting of shareholders, which according to the CTO Proxy Statement, is scheduled to be held at the LPGA International Golf Club, Daytona Beach, Florida on Wednesday, April 25, 2018 at 2:00 p.m. (EST), including any adjournments or postponements thereof and any meeting which may be

called in lieu thereof (the "Annual Meeting"), to seek your support.

OUR NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTERESTS OF ALL SHAREHOLDERS. WE BELIEVE THAT YOUR VOICE IN THE FUTURE OF CTO CAN BEST BE EXPRESSED THROUGH THE ELECTION OF OUR NOMINEES. ACCORDINGLY, WINTERGREEN URGES YOU TO VOTE YOUR GREEN PROXY CARD FOR OUR NOMINEES.

This proxy statement and the enclosed **GREEN** proxy card are being furnished to the Company's shareholders by Wintergreen in connection with the solicitation of proxies for the following:

1. To vote "**FOR**" the election of Elizabeth N. Cohernour, Evan H. Ho, and David J. Winters (the "Wintergreen Nominees") to serve as directors on the Company's board of directors (the "Board");
2. Wintergreen takes no position regarding the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm of the Company for the fiscal year ending December 31, 2018;
3. To vote "**AGAINST**" the executive compensation vote;
4. To vote "**AGAINST**" the Amended and Restated 2010 Equity Incentive Plan;
5. To vote "**FOR**" the Wintergreen shareholder proposal to narrow the discount between NAV and the Company's share price.

This proxy statement (the "Proxy Statement") and the enclosed **GREEN** proxy card are first being furnished to shareholders on or about [], 2018.

CTO has set the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting as March 2, 2018 (the "Record Date"). The mailing address of the principal executive offices of CTO is 1140 North Williamson Boulevard, Suite 140, Daytona Beach, FL 32114. Shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of the date of this Proxy Statement, Wintergreen is the beneficial owner of an aggregate of 1,553,075 shares of Common Stock of the Company, which represents approximately 27.82% of the voting securities outstanding. Wintergreen intends to vote all of its shares of Common Stock: (1) "FOR" the election of the Wintergreen Nominees, (2) to vote to "**ABSTAIN**" from the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018, (3) "AGAINST" the executive compensation vote, (4) "AGAINST" the Amended and Restated 2010 Equity Incentive Plan, and (5) "FOR" Wintergreen's shareholder proposal to narrow the discount between NAV and the Company's share price.. The only way to ensure a vote on the Wintergreen Nominees is by voting the **GREEN** proxy card. The Company's proxy card will not provide an opportunity to vote for the Wintergreen Nominees. The **GREEN** proxy card will not provide an opportunity to vote for the Company's nominees and therefore a shareholder who grants proxy authority to Wintergreen will not be able to vote for a full slate of directors unless such shareholder attends the Annual Meeting in person. Written ballots will be distributed to shareholders who wish to vote in person at the Annual Meeting. If you hold your Shares through a bank, broker or other custodian, you must obtain a legal proxy from such bank, broker or other custodian in order to vote in person at the meeting. Please contact Morrow Sodali at (800) 662-5200 if you are interested in the ability to vote for the Wintergreen Nominees and certain of the Company's director nominees.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on April 25, 2018: Wintergreen's Proxy Statement will be available at: enhancecto.com. At this website, Wintergreen's Proxy Statement, Wintergreen's additional proxy solicitation material and Wintergreen's proxy card will be available. These materials are also publicly-accessible at <http://www.sec.gov/edgar/searchedgar/companysearch.html>.

The Wintergreen Nominees are committed to acting in the best interests of all shareholders. Wintergreen believes that your voice in the future of CTO can best be expressed through the election of the Wintergreen Nominees rather than the Company's nominees. David Winters and Elizabeth Cohernour serve as the Chief Executive Officer and Chief Operating Officer, respectively, of Wintergreen Advisers, LLC. In addition, Ms. Cohernour serves as a director of Wintergreen Partners Offshore Master Fund, Ltd. Wintergreen believes that instances of potential conflicts of interest due to the foregoing will be rare because the interests of Wintergreen are aligned with those of the Company's shareholders. Wintergreen beneficially owns approximately 27.82% of the Company's Common Stock. Conversely, as a group, the Company's directors and executive officers own 4.7% of the Company. As directors of the Company, the Wintergreen Nominees would seek to maximize the value of the Company for all shareholders, an objective that benefits both the Wintergreen Funds and the Company's other shareholders. In the event of a conflict of interest, Mr. Winters and Ms. Cohernour would seek to manage such conflict of interest in a manner that they believe is fair and equitable to both the Company and its shareholders and to the Wintergreen Funds. Mr. Ho is not subject to potential conflicts of interest between the Company and Wintergreen Advisers, LLC because he does not owe fiduciary duties to the Wintergreen Funds. Accordingly, Wintergreen urges you to vote your **GREEN** proxy card for our nominees.

THIS SOLICITATION IS BEING MADE BY THE PARTNERSHIP, THE MASTER FUND AND THE ADVISER AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OR MANAGEMENT OF CTO. WINTERGREEN IS NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING. SHOULD OTHER MATTERS, WHICH WINTERGREEN IS NOT AWARE OF AT A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED **GREEN** PROXY CARD WILL VOTE ON SUCH MATTERS AT THEIR DISCRETION.

