Part I

Item 1. Business.

General

MACC Private Equities Inc. (the "Corporation") was formed as a Delaware corporation on March 3, 1994. It is qualified as a business development company ("BDC") under the Investment Company Act of 1940, as amended (the "1940 Act").

The Corporation has one direct wholly-owned subsidiary, MorAmerica Capital Corporation ("MorAmerica Capital"). As of September 30, 2004, MorAmerica Capital comprised approximately 99% of the Corporation's assets. MorAmerica Capital is an Iowa corporation incorporated in 1959 and which has been licensed as a small business investment company since that year. It has also elected treatment as a BDC under the 1940 Act.

The Corporation's Operation as a BDC

As noted above, both the Corporation and its wholly-owned subsidiary, MorAmerica Capital, have elected treatment as BDCs under the 1940 Act. Under the 1940 Act, a BDC may not acquire any asset other than Qualifying Assets as defined under the 1940 Act, unless, at the time the acquisition is made, Qualifying Assets represent at least 70 percent of the value of the BDC's total assets. The principal categories of Qualifying Assets relevant to the business of the Corporation are the following:

- (1) Securities purchased in transactions not involving any public offering from the issuer of such securities, which issuer is an eligible portfolio company. An eligible portfolio company is

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K/A

defined in the 1940 Act as any issuer that:

- (a) is organized under the laws of, and has its principal place of business in, the United States;
- (b) is not an investment company; and

(c) does not have any class of securities with respect to which a broker may extend margin credit.

The Corporation's investment in all of the issued and outstanding common stock of MorAmerica Capital is also a Qualifying Asset under the 1940 Act.

- (2) Cash, cash items, government securities, or high quality debt securities maturing in one year or less from the time of investment.

In addition, a BDC must have been organized (and have its principal place of business) in the United States for the purpose of making investments in the types of securities described in (1) above and, in order to count the securities as Qualifying Assets for the purpose of the 70 percent test, the BDC must make available to the issuers of the securities significant managerial assistance. Making available significant managerial assistance means, among other things, any arrangement whereby the BDC, through its directors, officers or employees offers to provide, and, if accepted, does so provide, significant guidance and counsel concerning the management, operations or business objectives and policies of a portfolio company.

Under the 1940 Act, once a company has elected to be regulated as a BDC, it may not change the nature of its business so as to cease to be, or withdraw its election as, a BDC unless authorized by vote of a majority, as defined in the 1940 Act, of the company's shares. In order to maintain their status as BDCs, the Corporation and MorAmerica Capital each must have at least 50% of their total assets invested in the types of portfolio companies described by Sections 55(a)(1) through 55(a)(3) of the 1940 Act. Accordingly, the Corporation and MorAmerica Capital may not withdraw their BDC elections or otherwise change their business so as to cease to qualify as BDCs without shareholder approval.

Investments and Divestitures

The Corporation made one new portfolio company investment during the fiscal year ended September 30, 2004, of \$200,049 and invested \$481,934 in follow-on investments in three existing portfolio companies. The Corporation's investment-level objectives on a consolidated basis call for follow-on investments of approximately \$885,000 during fiscal year 2005, unless the Corporation raises additional capital, subject to adjustment based upon current economic and operating conditions.

During fiscal year 2004, the Corporation recorded a net realized gain on investments of \$3,021,176.

Item 2. Properties.

The Corporation does not own or lease any properties or other tangible assets. Its business premises and equipment are furnished by Atlas Management Partners, LLC (the "Investment Advisor," or "Atlas"), the investment advisor to the Corporation.

Item 3. Legal Proceedings.

Since May, 2002, MorAmerica Capital has been party to arbitration proceedings instituted by TransCore Holdings, Inc., a company (the "Buyer") seeking indemnification under the Stock Purchase Agreement (the "Stock Purchase Agreement") by which MorAmerica Capital and three other small business investment companies (the "SBICs") and certain other individuals (collectively, the "Sellers") sold their interests in a former portfolio company investment (the "Portfolio Company"). Under the Stock Purchase Agreement, the Sellers agreed to indemnify Buyer for breaches of representations and warranties as to Portfolio Company made by the Sellers. Buyer claims that accounting irregularities by management at Portfolio Company resulted in a breach of the Sellers' representations and warranties.

On November 30, 2004, the arbitrator issued an interim award against the Sellers. Since that time, Buyer and the Sellers have been engaged in intensive settlement negotiations. Further proceedings were also held to finalize the interest component of the judgment and to determine whether legal fees would be awarded to the Buyer.

On December 31, 2004, the arbitrator delivered a final award against the Sellers. On January 4, 2005, the SBICs reached an Agreement of Settlement and Mutual Release (the "Settlement Agreement") with TransCore, pursuant to which the SBICs agreed to pay TransCore a total of \$20 million. Of this amount, approximately \$9 million was already held in escrow subject to the arbitration proceedings. The full amount of the agreed settlement was funded by the SBICs on January 5, 2005.

