Item 3. Source and Amount of Funds or Other Consideration

All of the Shares to which this Statement relates were purchased by the Reporting Persons and were purchased with working capital in open market purchases. The aggregate purchase cost of the 709,269 Shares as of February 6, 2013 reported hereunder was \$3,519,393 (including brokerage commissions).

In the event that the Reporting Persons purchase additional shares of the Issuer Common Stock, it is currently contemplated that it will use its working capital for such purchases. As of the date of this Statement, no other arrangements with third parties have been made with respect to financing the acquisition of additional shares of Issuer Common Stock.

Item 4. Purpose of Transaction

The Reporting Persons believe that the Issuer's Common Stock is significantly undervalued and is an attractive investment. In addition, the Reporting Persons believe that the Issuer should actively pursue strategic alternatives to maximize shareholder value, including a sale of the entire company, or other value-maximizing alternatives.

The Reporting Persons expect to engage in discussions with management, the Board, other stockholders of the Issuer and other relevant parties concerning the business, assets, capitalization, financial condition, operations, governance, management, strategy and future plans of the Issuer, which discussions may include proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.

The Reporting Persons intend to review their investments in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the Issuer's financial position and strategic direction, actions taken by the board, price levels of shares of the Common Stock, other investment opportunities available to the Reporting Persons, concentration of positions in the portfolios managed by the Reporting Persons, market conditions and general economic and industry conditions, the Reporting Persons may take such actions with respect to their investments in the Issuer as they deem appropriate, including, without limitation, purchasing additional shares of the Common Stock or other financial instruments related to the Issuer or selling some or all of their beneficial or economic holdings, engaging in hedging or similar transactions with respect to the securities relating to the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) – (b) As of the close of business on the filing date, the Reporting Persons beneficially own, in the aggregate, a total of 709,269 shares of Common Stock, which represent approximately 3.77% of the Issuer's outstanding Common Stock.

As of the close of business on the filing date, O-CAPLP beneficially owns 433,906 shares of Common Stock, representing approximately 2.31% of the total number of Common Stock outstanding and has the shared power to vote or direct the vote, and the shared power to dispose or direct the disposition of, all such 433,906 shares of common stock.

As of the close of business on the filing date O-CAPMF beneficially owns 275,363 shares of Common Stock, representing approximately 1.46% of the total number of Common Stock outstanding and has the shared power to vote or direct the vote, and the shared power to dispose or direct the disposition of, all such 275,363 shares of common stock.

As of the filing date, the shares of Common Stock beneficially owned by O-CAPLP and O-CAPMF, when aggregated together totaled 709,269 shares of Common Stock, approximately 3.77% of the total number of shares of Common Stock outstanding.

Because Michael E. Olshan, Jared S. Sturdivant, O-CAPMGT, O-CAPADV and O-CAPGP may be deemed to control O-CAPLP and O-CAPMF, they may each be deemed to beneficially own, and to have the shared power to vote or direct the vote of, or dispose or direct the disposition of, the 709,269 shares of Common Stock that are beneficially owned by O-CAPLP and O-CAPMF.

As of the close of business on the filing date hereof, the number of shares of Common Stock as to which each of the Reporting Persons has or shares voting or dispositive authority is set forth in rows 7 through 10 of each of the inside cover pages to this Schedule 13D relating to each such Reporting Person (which are incorporated by reference into this Item 5 by reference). All percentages set forth in this paragraph are based on 18,805,168 shares of Common Stock outstanding as of the filing date.

(c) No Reporting Persons has effected any transaction in shares of Common Stock during the 60 days preceding the date of this Schedule 13D except as set forth below.
