ITEM 5. Other Events

The purpose of this Form 8-K is to inform the public and security holders of revisions with respect to previously reported financial results for the year ended December 31, 2001. The adjustment to the 2001 financial results previously reported on January 24, 2002 is due to receiving an unfavorable jury ruling on March 15, 2002 in the ongoing patent litigation involving certain mass spectrometry products sold in the United States. The adjustment is being made in fiscal 2001 in accordance with Statement of Financial Accounting Standard No. 5, Accounting for Contingencies, as the underlying claim was filed prior to December 31, 2001. The Company will reflect this adjustment in its Form 10-K and Annual Report for fiscal year 2001 along with appropriate disclosures. Simultaneously with the filing of this Form 8-K, the Company is issuing a press release reporting this event as well as updating our previously communicated fiscal year 2002 first quarter projections and full year expectations. A copy of the press release and adjusted financial results for the year ended December 31, 2001 are attached as Exhibit 99.1.

Certain statements contained in the current report on Form 8-K presentations, including references to the Registrant's strategy and

operating and financial profile, are forward-looking. These statements are subject to various risks and uncertainties, many of which are outside the control of the Registrant, including (i) changes in relevant portions of the analytical instrument marketplace as a result of economic or regulatory influences, (ii) general changes in the economy or marketplace including currency fluctuations, in particular with regard to the Eurocurrency, (iii) changes in the competitive marketplace, including new products or pricing changes by the Registrant's competitors, (iv) the ability of the Registrant to generate increased sales and profitability from new product introductions, as well as additional risk factors set forth in the Registrant's Form 10-K for its fiscal year ended December 31, 2000. Actual results could differ materially from the plans, intentions and expectations disclosed in the forward-looking statements the Registrant may make, whether because of these factors or for other reasons. The Registrant does not assume any obligations to update any forward-looking statement.