Under the Stock Purchase Agreement, the Sellers are jointly and severally liable to Buyer for breaches of representations and warranties. However, the Sellers are party to a Contribution Agreement executed at the time of sale among the institutional investors and two individuals. Under the Contribution Agreement, after giving effect to MorAmerica Capital's portion of the escrow, MorAmerica Capital's cash payment on January 5, 2005 was \$1.713 million.

As an SBIC, MorAmerica Capital is required to comply with SBA regulations (the "SBA Regulations"). These regulations include the capital impairment rules. MorAmerica Capital is expected to exceed the maximum impairment percentage as of September 30, 2004, after giving effect to the arbitration settlement. Accordingly, SBA will have the discretion not to extend additional financing to MorAmerica Capital and the right to declare MorAmerica Capital's debentures, currently in the principal amount of \$25.8 million, in default, to accelerate MorAmerica Capital's payment obligations under the debentures and to seek appointment of SBA as receiver. The exercise by SBA of any of these rights could have a material adverse effect on the financial position, results of operations, cash flow and liquidity of MACC and MorAmerica Capital. MorAmerica Capital anticipates meeting with the SBA in coming weeks to review in detail MorAmerica Capital's financial condition after giving effect to the arbitration settlement.

Under the Settlement Agreement, should an attempt be made by any party to recover amounts paid to TransCore in the settlement, under certain circumstances the SBICs will be liable for an additional amount equal to the difference between the final award and the settlement (\$10.4 million). However, the SBA, which, under statute and by contract would be the receiver

of the SBICs in the event of receivership, has stipulated that it has no objection to the settlement, has agreed that the payment of the settlement was permissible under SBA law and Regulations and has further agreed that it will not seek in any proceeding to set aside the settlement. In approving the settlement, the SBA required the SBICs to agree, jointly and severally, to be liable to SBA for up to one-half of the SBA's potential losses on SBA debentures issued by the SBICs, up to a maximum of \$7.5 million. The SBA will incur losses under this agreement only following full and final liquidation of one of the SBICs whose SBA debentures are not repaid in full. Should MorAmerica Capital ever be required to make a payment under this agreement, it will have a claim against the other three SBICs which are party to the Contribution Agreement.

BFS Diversified Products, LLC ("BFS") was a supplier to Water Creations, Inc. ("Water Creations"), a former portfolio company of MorAmerica Capital. Water Creations went out of business in December, 2002, at which time BFS was owed approximately \$900,000 for products sold to Water Creations. On March 26, 2004, BFS filed suit in the Iowa District Court of Polk County, Iowa against board members of and investors in Water Creations, including MorAmerica Capital, David Schroder (Chief Financial Officer of the Corporation), and InvestAmerica Venture Group, Inc., an affiliate of InvestAmerica Investment Advisors, Inc., the subadviser to the Corporation. BFS has sued the defendants for fraud, fraudulent transfer, breach of fiduciary duty, civil conspiracy, breach of contract, conversion, and alter ego/piercing corporate veil. The central allegation of the case is that the defendants knew that Water Creations was insolvent and owed a duty to BFS to protect it from selling to Water Creations under these circumstances. The defendants have hired counsel and intend to vigorously defend this litigation.

As defined under Sections 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the term "disclosure controls and procedures" means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive officer or officers and principal financial officer or officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. The Certifying Officers have reviewed the Corporation's disclosure controls and procedures and have concluded that those disclosure controls and procedures are effective as of the date of this Annual Report on Form 10-K. In compliance with Section 302 of the Sarbanes-Oxley Act of 2002 (18 U.S.C. 1350), each of the Certifying Officers executed an Officer's Certification included in this Annual Report on Form 10-K.

As of the date of this Annual Report on Form 10-K, there have not been any significant changes in the Corporation's internal controls or other factors that could significantly affect these controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.

Item 13. Certain Relationships and Related Transactions.

Atlas is the investment advisor to the Corporation pursuant to that Investment Advisory Agreement between the Corporation and Atlas dated March 1, 2004 (the "MACC Investment Advisory Agreement"). Atlas's address is One South Main Street, Suite 1660, Salt Lake City, Utah 84133. The MACC Investment Advisory Agreement provides that Atlas is entitled to receive a management fee equal to an annual rate of 2.5% of the Corporation's Net Assets, payable monthly in arrears. In addition to the annual management fee of 2.5% of the Corporation's net assets, Atlas is entitled to receive an incentive fee (the "Incentive fee") in an amount equal to 20% of the Corporation's realized capital gains in excess of realized capital losses of the Corporation after allowance for any unrealized capital losses on the portfolio investments of the Corporation. The Incentive fee is calculated, accrued, and paid on a quarterly basis, subject to adjustment at the end of each fiscal year. Total management fees under the MACC Investment Advisory Agreement amounted to \$2,892 for the year ended September 30, 2004. There were no incentive fees accrued or paid under the MACC Investment Advisory Agreement in 2004.