WINTERGREEN URGES YOU TO CAREFULLY CONSIDER THE INFORMATION CONTAINED IN THE ATTACHED PROXY STATEMENT AND THEN SUPPORT WINTERGREEN'S EFFORTS BY USING THE **GREEN** PROXY CARD TODAY TO VOTE "FOR" THE ELECTION OF EACH OF THE WINTERGREEN NOMINEES AND AS RECOMMENDED ABOVE FOR EACH OF THE OTHER PROPOSALS.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY CTO'S MANAGEMENT TO THE COMPANY, YOU MAY REVOKE THAT PROXY AND VOTE FOR THE ELECTION OF WINTERGREEN'S NOMINEES BY SIGNING, DATING AND RETURNING THE ENCLOSED GREEN PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE ANNUAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE ANNUAL MEETING TO WINTERGREEN, C/O MORROW SODALI, THE PROXY SOLICITATION FIRM RETAINED TO ASSIST WINTERGREEN IN THIS SOLICITATION, OR TO THE SECRETARY OF CTO, OR BY VOTING IN PERSON AT THE ANNUAL MEETING.

IMPORTANT

Your vote is important, no matter how many or how few shares of Common Stock you own. We urge you to sign, date, and return the enclosed GREEN proxy card today to vote "FOR" the election of the Wintergreen Nominees; to vote to "ABSTAIN" from the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018; "AGAINST" the executive compensation vote, "AGAINST" the Amended and Restated 2010 Equity Incentive Plan, and "FOR" Wintergreen's shareholder proposal to narrow the discount between NAV and the Company's share price.

If your shares of Common Stock are registered in your own name, please sign and date the enclosed **GREEN** proxy card and return it in the enclosed envelope today.

If your shares of Common Stock are held in a brokerage account or bank, you are considered the beneficial owner of the shares of Common Stock, and these proxy materials, together with a **GREEN** voting instruction form, are being forwarded to you by your broker or bank. As a beneficial owner, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your shares on your behalf without your instructions.

Depending upon your broker or custodian, you may be able to vote either by toll-free telephone or by the Internet.

Please refer to the enclosed **GREEN** voting instruction form for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed **GREEN** voting instruction form.

Since only your latest dated proxy card will count, we urge you not to return any proxy card you receive from the Company. Even if you return the management proxy card and mark "withhold" as a protest against the incumbent directors, it will revoke any proxy card you may have previously mailed. Remember, you can vote for the Wintergreen Nominees only on our **GREEN** proxy card. So please make certain that the latest dated proxy card you return is the **GREEN** proxy card.

If you have any questions regarding your proxy,

or need assistance in voting your shares of Common Stock, please contact our proxy solicitor:

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Proxy Statement contains "forward-looking statements." Specific forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts and include, without limitation, words such as "may," "will," "expects," "believes," "anticipates," "plans," "estimates," "projects," "targets," "forecasts," "seeks," "could" or the negative of such terms or other variations on such terms or comparable terminology. Similarly, statements that describe our objectives, plans or goals are forward-looking. Our forward-looking statements are based on our current intent, belief, expectations, estimates and projections regarding CTO or the real estate markets in which it operates. These statements are not guarantees of future performance and involve risks, uncertainties, assumptions and other factors that are difficult to predict and that could cause actual results to differ materially. Accordingly, you should not rely upon forward-looking statements as a prediction of actual results and actual results may vary materially from what is expressed in or indicated by the forward-looking statements. This cautionary statement is applicable to all forward-looking statements contained in this Proxy Statement and the material accompanying this Proxy Statement.

VOTING AND PROXY PROCEDURES

Who can vote?

Shareholders of record as of the close of business on March 2, 2018, which is known as the Record Date, are entitled to vote at the Annual Meeting. Even if you sell your shares after the Record Date, you will retain the right to execute a proxy in connection with the Annual Meeting. It is important that you grant a proxy regarding shares you held on the Record Date, or vote those shares in person, even if you no longer own those shares.

How many shares are eligible to vote?

As of the close of business on March 2, 2018, there were 5,595,040 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

How do I vote?

If your shares are registered directly in your name, you are considered the "shareholder of record" with respect to those shares and this Proxy Statement and the **GREEN** proxy card are being sent directly to you by Wintergreen. As the shareholder of record, you may direct your vote by completing, signing and dating the **GREEN** proxy card you receive and returning it in the postage-prepaid envelope. As the shareholder of record, you also have the right to attend the Annual Meeting and vote in person. Most shareholders hold their shares through a broker, bank or other nominee (that is, in "street name") rather than directly in their own name. If you hold your shares in street name, you are a "beneficial owner," and the proxy materials are being forwarded to you by your broker, bank or other nominee together with a **GREEN** voting instruction form. Because a beneficial holder is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that holds your shares, giving you the right to vote the shares at the meeting. Even if you plan to attend the Annual Meeting, we recommend that you complete, sign and date the enclosed **GREEN** proxy card and return it promptly in the enclosed postage-prepaid envelope so that your vote will be counted if you later decide not to attend the Annual Meeting.

What does it mean if I receive more than one **GREEN** proxy or voting instruction card?

It probably means your shares are registered differently and are in more than one account. Please sign, date and return all **GREEN** proxy cards or voting instruction forms to ensure that all your shares are voted.

How will my shares be voted?

If you give a proxy on the accompanying **GREEN** proxy card with instructions, your shares will be voted as you direct. If you submit a signed **GREEN** proxy card to Wintergreen, care of its proxy solicitor, Morrow Sodali, without instructions, your shares will be voted "**FOR**" the election of the Wintergreen Nominees, your shares will be voted to "**ABSTAIN**" from for the ratification of the appointment of Grant Thornton as the Company's independent public accounting firm for the fiscal year ended December 31, 2018; "**AGAINST**" the executive compensation vote, "**AGAINST**" the Amended and Restated 2010 Equity Incentive Plan, and "**FOR**" Wintergreen's shareholder proposal to narrow the discount between NAV and the Company's share price.

Submitting a signed **GREEN** proxy card will entitle Wintergreen to vote your shares in their discretion on matters not described in this Proxy Statement that Wintergreen does not know within a reasonable time before this solicitation, are to be presented at the Annual Meeting, and that properly come before the Annual Meeting, or any adjournment or postponement thereof.

If shareholders holding shares of CTO Common Stock in street name do not provide voting instructions, their shares may not be voted.

