Item 2.02. Results of Operation and Financial Condition

On August 20, 2009, Foot Locker, Inc. (the Company) issued a press release announcing its operating results for the second quarter of 2009. The press release includes a non-GAAP financial measure of the prior years net income for the first six-months of that year before store closing expenses and a non-cash impairment charge, which the Company believes is a useful measure to investors because it allows for a more direct comparison of the Companys performance for year-to-date 2009 to the Companys year-to-date 2008 performance. A reconciliation schedule of the non-GAAP measures to GAAP is provided in the release.

A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