Mr. Geoffrey Wolley, Director and Chairman of the Board of the Corporation, is a Voting Managing Director of Atlas. Mr. Kent Madsen, Director, President and Secretary of the Corporation, is a Voting Managing Director of Atlas. Mr. Timothy Bridgewater, Vice President and Assistant Secretary of the Corporation, is a Voting Managing Director of Atlas. Mr. Nick Efstratis, Vice President and Chief Compliance Officer of the Corporation, is a Voting Managing

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K/A

Director of Atlas.

MorAmerica is a wholly-owned subsidiary of the Corporation. The current members of the Board of Directors and the nominees for fiscal year 2005 of the Board of Directors of MorAmerica are the same individuals as are nominated for directors of the Corporation's Board of Directors. Mr. Geoffrey Woolley is Chairman of the Board of both the Corporation and of MorAmerica. Mr. Kent Madsen, Director, President and Secretary of the Corporation, is the President and Secretary of MorAmerica. Mr. Timothy Bridgewater, Assistant Secretary of the Corporation, is the Vice President and Assistant Secretary of MorAmerica. Mr. Nick Efstratis, Vice President and Chief Compliance Officer of the Corporation is the Vice President and Chief Compliance Officer of MorAmerica.

MorAmerica has a separate investment advisory agreement (the "MorAmerica Capital Investment Advisory Agreement") with Atlas. The fee is equal to 2.5% of the Capital Under Management (as defined in the MorAmerica Capital Investment Advisory Agreement) on an

annual basis, but in no event more than 2.5% per annum of the Assets Under Management or 7.5% of Regulatory Capital (as defined in the MorAmerica Capital Investment Advisory Agreement). However, during fiscal 2003, MorAmerica's investment advisor, InvestAmerica, agreed to a voluntary, temporary reduction in management fees from January 1, 2003 through February 29, 2004. This temporary agreement changed the management fee to be \$68,750 per month not to exceed the calculation specified in the current advisory agreement. This voluntary, temporary reduction in management fees was terminated on February 29, 2004. In addition, the MorAmerica Capital Investment Advisory Agreement provides that MorAmerica will pay Atlas 20.0% of the net capital gains, before taxes, on investments in the form of an incentive fee. Net capital gains, as defined in the MorAmerica Capital Investment Advisory Agreement, are calculated as gross realized gains, minus the sum of capital losses, less any unrealized depreciation, including reversals of previously recorded unrealized depreciation, recorded during the year, and net investment losses, if any, as reported on page 4c, line 33 of the SBA Form 468.1. Capital losses and realized capital gains are not cumulative under the incentive fee computation. Payments for incentive fees resulting from noncash gains are deferred until the assets are sold. The MorAmerica Capital Investment Advisory Agreement may be terminated by either party upon sixty days written notice.

Total management fees (net of management fees waived) under the MorAmerica Capital Investment Advisory Agreement amounted to \$955,508 for the year ended September 30, 2004. Incentive fees are an expense in determining net realized gain (loss) on investments in the consolidated statement of operations. Incentive fees of \$493,050 were earned for the year ended September 30, 2004. Total incentive fees paid under the MorAmerica Capital Investment Advisory Agreement amounted to \$497,517 in fiscal 2004. Approximately \$18,353 of incentive fees related to noncash gains from prior years is being deferred as described above.

As previously disclosed, most recently in the Corporation's Form 8-K filed on January 7, 2005, in anticipation of changes to the Board of Directors of the Corporation and MorAmerica Capital and a change in investment advisors, starting in July, 2003, Atlas, the Corporation's investment advisor since March 1, 2004, periodically notified the SBA of the proposed changes and, as required by the Regulations, submitted the Atlas/MorAmerica Capital Investment Advisory Agreement to the SBA for approval on January 29, 2004. While SBA has previously notified MorAmerica Capital in writing that four of the five principals of Atlas have SBA's approval as managers of MorAmerica Capital, SBA has recently notified MorAmerica Capital that SBA will not grant approval of Atlas as investment

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K/A

advisor of MorAmerica Capital. Atlas and MorAmerica Capital are working with SBA to resolve this issue and anticipate a meeting on this topic with SBA during the month of January, 2005.