Unless a signed proxy specifies otherwise, it is presumed to relate to all shares held of record on the Record Date by the person who submitted it.

How will Wintergreen vote its shares of CTO's Common Stock?

With respect to Wintergreen's shares of CTO's Common Stock, Wintergreen intends to vote "**FOR**" the election of the Wintergreen Nominees; no position regarding the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018; "**AGAINST**" the executive compensation vote, "**AGAINST**" the Amended and Restated 2010 Equity Incentive Plan, and "**FOR**" Wintergreen's shareholder proposal.

What do I do if I receive a proxy card from CTO?

You will also receive a proxy or voting instruction card that is being solicited by the Company's Board. Wintergreen urges you to discard these proxy cards or voting instruction forms sent to you by the Company. If you have previously signed a proxy card or voting instruction form sent by the Company, we urge you to sign, date and promptly mail the enclosed **GREEN** proxy card or voting instruction form before the Annual Meeting. By doing so, you will revoke any earlier dated proxy card or voting instruction form solicited by the Company's Board. It is very important that you date your proxy. It is not necessary to contact the Company for your revocation to be effective. If you have questions or need assistance, please contact our proxy solicitor:

If you have already sent a proxy card to the Company, you may revoke it and vote for Wintergreen by signing, dating and returning the enclosed GREEN proxy card or voting instruction form. See "Proxy Revocation Rights" below.

What is a "legal proxy," and when would I need one?

If you do not have registered ownership of your shares and want to vote in person at the Annual Meeting, or if you are voting for someone else at the Annual Meeting, you may obtain a document called a "legal proxy" from the registered holder of the shares or such other person and bring it to the Annual Meeting. If you need assistance, please contact Morrow Sodali toll-free at (800) 662-5200.

Can I vote for the Wintergreen Nominees on the proxy card being circulated by the Company?

No. The only way to ensure a vote for Wintergreen is by voting the **GREEN** proxy card. The Company's proxy card will not provide an opportunity to vote for the Wintergreen Nominees. In addition, the **GREEN** proxy card will not provide an opportunity to vote for the Company's nominees and therefore a shareholder who grants proxy authority to Wintergreen will not be able to vote for a full slate of directors unless such shareholder attends the Annual Meeting in person. Written ballots will be distributed to shareholders who wish to vote in person at the Annual Meeting. If you hold your Shares through a bank, broker or other custodian, you must obtain a legal proxy from such bank, broker or other custodian in order to vote in person at the meeting. Please contact Morrow Sodali at (800) 662-5200 if you are interested in the ability to vote for the Wintergreen Nominees and certain of the Company's director nominees.

If I plan to attend the Annual Meeting, should I still submit a proxy?

Whether you plan to attend the Annual Meeting or not, we urge you to submit a **GREEN** proxy card. Returning the enclosed proxy card will not affect your right to attend the Annual Meeting and vote.

How many votes do I have?

With respect to each matter to be considered at the Annual Meeting, you are entitled to one vote for each share of Common Stock owned on the Record Date. Based on documents publicly filed by the Company, the Company's only outstanding voting securities are its Common Stock.

Can the meeting be adjourned or postponed?

The Company's By-Laws provide that any meeting of shareholders, annual or special, may adjourn from time to time to reconvene at the same or some other place, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. The only way to ensure a vote on the Wintergreen Nominees is by voting the **GREEN** proxy card. The Company's proxy card will not provide an opportunity to vote for the Wintergreen Nominees. In addition, the **GREEN** proxy card will not provide an opportunity to vote for the Company's nominees. Please contact Morrow Sodali toll-free at (800) 662-5200 if you are interested in the ability to vote for the Wintergreen Nominees and certain of the Company's director nominees.

In the absence of a quorum, the shareholders so present may, by majority vote, adjourn the meeting from time to time in the manner described above until a quorum shall attend.

How can I receive more information?

If you require assistance or have questions about giving your proxy or about this proxy solicitation, please call Morrow Sodali toll-free at (800) 662-5200.

PROXY REVOCATION RIGHTS

If I have already voted using the Company's proxy card, can I revoke my proxy?

Any shareholder of record may revoke or change his or her proxy instructions at any time prior to the vote at the Annual meeting. **Please remember that only the latest dated proxy card will be counted. Therefore, Wintergreen urges you to sign, date and return the GREEN proxy card accompanying this Proxy Statement.**

How can I revoke my proxy if I am a shareholder of record?

You can change your proxy instructions by: (a) submitting by mail a properly executed, subsequently dated **GREEN** proxy card that will revoke all prior proxy cards, including any **WHITE** proxy cards that you may have submitted to CTO; (b) instructing Wintergreen, care of Morrow Sodali, 509 Madison Avenue, Suite 1608, New York, New York 10022; (c) attending the Annual Meeting and withdrawing your proxy by voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or (d) delivering written notice of revocation either to Wintergreen, care of Morrow Sodali, 509 Madison Avenue, Suite 1608, New York, New York 10022 or to Daniel E. Smith, CTO's Corporate Secretary at the Company's offices shown above.

How can I revoke my proxy if I hold my shares through a brokerage, bank or other institution?

If you hold your shares in "street name," *i.e.*, through a brokerage, bank or other institution, you can revoke your proxy by: submitting a new proxy card or voting instruction form to your broker or nominee, either by mail or by telephone or by using the Internet in accordance with instructions from your broker or nominee; or attending the Annual Meeting and voting in person, provided you have obtained a signed legal proxy from the record holder giving you the right to vote your shares.

If you choose to revoke a proxy by giving written notice or a later-dated proxy to the Secretary of CTO or by submitting new voting instructions to your broker or nominee, Wintergreen would appreciate if you would assist us in representing the interests of shareholders on an informed basis by either sending its proxy solicitor, Morrow Sodali, a copy of your revocation, proxy or new voting instructions or by calling them at (800) 662-5200.

Please remember that only the latest dated proxy card will be counted. Therefore, Wintergreen urges you to sign, date and return the GREEN proxy card or voting instruction form accompanying this Proxy Statement.

Is there a limit to the number of times that a shareholder can revoke a proxy?

There is no limit on the number of times a shareholder may revoke a proxy prior to the Annual Meeting. If you send written revocation of your proxy to the Secretary of the Company, Wintergreen requests that you send either the original or a copy of that revocation to Morrow Sodali, 509 Madison Avenue, Suite 1608, New York, New York 10022. This will allow Wintergreen to more accurately determine if and when the requisite number of proxies has been received.

PLEASE NOTE, that in order to vote "FOR" the election of the Wintergreen Nominees; "AGAINST" the executive compensation vote, "AGAINST" the Amended and Restated 2010 Equity Incentive Plan, and "FOR" Wintergreens shareholder proposal to narrow the discount between NAV and the Company's share price, you will need to complete and return the GREEN proxy card, regardless of whether or not you send a revocation.

OUR NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTERESTS OF ALL SHAREHOLDERS. WE BELIEVE THAT YOUR VOICE IN THE FUTURE OF CTO CAN BEST BE EXPRESSED THROUGH THE ELECTION OF OUR NOMINEES. ACCORDINGLY, WINTERGREEN URGES YOU TO VOTE YOUR GREEN PROXY CARD FOR OUR NOMINEES.

Wintergreen is seeking the authority to vote for the Wintergreen Nominees.

The Wintergreen Nominees will be focused on ensuring shareholders have true representation on the Board. The Wintergreen Nominees intend to take concrete steps to narrow the discount between the Company's published NAV and the Company's share price. These steps will likely include: taking immediate steps to narrow the discount between NAV and the Company's share price by hiring an independent, previously unaffiliated, adviser to maximize shareholder value by evaluating all options for the Company, tendering for shares of the Company, clearly defining, and then executing, the repurchase of Company shares when the stock is trading at a discount, and hiring a consultant to properly value the mineral rights portfolio, among other items. The Wintergreen Nominees will take immediate steps to improve what Wintergreen views as the Company's often inconsistent disclosure and to improve corporate governance at CTO.

If the Wintergreen Nominees are elected, the Wintergreen Nominees will seek to cause the Company to conduct an evaluation of many other aspects of the Company's business and operations, including, but not limited to, the proper alignment of executive compensation with appreciation of the Company's share price, so that executives only achieve bonus rewards when shareholders also benefit.

There is no assurance that the nominees of CTO's management will serve if elected with any of the Wintergreen Nominees. Each of these Wintergreen Nominees would be considered "independent" under applicable federal securities rules and in accordance with Section 803A of the Company Guide of the NYSE American ("NYSE-A"). Each Wintergreen Nominee has indicated his or her willingness to serve if elected. The Wintergreen Nominees will not receive any additional compensation from Wintergreen for their services as directors of CTO. Other than as stated herein, there are no arrangements or understandings between Wintergreen and any of the Wintergreen Nominees or any other person or persons pursuant to which the nomination described herein is to be made, other than the consent by each of the Wintergreen Nominees to be named in this Proxy Statement and to serve as a director of CTO if elected as such at the Annual Meeting. See "Other Participant Information" below.

Ms. Cohernour, Mr. Ho, and Mr. Winters have each been nominated by Wintergreen to be elected to the Board for a one-year term expiring at the 2019 Annual Meeting of Shareholders.

YOU ARE URGED TO VOTE "FOR" THE ELECTION OF THE WINTERGREEN NOMINEES ON THE ENCLOSED GREEN PROXY CARD.

PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018

Wintergreen is taking no position regarding the ratification of the selection of Grant Thornton as the Company's Accounting Firm and will vote "ABSTAIN." If you submit a signed **GREEN** proxy card to Wintergreen, your shares on Proposal 2 will be voted according to your instructions, and if you do not provide instructions with respect to Proposal 2, your shares will be voted "ABSTAIN".

PROPOSAL 3 — ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Wintergreen is seeking the authority to vote "**AGAINST**" the advisory executive compensation vote. Wintergreen believes that the executive compensation plan must be designed so that management's compensation is closely aligned with shareholder returns. The current compensation structure awards management both for the sale of low basis land in a bull market, and again for closing the same land sales. For example, according to the Company's preliminary proxy statement filed with the SEC on March 8, 2018, 40% of the available cash incentive payout will be determined based on land transaction activity, which will be allocated 10% to the entrance into new land sale contracts and 30% will be allocated to actual gross proceeds received upon the closing of the same land sale. As a result, for one single land transaction, management will be rewarded for entering into the contract and for the closing of the sale. Wintergreen believes that a properly designed compensation plan would compel management to work expeditiously to narrow the discount between NAV and the Company's share price – this would help to ensure that management's compensation was properly aligned with shareholder returns.

PROPOSAL 4 — APPROVAL OF AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED 2010 EQUITY INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE THEREUNDER, TO EXTEND THE TERM OF THE PLAN AND TO MAKE CERTAIN OTHER AMENDMENTS

Wintergreen is seeking the authority to vote "**AGAINST**" the approval of an amendment to the Company's 2010 Equity Incentive Plan to increase the number of shares authorized for issuance. Wintergreen believes that until such time that clear criteria for awarding shares is presented to shareholders, along with guidelines requiring that stock be held for multiple years once grants and options have vested, among other items, that no further stock awards should be approved.