The Corporation, MorAmerica and Atlas are also parties to an Investment Advisory Support Services Agreement (the "Subadvisory Agreement") with InvestAmerica ("InvestAmerica" or the "Subadviser"). Prior to March 1, 2004, InvestAmerica was the investment advisor to the Corporation and MorAmerica. Pursuant to the Subadvisory Agreement, InvestAmerica has been retained to monitor and manage portfolio company investments in existence as of the date of the Subadvisory Agreement, including exits, preparation of valuations, follow-on investment analysis and recommendations and other portfolio management matters. InvestAmerica also currently provides certain accounting and

financial services for the Corporation. Under the Subadvisory Agreement, Atlas pays InvestAmerica certain fixed management fees and incentive fees based on a portion of the incentive fees paid to Atlas by the Corporation and MorAmerica under the MACC Investment Advisory Agreement and the MorAmerica Capital Investment Advisory Agreement, respectively. The Subadvisory Agreement does not result in any additional expense to either the Corporation or MorAmerica Capital. Total management fees under the Subadvisory Agreement amounted to \$189,583 for the year ended September 30, 2004.

The address of the Subadviser is 101 Second Street S.E., Suite 800, Cedar Rapids IA 52401. Mr. David Schroder, Chief Financial Officer and Treasurer of the Corporation, is a shareholder of, and President and Secretary of InvestAmerica. Mr. Kevin Mullane, Vice President of MorAmerica, is a shareholder of, and the Senior Vice President and Assistant Secretary of InvestAmerica. Mr. Robert A. Comey, Chief Financial Officer and Treasurer of MorAmerica, is the Executive Vice President, Treasurer and Assistant Secretary of InvestAmerica. Mr. Michael H. Reynoldson, Vice President of MorAmerica, is the Vice President of InvestAmerica.

Pursuant to authority granted by the Corporation's shareholders at the 2004 Annual meeting, the Corporation issued convertible debt to its Chairman, Geoffrey T. Woolley in 2004 pursuant to a Convertible Note and Security Agreement with Mr. Woolley dated March 1, 2004 (the "Woolley Agreement"). Under the Woolley Agreement, the Corporation may borrow up to up to \$400,000 from Mr. Woolley, which may be drawn over a twelve month period. Advances under this line of credit bear interest at the rate of 9% per year. The Corporation is required to make interest payments quarterly during the first year, and all accrued interest and unpaid principal will be fully amortized in the second year. The Woolley Agreement extends for two years, subject to extension at any time by mutual agreement. Any outstanding principal and interest may be converted at the option of Mr. Woolley to shares of the Corporation's Common Stock at the lesser of (i) \$3.50 per share or (ii) the same price per share as any rights offering to shareholders within 12 months of the loan date. The loan is secured by a first lien on cash assets of the Corporation, a letter of support from MorAmerica Capital in which MorAmerica Capital agreed to make legally available distributions to pay any outstanding loan amounts, and a guarantee by Atlas.

Item 14. Principal Accounting Fees and Services.

The Audit Committee of the Board of Directors of the Corporation (the "Audit Committee") is composed of three directors and operates under a written charter originally adopted by the Board of Directors and annually updated by the Audit Committee. The current charter of the Audit Committee was attached to the Proxy Statement for the 2004 Annual Shareholders Meeting. The current members of the Audit Committee are Michael W. Dunn (Chair), Paul M. Bass and Gordon J. Roth. Under the terms of the charter and the listing standards of The Nasdaq

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K/A

Stock Market, Inc., all of the Audit Committee members are considered to be independent.

Management is responsible for the Corporation's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally

accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this regard, the Audit Committee has reviewed and discussed the audited financial statements for Fiscal Year 2004 with management and discussed other matters related to the audit with the independent auditors. Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee met with the independent auditors, with and without management present, and discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors the firm's independence.

The Corporation paid KPMG LLP ("KPMG"), the Corporation's independent auditors for fiscal year 2004, the following amounts during fiscal year 2004:

Audit Fees (including quarterly reviews, security counts, and audit of Form 468):	\$58,250
Audit-related services	\$11,175
Financial Information Systems Design and Implementation:	\$ -0-
Non-Audit Fees:	
Preparation of federal and state income tax returns	\$23,750
Other tax research, consultation, correspondence and advice	\$ 1,150

The Audit Committee has considered whether KPMG has maintained its independence during Fiscal Year 2004.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Corporation's Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended September 30, 2004, filed with the Securities and Exchange Commission.

AUDIT COMMITTEE:

Michael W. Dunn, Chair
 Paul M. Bass
 Gordon J. Roth

Tax Fees	\$24,900	\$24,900
All Other Fees	-0-	-0-

Audit-Related Fees were for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's consolidated financial statements and are not reported under "Audit Fees." These services include accounting consultations in connection with acquisitions, consultations concerning financial accounting and reporting standards.

Tax Fees were for professional services for federal, state and international tax compliance, tax advice and tax planning and include preparation of federal and state income tax returns, and other tax research, consultation, correspondence and advice.

All Other Fees are for services other than the services reported above. The Corporation did not pay any fees for such other services in Fiscal Year 2004 or Fiscal Year 2003.