The Board's Compensation Committee has used the approved share pool to provide gifts of stock to management under the guise that it aligns management with shareholders. However, in the majority of cases, management sells the stock as soon as it vests. Wintergreen believes that the purposes of any well-designed equity incentive plan should be to align the interests of management and other shareholders with respect to the creation of long-term shareholder value by offering a meaningful stake in the company to management. CTO's management's history of selling shares as soon as they vest is inconsistent with our views of the goals of these plans. Selling stock as soon as it vests is to sell the stock at the first moment in time when it is owned by the employee. Wintergreen believes that to align employee interests with shareholders, the employee should own the stock over a period of time in the same manner that investors do. The parallel ownership of stock by the employee and the investor is at the heart of the purpose of awarding stock to align the employee and the investor's interests. When both own the stock at the same time there is a common ground of wanting the company stock to do well so that both the employee who has been gifted stock and the investor who bought stock will have a commonality of interest in the stock value rising, narrowing the discount between market price and NAV.

PROPOSAL 5 — APPROVAL OF WINTERGREEN'S PROPOSAL TO NARROW THE DISCOUNT BETWEEN NAV AND THE COMPANY'S SHARE PRICE.

Wintergreen is seeking the authority to vote "**FOR**" the approval of a proposal requesting that the Board takes immediate steps to narrow the discount between NAV and the Company's share price by hiring an independent, previously unaffiliated, adviser to maximize shareholder value by evaluating all options for the Company, including through a sale of CTO or through the liquidation of CTO's assets.

Wintergreen believes the proper focus of CTO management should be the maximization of shareholder value by either a sale of CTO or through the liquidation of CTO's assets. In 2016, over 69% of shareholders backed a proposal submitted by Wintergreen to hire an independent adviser to evaluate ways to maximize shareholder value through the sale of CTO or through the liquidation of CTO's assets. At the time, the Company indicated that one of the factors preventing a sale was its substantial remaining land holdings. Since that time, the Company has placed under contract the majority of the remaining land. Based on the Company's own NAV estimate in the 2017 Q3 Shareholder Presentation, the Company currently trades at a massive discount to NAV. We believe the Company has effectively become a closed-end fund that is trading at a large discount. On the Company's Q3 2017 earnings call on October 19, 2017, the Company's CEO indicated "What we've always said consistently is that if there's some sort of proposal out there that's great for shareholders, we're all about basically bringing that to the board and discussing it, and if that works, bringing it to the shareholders." Therefore, we believe that the greatest value to shareholders will be to carefully evaluate all options for the Company, including through a thoughtful evaluation of the sale of CTO or the liquidation of CTO's assets. We think a conversion to a REIT could have serious tax implications for CTO's shareholders and primarily works to entrench management. During one of the greatest bull markets in real estate over the last 3 years, CTO's stock price has gone nowhere. It is time to realize full NAV for shareholders and to stop rewarding management for what we view as a failed strategy.

A vote for this shareholder proposal would benefit all shareholders.

BACKGROUND TO THE SOLICITATION

- Wintergreen made its first investment in shares of CTO in February 2006.
- In 2008, Wintergreen submitted shareholder proposals to require the annual election of all directors and to require that the Chairperson of the Board be an independent director. CTO now has a de-staggered Board and has separated the roles of Chairperson of the Board and Chief Executive Officer.

In 2009, Wintergreen submitted shareholder proposals to implement an annual shareholder referendum on executive compensation and to require majority voting for the election of directors in uncontested elections. The Company now holds annual "say on pay" advisory votes and has instituted majority voting in uncontested elections.

In 2015, Wintergreen believes CTO management began to shift the Company away from its core corporate strategy of low-risk, long-term real estate investments in Daytona Beach and Volusia County, Florida without providing what Wintergreen believes to be adequate disclosure to shareholders.

In addition, in the first quarter of 2015, the Company purchased approximately \$5.1 million in investment securities, without disclosing its holdings. By the third quarter of 2015, this number had increased to \$8.1 million, and was accompanied by increased trading activity. Less than nine months later, after Wintergreen highlighted its concerns about this activity being beyond the proper authority of management, the Company liquidated these investments, at a loss to shareholders of approximately \$576,000 plus costs. Please see the Company's first and third quarter Form 10-Qs, filed on May 6, 2015 and October 30, 2015, respectively.

In the second quarter of 2015, the Company's filings revealed that it had initiated a derivatives portfolio that employed leverage. The Company's public filings did not explain why the Company was suddenly engaging in speculative activity that was beyond the scope of the Company's primary business activities.

As of September 30, 2015, the Company's long-term debt had increased by 44% in 2015, and over 135% since the start of 2014. Additionally, while the Company's second-quarter 10-Q and accompanying investor presentation characterized its leverage as "reasonably low" and "low," respectively, the Company's third-quarter 10-Q disclosed a new "moderate level of leverage." Please see the Company's second and third quarter Form 10-Qs, filed on July 31, 2015 and October 30, 2015, respectively.

In November 2015, during a presentation given to shareholders, management presented leverage ratios against "Total Enterprise Value," a hypothetical metric that prevented shareholders from adequately assessing the Company's risk profile. If measured against the Company's Equity Market Capitalization from the same presentation, the Company's leverage would have been 48%, which Wintergreen believes could have forced the Company to sell off assets at a steep discount if the Company were unable to service its debt.

On November 13, 2015, Wintergreen wrote to the independent members of the Board to express its concern with what it viewed as the Company's radical change in strategy and apparent lack of oversight of senior management. Wintergreen observed that the Company's recent change in direction had created significant risk, while adding little in the way of shareholder value. Wintergreen sought to have the Company refocus on participating in the Daytona real estate market, which it believed to be a lower-risk, high-value strategy for the Company.

On November 20, 2015, Wintergreen submitted to the Company a shareholder proposal requesting that the Board hire an independent adviser to evaluate ways to maximize shareholder value through the sale of the Company, or through a liquidation of its assets. Please see Exhibit B of Wintergreen's Schedule 13D/A, filed on November 20, 2015.

On November 24, 2015, the Company publically announced its intention to include Wintergreen's proposal in CTO's proxy statement for the 2016 annual shareholder meeting." The Company further noted that it "welcome[s] the input and perspective of all of our shareholders as we continue to execute our business plan and to pursue our objective of maximizing shareholder value. We appreciate Wintergreen's continued support through their ownership of a large stake in CTO, and the strong statements of support regarding CTO's board of directors and management team in Wintergreen's March 2015 annual Message to Shareholders." The Company did not, however, disclose that in November 2015 Wintergreen had expressed significant dissatisfaction with the Company's altered direction, thereby creating, in Wintergreen's opinion, a misleading impression to shareholders that Wintergreen was in full support of the Company's current trajectory. Please see Exhibit 99.1 of the Company's Form 8-K, filed on November 24, 2015.

On December 17, 2015, Wintergreen sent a second letter to the independent members of the Board, in which it reiterated the issues raised in its November 13th letter, and also expressed its concern that the Company's public disclosures might be inadequate under federal securities laws. Wintergreen requested the matters raised in its November 13th and December 17th letters be immediately investigated by the Board. Please see Exhibit B of Wintergreen's Schedule 13D/A, filed December 17, 2015.

On December 18, 2015, the Company issued a press release stating that the Board, management and their legal advisers had considered Wintergreen's allegations at a special meeting in November and "believe[d] that such allegations are inaccurate and without merit." The Company also disclosed that, in response to Wintergreen's shareholder proposal, the Board had authorized management to solicit proposals from financial advisory firms to "advise the Board as to its options for maximizing shareholder value," including through a sale of the Company or its assets. Ultimately, the Board engaged Deutsche Bank for this strategic review. Please see the Company Release, issued on December 18, 2015.

On January 12, 2016, following an announcement by the Company that it was approving a new share repurchase program, Wintergreen sent a letter to the independent members of the Board about the increasing number of stock grants issued to management since 2011, when John Albright had first been appointed as CEO. Specifically, since 2011, the Company had authorized stock grants for over 430,000 shares of stock, representing over 7.3% of stock outstanding. At the time of Wintergreen's letter, Mr. Albright alone had been granted over 314,000 stock grants and option grants. CTO's Compensation Committee granted shares in excess of what was allowable by CTO's Incentive Plan. Mr. Albright surrendered shares in February 2016, a portion of which were then immediately reissued by the Compensation Committee. (This is discussed in more detail in Note 18 (Stock-Based Compensation) in the Notes to Consolidated Financial Statements included in CTO's Annual Report on Form 10-K for the year ended December 31, 2016.) These excessive grants had only led to continued dilution for shareholders, as overall outstanding share count had increased by over 210,000 (or 3.5%) since August 2011, despite ongoing share repurchases by the Company. In its letter, Wintergreen expressed its concern that management was delaying the sales process in order to continue awarding stock grants to Mr. Albright, to the detriment of the Company's other shareholders. Wintergreen requested that the Board expedite the sales process, provide detailed disclosure to shareholders about the advisers hired to oversee that process, and also provide a full accounting of all commissions, brokerage fees, and other expenses incurred in connection with nearly \$120 million in transactions that had been conducted by the Company in 2015. **The Board never responded to Wintergreen's January 12, 2016 letter.** Please see Exhibit B of Wintergreen's Schedule 13D/A, filed on January 12, 2016.

On February 9, 2016, the Company announced that an audit committee had conducted a review of the allegations raised in Wintergreen's November 13th and December 17th letters and determined they were without merit. Please see Exhibit 99.3 of the Company's Form 8-K, filed on February 10, 2016.

On March 2, 2016, Wintergreen wrote to alert the Board to potential stock manipulation and front-running activity by Albright in late 2015 and to call for a complete and transparent investigation into management's activities, with a particular emphasis on Albright's trading activities.

On April 27, 2016, the 2016 Annual Meeting of Shareholders took place during which Wintergreen's proposal to request that the Board hire an independent adviser to evaluate ways to maximize shareholder value through the sale of the Company or through the liquidation of its assets was overwhelmingly approved by shareholders, receiving over 69% of votes cast. By contrast, 55% of shareholders rejected the Company's say-on-pay and executive compensation proposals, and 60% of shareholders rejected the Company's proposal to issue shares that would have diluted shareholders by 23%. Although shareholders approved the re-election of the current Board, they did so with particularly low support in comparison to historical votes. Please see the Company's Form 8-K, filed on April 28, 2016.

On July 20, 2016, the Company announced that it had concluded the strategic review process conducted by Deutsche Bank. According to the Company's press release, the Board had "not received any expressions of interest in acquiring the Company that contained an indication of value that would provide a meaningful premium for shareholders." Please see the Company Release, issued on July 20, 2016.

In November of 2016, frustrated by what it viewed as the Company's inadequate disclosure to shareholders and potential securities law violations, Wintergreen notified the Company of its nomination of the Wintergreen Nominees.

On December 15, 2016, the Company informed Wintergreen that the Board had decided that Wintergreen's director-nominees "will not be voted on at the Annual Meeting." The Company also indicated a willingness to repurchase all or a significant portion of the shares owned by Wintergreen at a mutually agreeable price.

On December 29, 2016, Wintergreen responded to the Company's December 15, 2016 letter and reiterated its intention to nominate directors at the Company's 2017 Annual Meeting. Please see Exhibit B of Wintergreen's Schedule 13D/A, filed on December 29, 2016.

On January 10, 2017, the Company sent a one-page response to Wintergreen's December 29, 2016 indicating it still did not intend to allow Company shareholders to vote on the Wintergreen Nominees. The Company again indicated a willingness to repurchase all or a significant portion of the shares owned by Wintergreen at a mutually agreeable price.

On January 23, 2017, litigation counsel for Wintergreen sent a letter to counsel for the Company in an attempt to resolve this issue. In its letter, Wintergreen reiterated why the Company's purported bases for rejecting the proposal were meritless and again requested that the Company allow shareholders to vote on Wintergreen's nominations. Wintergreen also noted that the Company was potentially in violation of federal securities laws. Please see Exhibit B of Wintergreen's Schedule 13D/A, filed on January 24, 2017.

On January 26, 2017, the Company issued a press release announcing that the 2017 Annual Meeting would take place on April 26, 2017, and that March 2, 2017, had been set as the record date for shareholders entitled to notice of, and to vote at, the Annual Meeting.

On January 30, 2017, the Company issued a press release in response to Wintergreen's January 23, 2017 letter, again indicating it did not intend to allow Company shareholders to vote on the Wintergreen Nominees. Please see the Company Release, issued on January 30, 2017.

On February 15, 2017, Wintergreen Advisers, LLC filed an action (the "Action") against the Company and its directors in order to vindicate its rights as a shareholder and allow CTO shareholders the opportunity to vote on the Wintergreen Nominees. The complaint alleged claims for declaratory judgment and injunctive relief for breach of contract, breach of fiduciary duty, declaratory judgment under Florida law, and the violation of Section 14(a) of the Securities Exchange Act of 1934, and Rule 14a-8, promulgated thereunder.

On March 6, 2017, Wintergreen Advisers, LLC and the Company and its directors entered into a settlement agreement whereby the Company's shareholders were permitted to vote on the Wintergreen Nominees. **The Company agreed to all of Wintergreen Advisers, LLC's settlement demands.**

On April 26, 2017, the 2017 Annual Meeting of Shareholders took place during which Wintergreen's nominees were not elected to the Board.

On June 21, 2017, at the Company's request, Messrs. Albright and Patten, along with the Company's Chairman of the Board, Laura M. Franklin (collectively, the "CTO Representatives") met with representatives of Wintergreen including Mr. Winters, Ms. Cohernour, and Steven Graff (collectively, the "Wintergreen Representatives"). The meeting was held at the offices of Wintergreen's attorneys in New York City. During the meeting, Wintergreen's Representatives demanded the Company review and correct certain statements that the Company had made about Wintergreen during the 2017 proxy campaign that Wintergreen believed were not factually accurate. The meeting concluded with an agreement that the Company and Wintergreen would continue discussions.

Beginning on July 24, 2017 and continuing through September, 2017, Ms. Franklin and Ms. Cohernour discussed a joint press release where Ms. Franklin would state "The Company greatly valued Wintergreen's support and confidence in prior years, and regretted that the relationship between the Company and Wintergreen deteriorated to the point where a proxy contest occurred this year. We have expressed to Wintergreen our regret that the tone of the Company's statements and other filings before and during the proxy contest were inconsistent with the respect we have for Wintergreen. We and Wintergreen agree that the public discord did not support a favorable perception of the Company among all of our shareholders. Following the recent full and open discussion between the Company and Wintergreen, the Company is delighted with the opportunity to work cooperatively with Wintergreen to focus on ways to maximize shareholder value and reduce the discount between CTO's current trading price range and the Company's estimated NAV. We and Wintergreen agree that the Company should continue to focus on unlocking the value of this asset-rich company in a strong Daytona and Florida economy."

Mr. Albright would state "I personally regret and apologize to Wintergreen and our other shareholders for the tone of the recent proxy contest. We recognize the positive impact that Wintergreen's actions have had for the Company and we look forward to working together constructively for the betterment of all CTO shareholders."

Ms. Cohernour would state "Our meeting with the Chairman of CTO, Laura M. Franklin, as well as John Albright and other members of CTO's executive management was constructive and we found common ground. We appreciate their apology and we encourage the executive team to focus on mobilizing all Company resources to maximize shareholder value."

Mr. Winters would state "We are encouraged by the recent meeting and the Company's acceptance of responsibility. We continue to believe that CTO trades at a material discount to NAV and we encourage management to move quickly to reduce this discount by prioritizing land sales, especially given the current real estate market, to continue to improve the income property portfolio, and to continue efforts to improve corporate governance and transparent disclosure."

The Company agreed to the statement and then reneged on the agreement to issue the press release without explanation.

On November 13, 2017, Wintergreen sent a letter to Daniel E. Smith, in his capacity as our Corporate Secretary, containing a shareholder proposal (the "2018 Wintergreen Proposal") for inclusion in CTO's proxy materials for the Annual Meeting. The 2018 Wintergreen Proposal called for the Company to hire an independent, previously unaffiliated adviser to maximize shareholder value by evaluating all options for the Company, including through the sale of the Company or through the liquidation of the Company's assets.

On November 20, 2017, Ms. Cohernour left a message for Ms. Franklin, advising her that Wintergreen was proceeding with filing a proxy statement.

On November 24, 2017, Wintergreen sent a letter to Mr. Smith, in his capacity as CTO's Corporate Secretary, presenting three nominees to the Board for election at the Annual Meeting (the "2018 Wintergreen Nominations") in accordance with the procedures set forth in the Company's Bylaws.

Wintergreen believes that on November 27, 2017, the CTO Board convened a meeting to discuss and consider the 2018 Wintergreen Proposal and 2018 Wintergreen Nominations. The Company issued a press release confirming receipt of the 2018 Wintergreen Proposal and the 2018 Wintergreen Nominations.

On November 29, 2017, Wintergreen filed the 2018 Wintergreen Proposal and the 2018 Wintergreen Nominations as an exhibit to a Schedule 13D/A filed with the SEC.

Wintergreen believes that on December 1, 2017, the CTO Board convened a meeting to further discuss the 2018 Wintergreen Proposal and 2018 Wintergreen Nominations. Also on December 1, Ms. Franklin delivered a letter to Mr. Winters and the board of directors of the Fund, which was not and is not a participant in the nominations or shareholder proposal, including to the Fund's chairman of the board, Bradden Backer, responding to the 2018 Wintergreen Proposal and 2018 Wintergreen Nominations. Ms. Franklin's letter alleged certain legal and other matters and assertions that Wintergreen has rejected and expressed disagreement.

On December 4, 2017, the Company issued a press release disclosing the delivery of Ms. Franklin's letter to Mr. Winters and to Mr. Backer and the other members of the Fund's board of directors.

On January 25, 2018, the Adviser issued a press release indicating that within the last 30 days, the Adviser received two unsolicited indications of interest in CTO. The Adviser referred both parties to CTO's Board of Directors. Wintergreen stated that it strongly believes that these indications of interest, along with recent changes to Federal Tax Law, and the possibility of upcoming interest rate hikes, show that this is an ideal time for CTO to immediately and vigorously pursue these opportunities and any others that present themselves as well as taking steps in accord with the Wintergreen shareholder proposal to take steps to narrow the discount between NAV and CTO's share price by hiring an independent, previously unaffiliated, adviser to maximize shareholder value by evaluating all options for CTO, including through a sale of CTO or through the liquidation of CTO's assets, even in advance of the upcoming shareholder meeting.

During March 2018, Wintergreen, through one of its counsels, engaged in various discussions with Mr. Smith, in his capacity as CTO's Corporate Secretary, to follow-up on the Company's repeated indications of interest in repurchasing all or a majority of Wintergreen's shares at a mutually agreeable price.

Wintergreen requested a written offer from CTO identifying the market price, premium and number of shares that CTO would propose to purchase. Wintergreen indicated that until the Company provided these basic commercial terms, it was not possible to determine if a transaction could be pursued. To date, no agreement or understanding has been reached by the parties regarding a settlement.

On or around March 6, 2018, Wintergreen received a memorandum prepared by CTO's outside legal counsel outlining certain legal issues regarding the possible sale of Wintergreen's stake in the Company. Wintergreen informed the Company that Wintergreen was familiar with the legal issues that were identified, and the items were not new information and were not insurmountable. Wintergreen again requested a written offer from CTO identifying the market price, premium, and how many shares CTO would propose to repurchase. Such an offer would, of course, be contingent on securities counsel for both of our clients agreeing that the transaction complies with all applicable laws.

On March 7, 2018, counsel for Wintergreen called and emailed Mr. Smith to acknowledge receipt of the March 5, 2018 memorandum and to reiterate the request for a written offer from CTO regarding the repurchase of CTO's common stock held by Wintergreen.

On March 8, 2018, CTO filed its revised preliminary proxy statement with respect to the Annual Meeting.

On March 9, 2018, Mr. Smith contacted counsel for Wintergreen, indicating that CTO would be prepared to discuss pricing for a potential repurchase of CTO's shares held by Wintergreen within a few days.

Also on March 9, 2018, Wintergreen filed its preliminary proxy statement with respect to the Annual Meeting.

On March 12, 2018, Mr. Smith contacted counsel for Wintergreen indicating that CTO proposed terms for the potential purchase of all of Wintergreen's shares of CTO.

On March 14, 2018, Mr. Smith called counsel for Wintergreen to inquire about a response to the CTO offer.

On March 16, 2018, counsel for Wintergreen emailed Mr. Smith to let him know that Wintergreen views CTO's proposed terms for the purchase of all of Wintergreens shares of CTO as unacceptable, and provided a counter proposal. For the avoidance of doubt, Wintergreen has not made a determination as to whether to proceed with a sale of shares, should a suitable offer be made, and will continue with the proxy solicitation process.

QUORUM

According to the CTO Proxy Statement, a quorum is the minimum number of shares that must be represented in person or by proxy in order for the Company to conduct the Annual Meeting. The attendance by proxy or in person of holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting, or 2,797,521 shares of Common Stock based on the Record Date of March 2, 2018 will constitute a quorum to hold the Annual Meeting.

VOTES REQUIRED FOR APPROVAL

Proposal 1 — Election of Directors. Provided a quorum is present, directors are elected by a plurality of the votes cast at the Annual Meeting. The director nominees who receive the largest number of votes cast will be elected, up to the maximum number of directors to be elected at the Annual Meeting.

Proposal 2 — Ratification of the Selection of Independent Registered Public Accounting Firm. Applicable law does not require shareholder ratification of the appointment of Grant Thornton to serve as the Company's independent registered public accounting firm. The Company has stated that the proposal to ratify the appointment of Grant Thornton will be approved if the votes cast favoring the proposal exceed the votes cast opposing the proposal. Abstentions will have no effect on this proposal.

Proposal 3 — Advisory Vote to Approve Executive Compensation. Applicable law does not require the Company to obtain shareholder approval with respect to executive compensation decisions. Advisory votes are not binding upon the Company. The Company states that it will consider the outcome of the advisory vote when making future compensation decisions for named executive officers.

Proposal 4 — Approve an amendment to the Consolidated-Tomoka Land Co. Amended and Restated 2010 Equity Incentive Plan to increase the number of shares authorized for issuance thereunder, to extend the term of the plan and to make certain amendments to the terms of the plan as described in this proxy statement. The Board of Directors has approved, subject to the approval of the Company's shareholders, an amendment to the Consolidated-Tomoka Land Co. 2010 Amended and Restated Equity Incentive Plan, as described in the Company's Proxy. Proposals 4 will require the affirmative vote "for" the proposal by a majority of the shares voted.

Proposal 5 – Approval of Wintergreen's Proposal to narrow the discount between NAV and the Company's share price. The affirmative votes "FOR" the proposal of a majority of the votes cast for Proposal 5 will be required for Proposal 5 to be approved.

For Proposals 2, 3, 4 and 5, shares that abstain from voting will be treated as shares represented at the Annual Meeting, but are neither a vote cast in favor of nor a vote cast against the proposal, so they will have no effect on the outcome of the voting.

For all proposals, broker non-votes will be treated as shares represented at the Annual Meeting, but not voting, so broker non-votes will have no effect on the outcome of the voting.
